## **FOREWORD**

The Dutchess County Board of Cooperative Educational Services (hereafter “BOCES”) is a voluntary cooperative association of public school districts in Dutchess County. The BOCES is governed by a Board of Trustees (hereafter “Board”) who have formulated the policies contained herein.

Policy is defined as a basic plan of action. It establishes limits within which freedom of judgment can be exercised.

Policy is a governing principle of management. It is a statement which has an effect on the interests of those who come under its jurisdiction. A policy may originate from the constitution, from statute, from local determinations and/or from customary patterns of formal behavior.

Policy should accomplish the following:

- a) State a position taken by the Supervisory District;
- b) Grant the authority to act;
- c) Be sufficiently detailed to give adequate direction;
- d) Be achievable within the real environment of the school and community;
- e) Provide for impartial procedures.

In addition to the adopted policies, the operation of the BOCES is governed by and subject to all applicable Laws, Regulations of the Commissioner of Education, Civil Service requirements, Board Resolutions, School Administrative Regulations and Contracts of Agreement.

If any part of this manual is made invalid by judicial decision or legislative or administrative enactment, all other parts shall remain in full effect unless and until they are amended or repealed by the Board. The official record of the adoption, amendment, or repeal of the by-laws and policies of the Dutchess County BOCES shall be the minutes of the meetings of the Board.

## **VISION STATEMENT**

Dutchess County BOCES will be recognized for its premier educational and support services providing quality and cost-effective solutions for our community. We will promote an organizational culture fostering collaboration, innovation, efficiency, excellence and leadership that is embraced by BOCES and its community.

## **MISSION STATEMENT**

Dutchess County BOCES will provide leadership in raising all Dutchess County students academic performance to a level that meets or exceeds the New York State Standards. This will be done through focusing available resources in new ways that enhance leadership in our schools, promote strategic data driven decision-making and provide services and programs needed by county schools to fulfill this mission. We shall also continue in our mission of collaborating with other community agencies for the betterment of county residents to meet the educational needs of all citizens.

## **BOCES BELIEF STATEMENT**

- Learning is a lifelong endeavor.
- Teaching and learning are at their best in a diverse environment that fosters cooperation and understanding through collaboration and communication.
- Mutual respect, fairness, support and honesty create quality relationships.

## **GOVERNANCE PRINCIPALS OF THE BOCES BOARD MEMBERS**

Governance principals are commitments demonstrated in individual and collective behaviors of the Dutchess County BOCES Board. These principles are directed to three basic relationships – those we serve, those we support and ourselves. The success of every system depends on effective working relationships among BOCES Board members, the component districts, the community and the District Superintendent.

Seven governance principals will guide board member behavior. These principals are organized according to the three basic relationships, as follows:

### **The Board's Responsibility to Those it Serves**

- 1) Service to its component district boards and community by sharing, stimulating and coordinating planning, services and programs that are economical, efficient and equitable.
- 2) Production of policy decisions based upon the broadest values before progressing to narrower ones and speaking with one voice.
- 3) Continuous communication with component district boards and the community.

### **The Board's Relationship with the District Superintendent**

- 4) Empowerment of management based upon a role clarity.
- 5) Assessment of the District Superintendent's performance is conducted through comparison with policy criteria and based on a clear set of mutually agreed upon performance objectives.

### **The Board's Internal Process**

- 6) The Board is responsible to the BOCES and to itself to establish, reaffirm, and assess the educational priorities of the organization.
- 7) The Board is committed to continuous improvement through Board development and assessment.

## By-Laws

**SUBJECT: METHODS OF OPERATION**

The BOCES operates at the policy-making level, leaving the administration of that policy to its District Superintendent, administrators and supervisors, thus freeing itself for major considerations and decisions.

Board policies are statements which set forth the purposes and prescribe in general terms, the organization and program of a school system. They create a framework within which the District Superintendent and other staff can discharge their assigned duties with positive direction. Essentially, they tell what is desired and they may also indicate reasons why and how much.

Specific direction, however, giving precise details of how, by whom, where, and when things are to be done, are rules and regulations.

This distinction between policy and rules and regulations does not imply that policy should deal only with abstract expressions of theory and philosophy. On the contrary, statements of policy should spell out clearly what the Board intends. The clearer the statement of the policy the clearer the directions to be taken by the administration.

Education Law Section 1709

Adopted: July 2003

## By-Laws

**SUBJECT: COMMUNICATION BETWEEN BOARD MEMBERS**

Official BOCES Board business must be conducted in accordance with the Open Meeting Law. Public business should not be conducted by the Board as a body by e-mail or telephone. The law provides for closed or “executive” sessions as described in Policy #1433 -- Executive Sessions of the Board.

## By-Laws

**SUBJECT: CODE OF CONDUCT FOR SCHOOL BOARD MEMBERS**

The Board will be guided by the Joint Code of Conduct of the New York State Council of School Superintendents and the New York State School Boards Association, as amended for BOCES and presented below:

- a) Assure the opportunity for high quality education for every student and make the well-being of students the fundamental principal in all decisions and actions.
- b) Obey all national, state and local laws and regulations pertaining to education and public agencies.
- c) Represent the entire community without fear and favor, while not using these positions for personal gain and accepting all responsibilities as a means of unselfish service.
- d) Uphold the principals of due process and individual dignity, and protect the civil and human rights of all.
- e) Adhere to the principal that the Board shall confine its role to policymaking, planning and appraisal while the District Superintendent shall implement the Board's policies.
- f) Act as part of the educational team with mutual respect and regard for one another's respective responsibilities and duties, recognizing that the strength of the BOCES Board is in acting as a Board, not as individuals; and that the strength of the District Superintendent is in being the educational leader of the BOCES.
- g) Maintain high standards and the effectiveness of education through research and continuing professional development.
- h) Preserve the obligation of having all issues considered fairly and without bias.
- i) Instill respect for community, state and nation.
- j) Honor the spirit and letter of all contracts until fulfillment or modification by mutual agreement.

