This one-day program provides district leadership and those evaluating school or district leaders with a day devoted to unpacking and using the MPPR and MLPR Field Guides and their accompanying workbooks.

Participants will explore the various sections of the Field Guides, including a 5-step process for implementation as well as the forms and protocols that support the process.

As a team, they will examine their recent APPR-related professional evaluation practices, and adopt, adapt or integrate their experiences with the MPPR/MLPR Field Guides' processes and forms to create an actionable plan for professional evaluation moving forward.

***Field Guides will be provided.**
