¹ With proper handling and care, Daily Wear lenses will last up to approximately one year.

² Members will receive two boxes of Planned Replacement lenses due to their extended wearing features and resilience which, depending on wearing schedule and doctor's instructions, last up to approximately one year.

³ For members wearing Disposable contact lenses, four boxes will be provided, which equates to approximately a six-month supply.

*All benefits should be confirmed through Davis Vision at 1-888-393-2583 or www.davisvision.com.