Adopted: July 2003  
Revised: January 2004

**SUBJECT: FORMULATION, ADOPTION, AMENDMENT, DISSEMINATION AND REVIEW****Formulation, Adoption, and Amendment of Policy**

The Board recognizes that the adoption of written policies constitutes the basic method by which the Board exercises its leadership in the operation of the BOCES. Policies may be proposed for adoption, change, or repeal at any regular or special Board meeting, by any member of the BOCES community. The Board delegates to the District Superintendent the responsibility and authority to establish any and all rules, regulations, and/or procedures necessary to implement and maintain its policies.

Accordingly, the District Superintendent is directed to initiate a program of Board policy revision to include the following items:

- a) Periodic review and evaluation of all current Board policy;
- b) Preparation of additional policies as needed;
- c) Consultation with district staff and community members on an advisory basis;
- d) Consultation and review by Board committee as appropriate; and
- e) Presentation of a proposed policy in draft form to the Board for consideration prior to action.

Since policies often affect the component districts, students, employees and/or citizens of the BOCES, the Board shall make a continuing effort to try to involve as many relevant groups as reasonable during policy development. To assure these groups a reasonable opportunity to advise the Board of their reactions to and feelings about proposed policies, no official Board vote shall take place on a policy adoption, change, or repeal at the meeting during which it is first presented to the Board for consideration, unless a majority of the Board determines that it is necessary to do otherwise.

Rules and regulations are subject to modification by Board action at any meeting. The initiative for change normally comes from the District Superintendent.

The formal adoption of policies shall be recorded in Board minutes. Only those written statements so adopted and so recorded shall be regarded as official Board policy.

**Policy Dissemination**

The Board recognizes the need for widespread familiarity with BOCES policies and regulations, and therefore directs the District Superintendent to implement the following:

- a) Maintain an updated policy manual that includes appropriate administrative regulations and takes precedence over all previous manuals, and be responsible for its presence at all Board meetings;
- b) Issue to each Board member, for the duration of his/her term, a complete and dated policy manual in an appropriate binder;
- c) Ensure that personnel are familiar with Board policies and administrative regulations which affect them, directly or indirectly.

**Policy Manual Accuracy Check**

In an effort to keep its written policies updated so that they may be used as a reliable basis for Board action and administrative decision, the Board may establish procedures to ensure they are reviewed for accuracy on a periodic and continuing basis.

The Board should establish procedures to review its policy manuals on a continuing or periodic basis. The district clerk may be given the responsibility for recalling all copies of the Board's policy manual for review and updating. This may be done following the periodic review of Board policies, or after the Board revises or amends its policies as deemed necessary.

The District Superintendent has the responsibility of calling to the Board's attention any policy that is outdated or needs revision for other reasons. The Board may also direct the District Superintendent to recall all the Board's policy manuals for a periodic review to ensure that they are properly updated, and to provide a check on their uniformity, completeness, and condition.

**SUBJECT: BOCES WEBSITE**

The Dutchess County BOCES realizes the limitless potential for information and communication provided by the World Wide Web. The availability of this communication vehicle provides and opportunity for students and staff to access and contribute to the world of information related to curriculum, instruction, school, district, and school board related activities. Therefore, the Dutchess County BOCES will use the Internet as an effective, efficient and timely source of information, method of communication and vehicle for resource collection. In order to take advantage of the opportunities the Internet provides, the Board authorizes the creation of school and/or BOCES web pages on the Internet.

Only those web pages maintained in accordance with Board policy and established procedures shall be recognized as official representations of BOCES or individual schools. All information on a school or BOCES page must accurately reflect the mission, goals, policies, program, and activities of the school and district. The web page must have a purpose which falls within at least one of two categories: 1) Support of curriculum and instruction – intended to provide links to Internet resources for students, parents, and staff in BOCES; 2) Public information – intended to communicate information about the schools and BOCES to students, staff, parents, community, and the world at large.

The District Administrator shall designate an individual(s) to be responsible for maintaining the official BOCES page and monitoring all BOCES web page activity. Schools or departments who wish to publish a web page must identify an appropriately qualified publisher and/or author.

As with any instructional materials or publication used by or representing the school or BOCES, the building principal or District Administrator, respectively, is ultimately responsible for accuracy and appropriateness of the information made available on the web site. Concern about the content of any page(s) created by students or staff should be directed to the building principal or the BOCES Office when related to the BOCES web site. If the concern is not resolved, persons wishing to file a formal complaint shall submit a written request for reconsideration of instructional material.

Web sites developed under contract for the Dutchess County BOCES or within the scope of employment by Dutchess County BOCES employees are the property of the Dutchess County BOCES.

