

Dutchess **BOCES**

Many thanks to all of you who started the month of February by participating in

“Go Red for Women”

With your help, Dutchess BOCES contributed \$493 to the American Heart Association’s efforts.

We’re now a couple days away from the second part of our effort: The American Heart Walk. The annual American Heart Walk will take place on the morning of **Saturday, March 14, 2015** at Vassar College starting at 10:00 a.m. with registration beginning at 8:30 a.m.

If you are interested in joining the team from Dutchess BOCES or would like to participate individually in the walk, all you need to do is collect donations from individuals and walk. It’s that easy!

Communications and Grants Research have started organizing their walkers. It would be great to have every division/building represented. Please see the representatives below and be part of the large, enthusiastic team from Dutchess BOCES. If you are unable to walk, please considering sponsoring a walker.

To join the BOCES team or to obtain a collection envelope see your building representative:
