Evaluator Collegial Circle

The MPPR Evaluator Collegial Circle provides an opportunity for evaluators to learn, share, and collaborate with other MPPR evaluators in their region. Each collegial circle meeting includes time for deepening learning, development of implementation strategies and processes, and troubleshooting.

This collegial circle is an online experience, comprised of monthly, 2-hour interactive webinar-style sessions. Focus areas for the year will be determined by the group during the first meeting, based on needs and interest, and may include managing the evaluation process, providing and following up on actionable feedback, engaging in (and supporting) difficult conversations, collecting and annotating evidence, reporting out processes and formats, successfully navigating multiple roles (e.g. evaluator, supervisor, coach), etc. Once focus areas are determined, an agenda, resources and recommended readings and guiding questions will be provided prior to each session.

(Requires evaluator registration and rescheduling dates missed.)