Due to the dynamic nature of the World Wide Web, this policy is to be reviewed and updated in an annual basis or more frequently, if required.

**SUBJECT: CITIZEN AND STAFF COMPLAINTS**

Complaints by citizens and staff regarding any facet of the BOCES operation often can be handled more satisfactorily by the administrator in charge of the building closest to the source of the complaint. In most instances, therefore, complaints will be made to the appropriate program supervisor or building principal and/or his/her assistant if the matter cannot be resolved by the teacher, coach, or other BOCES employee.

If the complaint and related concerns are not resolved at this level to the satisfaction of the complainant, the complaint may be carried to the District Superintendent and/or one of his/her assistants. Unresolved complaints at the building level must be reported to the District Superintendent by the building principal. The District Superintendent may require the statement of the complainant in writing.

If the complaint and related concerns are not resolved at the District Superintendent level to the satisfaction of the complainant, the complaint may be carried to the Board. Unresolved complaints at the District Superintendent level must be reported to the Board by the District Superintendent. The Board reserves the right to require prior written reports from appropriate parties.

**SUBJECT: SOLICITATION OF CHARITABLE DONATIONS FROM STUDENTS**

Direct solicitation of charitable donations from children in the BOCES schools on school property during regular school hours shall not be permitted. It will be a violation of BOCES policy to ask school children directly to contribute money or goods for the benefit of a charity during the hours in which BOCES students are compelled to be on BOCES premises.

However, this policy does not prevent the following types of fund raising activities:

- a) Fund raising activities which take place off BOCES premises, or outside of regular school hours during before-school or after-school extracurricular periods;
- b) Arms-length transactions, where the purchaser receives a consideration for his/her donation. For example, the sale of goods or tickets for concerts or social events, where the proceeds go to charity, shall not be prohibited as the purchaser will receive consideration - the concert or social event - for the funds expended;
- c) Indirect forms of charitable solicitation on BOCES premises that do not involve coercion, such as placing a bin or collection box in a hallway or other common area for the donation of food, clothing, other goods or money. However, a collection of charitable contributions of food, clothing, other goods or funds from students in the classroom or homeroom is prohibited.

The District Superintendent or his/her designee shall ultimately decide which organizations, groups, etc. can solicit charitable donations and for what purposes, as long as the activities comply with the terms of this policy and the Rules of the Board of Regents.

Regulations shall be developed by the administration to implement this policy.

**SUBJECT: SOLICITATION OF CHARITABLE DONATIONS (PERSONNEL)**

One way to reflect the BOCES goal of maintaining an active presence in the community is through support of charitable organizations. However, the Board desires to safeguard the BOCES, the staff and students from commercial exploitation and intrusion into the school and work environment.

The Board believes that charitable activities by its employees conducted in compliance with the law are appropriate when such activities have a regional/local impact, generally focus on children and families, or have a direct benefit to any Dutchess County BOCES employee or his/her immediate family member who is in need of assistance.

Regulations shall be developed by the administration to implement this policy and establish guidelines for employees seeking approval for the distribution of not-for-profit solicitation materials.

**SUBJECT: ANTI-HARASSMENT IN THE BOCES**

The Board affirms its commitment to nondiscrimination and recognizes its responsibility to provide an environment that is free of harassment and intimidation. Harassment is a violation of law and stands in direct opposition to BOCES policy. Therefore, the Board prohibits and condemns all forms of harassment on the basis of an individual's actual or perceived race, color, creed, national origin, political affiliation, age, marital or veteran status, weight, ethnic group, religious practice, sexual orientation, gender, or disability by employees, school volunteers, students, and nonemployees such as contractors and vendors as well as any third parties who are participating in, observing, or otherwise engaging in activities subject to the supervision and control of the BOCES. The Board also prohibits harassment based on an individual's opposition to discrimination statutes. This policy of nondiscrimination and anti-harassment will be enforced on BOCES premises, in BOCES buildings, BOCES owned or contracted vehicles, and at all BOCES-sponsored events, programs and activities, including those that take place at locations off BOCES premises.

It is intended that this policy apply to the dealings between or among employees with employees; employees with students; students with students; employees/students with vendors/contractors and others who do business with the BOCES; and BOCES volunteers, visitors, guests and other third parties. All of these persons are hereinafter referred to collectively as "the named group."

For purposes of this policy, harassment shall mean communication (verbal, written or graphic) and/or physical conduct based on an individual's actual or perceived race, color, creed, national origin, political affiliation, age, marital or veteran status, weight, ethnic group, religious practice, sexual orientation, gender, or disability that:

- a) Has the purpose or effect of substantially or unreasonably interfering with an individual's work performance or is used as a basis for employment decisions (including terms and conditions of employment) affecting such individual and/or creates an intimidating, hostile or offensive work environment;
- b) Has the purpose or effect of substantially or unreasonably interfering with a student's academic performance or participation in an educational or extracurricular activity, or creates an intimidating, hostile or offensive learning environment and/or effectively bars the student's access to an educational opportunity or benefit;
- c) Otherwise adversely affects the employment and/or educational opportunities and benefits provided by the BOCES.

**SUBJECT: ANTI-HARASSMENT IN THE BOCES (Cont'd.)**

The BOCES will act to promptly investigate all complaints, verbal or written, formal or informal, of allegations of harassment based on any of the characteristics described above and will promptly take appropriate action to protect individuals from further harassment.

