**ADDENDUM #1 TO DUTCHESS BOCES RFB #2223-12
CTI COSMETOLOGY SALON FURNITURE**

Q1. The bid specs on Item #10 Delivery indicate “inside delivery”, but the Bid Submission Sheet indicates Loading Dock Delivery to Dutchess BOCES Receiving Dept.

A1. Item #10 is part of our standard bid clauses. In this case, the Bid Submission Sheet delivery specifications are correct. We would like delivery to the Dutchess BOCES Receiving Dept. Loading Dock. Dutchess BOCES will be responsible for the installation of these units.

Q2. Item #25 states 5 day delivery. Furniture generally takes 8-10 weeks. What is the requested delivery time?

A2. Again Item #25 is part of our standard bid specifications. We understand that furniture can take several weeks to months to be delivered. We would like the items to be delivered as soon as possible, but understand that it will definitely take more than 5 days. We ask vendors to provide us with their best estimate for delivery.

Q3. The bid does not indicate whether the units are to be shipped individually over a period of time or if they are to be shipped all at the same time. Can you tell us which is preferred?

A3. We would like all of the units to be delivered at the same time. However, if some of the units are available sooner, that is fine too.