In order for the Board to enforce this policy, and to take corrective measures as may be necessary, it is essential that any employee, student, or other member of the above named group who believes he/she has been a victim of harassment in the BOCES environment and/or at programs, activities and events under the control and supervision of the BOCES, as well as any individual who is aware of and/or who has knowledge of, or witnesses any possible occurrence of harassment, immediately report such alleged harassment. Such report shall be directed to or forwarded to the BOCES designated complaint officer(s) through informal and/or formal complaint procedures as developed by the BOCES. Such complaints are recommended to be in writing, although verbal complaints of alleged harassment will also be promptly investigated in accordance with the terms of this policy. In the event that the complaint officer is the alleged offender, the report will be directed to the next level of supervisory authority.

Upon receipt of an informal/formal complaint, the BOCES will conduct a thorough investigation of the charges. However, even in the absence of an informal/formal complaint, if the BOCES has knowledge of any occurrence of harassment, the BOCES will investigate such conduct promptly and thoroughly. To the extent possible, within legal constraints, all complaints will be treated as confidentially as possible. However, disclosure may be necessary to complete a thorough investigation of the charges and/or to notify law enforcement officials as warranted, and any disclosure will be provided on a "need to know" basis.

Based upon the results of this investigation, if the BOCES determines that an employee and/or student has violated the terms of this policy and/or accompanying regulations, immediate corrective action will be taken as warranted. If the offending individual is a student, appropriate disciplinary measures will be applied, up to and including suspension, in accordance with applicable laws and/or regulations, BOCES policy and regulation, and the Code of Conduct. If the offending individual is a BOCES employee, appropriate disciplinary measures will be applied, up to and including termination of the offender's employment, in accordance with legal guidelines, BOCES policy and regulation, the Code of Conduct, and the applicable collective bargaining agreement(s). Third parties (such as BOCES volunteers, vendors, etc.) who are found to have violated this policy and/or accompanying regulations will be subject to appropriate sanctions as warranted and in compliance with law. The application of such disciplinary

**SUBJECT: ANTI-HARASSMENT IN THE BOCES (Cont'd.)**

measures by the BOCES does not preclude the filing of civil and/or criminal charges as may be warranted.

The Board prohibits any retaliatory behavior directed against complainants, victims, witnesses, and/or any other individuals who participated in the investigation of a complaint of harassment. Follow-up inquiries shall be made to ensure that harassment has not resumed and that all those involved in the investigation of the harassment complaint have not suffered retaliation.

Regulations will be developed for reporting, investigating, and remedying allegations of harassment based on the characteristics described above. An appeal procedure will also be provided to address any unresolved complaints and/or unsatisfactory prior determinations by the applicable complaint officer(s). Such regulations will be developed in accordance with federal and state law as well as any applicable collective bargaining agreement(s).

The District Superintendent/designee(s) will affirmatively discuss the topic of harassment with all employees and students, express the BOCES condemnation of such conduct, and explain the sanctions for such harassment. Appropriate training and/or awareness programs will be established for staff and students to help ensure knowledge of and familiarity with the issues pertaining to harassment in the schools, and to disseminate preventative measures to help reduce such incidents of prohibited conduct. Furthermore, special training will be provided for designated supervisors and managerial employees, as may be necessary, for the investigation of harassment complaints.

A copy of this policy and its accompanying regulations will be available upon request and may be posted at various locations in each BOCES building. The BOCES policy and regulations on antiharassment will be published in appropriate BOCES publications such as teacher/employee handbooks, student handbooks, and/or BOCES calendars.

This policy should not be interpreted to abrogate other BOCES policies and/or regulations prohibiting other forms of unlawful discrimination, inappropriate behavior, and/or hate crimes within this BOCES. It is the intent of the BOCES that all such policies and/or regulations be interpreted consistently to provide the highest level of protection from unlawful discrimination in the provision of employment/educational services and opportunities. However, different treatment of any member of the above named groups which has a legitimate, legal and nondiscriminatory reason shall not be considered a violation of BOCES policy.

**SUBJECT: DIGNITY FOR ALL STUDENTS**

Dutchess BOCES seeks to create an environment free of harassment, bullying, and discrimination, to foster civility in its schools, and to prevent conduct which is inconsistent with its educational mission. BOCES, therefore, prohibits all forms of harassment and bullying of students by employees or other students on school property and at school functions. BOCES further prohibits discrimination against students, including but not limited to those acts based on a person's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, or sex by school employees or other students on school property and at school sponsored activities and events that take place at locations off school property.

**Dignity Act Coordinator**

In each of its schools, BOCES will designate at least one (1) employee holding such licenses and/or certifications as required by the Commissioner to serve as the Dignity Act Coordinator(s). Each Dignity Act Coordinator (DAC) will be thoroughly trained to handle human relations in the areas of race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender (including gender identity or expression), and sex. Training will also be provided for DACs which addresses: the social patterns of harassment, bullying, and discrimination, including but not limited to those acts based on a person's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, and sex; the identification and mitigation of harassment, bullying, and discrimination; strategies for effectively addressing problems of exclusion, bias, and aggression in educational settings. All DAC appointments will be approved by the Board of Education.

BOCES will share the name, designated school, and contact information of each Dignity Act Coordinator with all school personnel, students, and parents/persons in parental relation. Such information will be provided by:

- a) Listing such information in the *Code of Conduct*, with updates posted on BOCES website; and
- b) Including such information in the plain language summary of the *Code of Conduct* provided to all persons in parental relation to students before the beginning of each school year; and
- c) Providing such information to parents and persons in parental relation in at least one (1) BOCES or school mailing or other method of distribution, including, but not limited to, electronic communication and/or sending such information home with each student. If such information changes, parents and persons in parental relation will be notified of the changes in at least one (1) subsequent BOCES or school mailing, or other such method of distribution as soon as practicable thereafter; and

(Continued)

**SUBJECT: DIGNITY FOR ALL STUDENTS (Cont'd.)**

- d) Posting such information in highly visible areas of school buildings; and
- e) Making such information available at BOCES and school-level administrative offices.

If a Dignity Act Coordinator vacates his/her position, another school employee will immediately be designated for an interim appointment as DAC, pending approval from the Board of Education, within thirty (30) days of the date the position was vacated. In the event a DAC is unable to perform the duties of the position for an extended period of time, another school employee shall immediately be designated for an interim appointment as DAC, pending return of the previous individual to the position.

**Training and Awareness**

Each year, employees will be provided with training to promote a supportive school environment that is free from harassment, bullying, and/or discrimination, and to discourage and respond to incidents of harassment, bullying, or discrimination. Such training may be provided in conjunction with existing professional development, and will be conducted consistent with guidelines approved by the Board of Education, and will:

- a) Raise awareness and sensitivity to potential acts of harassment, bullying, and/or discrimination;
- b) Address social patterns of harassment, bullying, and/or discrimination and the effects on students;

**SUBJECT: DIGNITY FOR ALL STUDENTS (Cont'd.)**

Rules against bullying, discrimination, and/or harassment will be included in the *Code of Conduct*, publicized BOCES-wide, and disseminated to all staff and parents.

**Reports and Investigations of Harassment, Bullying, and/or Discrimination**

Students who have been subjected to harassment, bullying, and/or discrimination, persons in parental relation whose children have been subjected to such behavior, or other students who observe or are told of such behavior, are encouraged and expected to make verbal and/or written reports to the principal, superintendent, Dignity Act Coordinator, and/or other school personnel. All BOCES staff who are aware of harassment, bullying, and/or discrimination, are required to orally report the incident(s) within one (1) school day to the Principal, Superintendent, or his/her designee and report it in writing within two (2) school days after making an oral report.

The Principal, Superintendent, or the Principal's or Superintendent's designee will lead and/or supervise the thorough investigation of all reports of harassment, bullying, and discrimination, and ensure that such investigations are completed promptly after receipt of any such reports. All investigations will be conducted in accordance with law, the BOCES' *Code of Conduct*, and applicable BOCES policy and procedure. In the event allegations involve harassment, bullying, and/or discrimination on the basis of race, color, religion, national origin, sex, sexual orientation, or disability, BOCES may utilize the procedures set forth in Policy #1440 -- Non-Discrimination and its implementing regulations. Where appropriate, the Dignity Act Coordinator or such other individual conducting the investigation, may seek the assistance of the BOCES Title IX Officer in investigating, responding to, and remedying complaints of harassment, bullying, and/or discrimination.

In the event any such investigation reveals harassment, bullying, and/or discrimination, BOCES will take prompt action reasonably calculated to end the harassment, bullying, and/or discrimination, eliminate any hostile environment, create a more positive school culture and climate, prevent recurrence of the behavior, and ensure the safety of the student or students against whom such harassment, bullying, and/or discrimination was directed. Such actions will be taken consistent with applicable laws and regulations, BOCES policies and administrative regulations, and collective bargaining agreements, as well as BOCES *Code of Conduct* and any and all applicable guidelines approved by the Board.

The Superintendent, Principal, or his/her designee shall notify the appropriate local law enforcement agency when it is believed that any incident of harassment, bullying, and/or discrimination constitutes criminal conduct.

Such report will be submitted in a manner prescribed by the Commissioner, on or before the basic educational data system (BEDS) reporting deadline or such other date as determined by the Commissioner.

**Prohibition of Retaliatory Behavior**

Pursuant to Section 16 of the Education Law, any person who has reasonable cause to suspect that a student has been subjected to harassment, bullying, or discrimination by an employee or student on school grounds or at a school function, who acts reasonably and in good faith and reports such information to school officials, the Commissioner of Education, or law enforcement authorities, or otherwise initiates, testifies, participates, or assists in any formal or informal proceedings, will have immunity from any civil liability that may arise from making such report, or from initiating, testifying, participating, or assisting in such proceedings. Furthermore, the Board prohibits any retaliatory action against any person who, acting reasonably and in good faith, makes a report of harassment, bullying, or discrimination, or who otherwise initiates, testifies, participates, or assists in the investigation of a complaint of harassment, bullying, or discrimination.

**Publication of BOCES Policy**

At least once during each school year, all school employees, students, and parents will be provided with a written or electronic copy of this policy, or a plain-language summary thereof, including notification of the process by which students, parents, and school employees may report harassment, bullying, and discrimination. Additionally, BOCES will strive to maintain a current version of this policy on its website at all times.

**Application**

Nothing in this policy or its implementing regulations should be interpreted to preclude or limit any right or cause of action provided under any local, state, or federal ordinance, law or regulation including but not limited to any remedies or rights available under the Individuals With Disabilities Education Act, Title VII of the Civil Rights Law of 1964, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act of 1990.

The budget calendar shall provide for the following:

- a) Budget estimates required for Co-Ser preparation.
- b) Estimates of service costs provided to component districts for their planning purposes.
- c) Tentative budget of expenditures for the program costs, a tentative budget for capital costs, and a tentative budget for the administrative costs for Board review.
- d) A presentation of the tentative budgets at the Annual Meeting as well as all attachments as mandated by law and/or regulation.
- e) Final budget for Board review and adoption after the tentative budgets have been reviewed and the tentative administrative budget has been voted on by the component school boards in accordance with law.

Education Law Section 1950(2-a) and (4)(b)

NOTE: Refer also to Policy #4120 -- Budget Development and Adoption

Adopted: July 2003

**SUBJECT: BUDGET DEVELOPMENT AND ADOPTION**

Authorization of the budgetary commitment of a component school district to participate in programs and services provided by Dutchess County BOCES rests with the component school board and is executed by the superintendent of the school district. A preliminary service request is due not later than March 1st of each year, with the final request due on or before May 1st, in accordance with Section 1950 of Education Law.

The Dutchess County BOCES shall prepare separate tentative budgets for its administrative, capital and program costs as delineated in accordance with law and/or regulation. All three tentative budgets will be formally presented to the component districts at the Annual Meeting held on or before April 15th.

The BOCES administrative budget shall include, but is not limited to, office and central administrative expenses; traveling expenses; salaries and benefits of supervisors and administrative personnel necessary to carry out the central administrative duties of the Supervisory District; all expenditures associated with the Board, and the office of the District Superintendent. The BOCES program budget shall include program expenses. The capital budget shall include facility construction or acquisition, capital projects and rental expenses. The administrative budget also includes expenditures resulting from court judgments and orders from administrative bodies or officers, and certain costs relating to employee retirement.

The Board must attach to the administrative budget a detailed statement of the total compensation to be paid to the District Superintendent, delineating the salary, annualized cost of benefits and any in-kind or other form of remuneration to be paid. In addition, the Board must attach to the proposed administrative budget a BOCES report card as enumerated in law and regulation.

The three tentative budgets and attachments shall be provided to each component school board at least 10 days prior to the Annual Meeting. The board of each component school district shall adopt a public resolution approving or disapproving such tentative administrative budget at a regular or special meeting held on the same date designated for election of members of the Dutchess County BOCES. Each component board is entitled to one vote on the proposed administrative budget. Approval of the tentative administrative budget requires the approval of a majority of the total number of component school boards. If a majority of the components turns down the administrative budget or if there is a tie vote, the Cooperative Board will adopt and prepare a contingency administrative budget which may not exceed the previous year's administrative budget except for increases to supplemental retirement allowances. If the majority of component districts approve the tentative administrative budget, the Cooperative Board may adopt the administrative budget without modification.

**SUBJECT: BUDGET DEVELOPMENT AND ADOPTION (Cont'd.)**

While the BOCES capital and program budgets are presented to the component districts for their review, the adoption of those budgets is the sole responsibility of the Dutchess County BOCES. The law requires that the Board adopt its final administrative, capital and program budgets by May 15th.

After this date, requests for changes in the district's level of participation, either increases or decreases, shall be made in writing by the component school superintendent to the District Superintendent or his/her designee.

Requests from component school districts for services not available from Dutchess County BOCES must be made in writing to the District Superintendent or his/her designee who may authorize the issuance of a cross contract with another BOCES.

**SUBJECT: ACCEPTANCE OF GIFTS, GRANTS AND BEQUESTS TO BOCES**

The Board may accept gifts, grants and/or bequests of money, real or personal property, as well as other merchandise which, in view of the Board, add to the overall welfare of BOCES, provided that such acceptance is in accordance with existing laws and regulations. However, the Board is not required to accept any gift, grant or bequest and does so at its discretion, basing its judgment on the best interest of BOCES. Furthermore, the Board will not accept any gift, grant or bequest which constitutes a conflict of interest and/or gives an appearance of impropriety.

At the same time, the Board will safeguard the BOCES, the staff and students from commercial exploitation, from special interest groups, and the like.

The Board will not accept any gifts or grants which will place encumbrances on future Boards, or result in unreasonable additional or hidden costs to BOCES.

The Board will not formerly consider the acceptance of gifts or grants until and unless it receives the offer in writing from the donor/grantor. Any such gifts or grants donated to the Board and accepted on behalf of BOCES must be by official action and resolution passed by Board majority. The Board would prefer the gift or grant to be a general offer rather than a specific one. Consequently, the Board would suggest that the donor/grantor work first with BOCES administrators in determining the nature of the gift or grant prior to formal consideration for acceptance by the Board. However, the Board, in its discretion, may direct the District Superintendent or his/her designee to apply such gift or grant for the benefit of a specific school program or service.

The Board is prohibited, in accordance with the New York State Constitution, from making gifts/charitable contributions with BOCES funds.

**SUBJECT: PURCHASING PRINCIPLES**

- a) It is the policy of the Board that a purchasing system be developed and maintained which provides safe, reliable products, materials and services which benefit the educational program. The Board declares its intention to purchase competitively without prejudice and to seek maximum educational value for every dollar expended.
- b) Specifications shall be developed with the involvement of staff who use the purchased goods and services and are, therefore, in a position to effectively recommend acceptable levels of quality required for each program. Quality levels shall provide for accomplishment of program objectives.
- c) The Board shall appoint a Purchasing Agent and Deputy Purchasing Agent(s) for the BOCES. The District Superintendent shall recommend candidates to the Board for their consideration for this appointment. The Purchasing Agent shall be responsible for the development and supervision of the purchasing system for the District.
- d) The acquisition of services, equipment, and supplies is centralized in the purchasing department, which functions under the supervision of the Purchasing Agent, and through whose office all purchasing transactions are conducted.
- e) Competitive bids or quotations shall be solicited in connection with all purchasing in accordance with applicable State Laws and Regulations of the Commissioner of Education. Competitive bids from other municipal and governmental agencies may also be utilized when such purchases are in the best interest of BOCES. Purchase order contracts shall be awarded to the lowest responsible bidder, or on the basis of best value, complying with specifications and with other stipulated bidding conditions. Documented reasons for the low bids not meeting specifications shall be the sole basis for rejection and submitted with bid tabulations and evaluation.
- f) The Purchasing Agent is authorized to issue purchase orders without prior approval of the Board where formal bidding procedures are not required by law, and when budget appropriations are adequate to cover such obligations. Informal quotations will be sought whenever practical. The Deputy Purchasing Agent(s) is authorized to act in the absence of the Purchasing Agent.
- g) All purchase contracts for materials, supplies or equipment shall be governed by the prevailing regulations contained in New York State General Municipal Law, Section 103. When required, the Purchasing Agent (or the designated person) is authorized to open sealed bids and record the same pursuant to law.

- k) Items commonly used in the various schools or units thereof shall be grouped into standard specifications whenever consistent with educational goals and in the interest of efficiency or economy through volume purchasing.
- l) Petty Cash Funds shall be established and used in accordance with Commissioner of Education Regulation 170.3. The Board shall annually take formal action at a regular meeting to authorize locations in the district where funds are to be established, the dollar amount(s) and to designate the administrator(s) responsible for the funds so established.
- m) The purchasing procedures employed shall comply with all applicable laws and regulations of the State and Commissioner of Education.
- n) A statement of "General Conditions," such as approved by the Board, shall be included with all specifications submitted to suppliers for their bids. The conditions shall include items regarding delivery, service and duration of bid and the penalties of non-compliance.
- o) Opportunity shall be provided to all responsible suppliers to do business with the BOCES. To this end the Purchasing Agent shall develop and maintain lists of potential bidders for the various types of materials, equipment and supplies. Such bidder lists shall be used in the development of a mailing list for distribution of specifications and invitations to bid. Any responsible supplier may be included in the list upon request.

The Board reserves the right to disqualify bidders/vendors whose service is deemed unsatisfactory or who provide unsatisfactory or inferior material, equipment or products.

- p) The District Superintendent shall be authorized to arrange for emergency service or purchase in the event of an occurrence which endangers the health and safety of students and staff. The Board shall be notified when such action is taken by the District Superintendent.

- b) Facilitate the acquisition of goods and services of maximum quality at the lowest possible cost under the circumstances; and
- c) Guard against favoritism, improvidence, extravagance, fraud and corruption.

These procedures shall contain, at a minimum, provisions which:

- a) Prescribe a process for determining whether a procurement of goods and services is subject to competitive bidding and if it is not, documenting the basis for such determination;
- b) With certain exceptions (purchases pursuant to General Municipal Law, Section 186; State Finance Law, Section 175-a and 175-b; State Correction Law, Section 184; or those circumstances or types of procurements set forth in (f) of this section), provide that alternative proposals or quotations for goods and services shall be secured by use of written request for proposals, written quotations, verbal quotations or any other method of procurement which furthers the purposes of Section 104-b of General Municipal Law;

- e) Require justification and documentation of any contract awarded to other than the lowest responsible dollar offer, stating the reasons; and
- f) Set forth any circumstances when, or the types of procurement for which, the solicitation of alternative proposals or quotations will not be in the best interest of the BOCES.

**SUBJECT: PROCUREMENT OF GOODS AND SERVICES (Cont'd.)**

Any unintentional failure to fully comply with these provisions shall not be grounds to void action taken or give rise to a cause of action against the BOCES or any BOCES employee.

The Board shall solicit comments concerning the BOCES' policies and procedures from those employees involved in the procurement process. All policies and procedures regarding the procurement of goods and services shall be reviewed annually by the Board.

**Best Value and Piggybacking**

The Board authorizes that purchase contracts of more than twenty thousand (\$20,000) dollars may be awarded on the basis of best value, as that term is defined in State Finance Law §163.

The Board further authorizes that shared purchase contracts for apparatus, materials, equipment, supplies and related services that have been let or competitively offered by the United States or any agency thereof, any state or any other county, political subdivision or district therein, may be awarded by the Board on the basis of best value, as defined in State Finance Law §163, subject to receipt of documentation to be reviewed by the Board's attorneys that: (1) such contract has been publicly solicited by competitive bid or offer; (2) such contract has been awarded following submission of sealed bids or offers, or analogous procedures to secure and preserve the integrity of the process and confidentiality of the bids or offers submitted; (3) specifications or some other similar document providing a common standard for bidders or offerors have been prepared; and (4) such contract has been awarded to the lowest responsible bidder who materially or substantially meets the bid specifications and is determined to be a responsible bidder, or in the case of a best value process, such contract has been awarded to the responsive and responsible offeror which optimizes quality, cost and efficiency, reflecting objective and quantifiable analysis whenever possible.

**Alternative Formats for Instructional Materials**

Preference in the purchase of instructional materials will be given to vendors who agree to provide materials in alternative formats (i.e., any medium or format, other than a traditional print textbook, for presentation of instructional materials that is needed as an accommodation for a student with a disability). In the event that the allegations of financial improprieties/fraud and/or wrongful conduct concern the investigating official, the report shall be made to the next level of supervisory authority. If the chain of supervisory command is not sufficient to ensure impartial, independent investigation, allegations of financial improprieties/fraud and/or wrongful conduct will be reported as applicable, to the Internal Auditor (if available), or the Independent (External) Auditor, or the BOCES Attorney, or the Board of Trustees. To the extent possible, within legal constraints, all reports will be treated as confidentially and privately as possible. However, disclosure may be necessary to complete a thorough investigation of the charges and/or to notify law enforcement officials as warranted, and any disclosure will be provided on a "need to know" basis. Written records of the allegation, and resulting investigation and outcome will be maintained in accordance with law.

Based upon the results of this investigation, if the BOCES determines that a school official has engaged in financial improprieties/fraudulent and/or wrongful actions, appropriate disciplinary measures will be applied, up to and including termination of employment, in accordance with legal guidelines, BOCES policy and regulation, and any applicable collective bargaining agreement. Third parties who are found to have engaged in financial improprieties/fraud and/or wrongful conduct will be subject to appropriate sanctions as warranted and in compliance with law. *The application of such disciplinary measures by the BOCES does not preclude the filing of civil and/or criminal charges as may be warranted. Rather, when school officials receive a complaint or report of alleged financial improprieties/fraud and/or wrongful conduct that may be criminal in nature, if preliminary investigation by such officials renders the complaint to appear meritorious, law authorities should be immediately notified.*

**SUBJECT: DUTCHESS BOCES MEDICAID FRAUD WASTE AND ABUSE DETECTION  
AND PREVENTION COMPLIANCE**

As New York State has legislated requirements for certain school districts and Boards of Cooperative Educational Services receiving reimbursement or submitting Medicaid claims regarding the detection and prevention of fraud, waste and abuse, the Dutchess Board of Cooperative Educational Services (“BOCES”) hereby enacts the following policy:

**I. INTRODUCTION**

BOCES has developed this Fraud, Waste and Abuse (“FWA”) Compliance Policy as a comprehensive statement of the responsibilities and obligations of all employees and contractors regarding submissions of information on which payment is made or submitted to Medicaid.

**1. Definitions of FWA**

**Fraud** - An intentional deception or misrepresentation made by a person with the knowledge that the deception could result in some unauthorized benefit to himself/herself or some other person. It includes any act that constitutes fraud under applicable federal or state law.

Listed below are some examples of potential FWA:

Falsifying Claims/Encounters

**II. CODE OF ETHICS**

Any employee who in good faith believes s/he has knowledge of a potential violation of this policy, must report this information to BOCES directly to the Compliance Officer. Alternatively, an employee may report the violation to the BOCES' Legal Counsel. Violations of this policy or failure to report a known violation of the policy is considered to be a serious infraction of BOCES procedures, and may result in the imposition of disciplinary action up to and including termination. No employee shall be subjected to intimidation or retaliation solely for the good faith reporting of a suspected violation.

**III. EMPLOYEE PARTICIPATION AND REPORTING**

It is the responsibility of every BOCES employee to abide by applicable laws and regulations and support BOCES' compliance efforts by:

1. being alert to potential compliance issues relevant to their activities;
2. seeking advice from the Compliance Officer or BOCES' Legal Counsel regarding compliance issues as appropriate;
3. reporting their good faith belief of any suspected, actual or potential compliance violations including FWA;
4. cooperating in the investigation of compliance reports; and
5. being completely honest in all dealings with federal and state agencies and representatives.

BOCES shall maintain confidentiality and provide anonymity to the employee(s) to the extent possible under the circumstances, and consistent (in the judgment of BOCES) with its obligations to investigate employee concerns and take necessary corrective action. Any retaliation or intimidation against an employee as a result of such good faith reporting or as a result of an employee's cooperation in the investigation of such a report shall be strictly prohibited.

**IV. COMPLIANCE OFFICER**

The Compliance Officer is the individual within BOCES responsible for the day to day operation of the compliance program. The Compliance Officer shall be the coordinator for special seminars and education on compliance issues, expectations, and the compliance program operation to ensure that:

1. All employees, including new employees, are receiving adequate education and training and that such education and training is documented;
2. All employee complaints and other concerns regarding compliance are promptly investigated; and
3. Adequate steps are taken to correct any identified problems and prevent the reoccurrence of such problems.

**V. REPORTING SUSPECTED VIOLATIONS**

Employees shall report their good faith belief of suspected, actual, or potential violations of the compliance program, including FWA or applicable laws, either orally or in writing to the Compliance Officer. Alternatively, the employee may report the violation to BOCES' Legal Counsel. BOCES shall maintain confidentiality and provide anonymity to the employee(s) making such report to the extent possible under the circumstances.

**VI. DISCIPLINARY POLICIES**

Should an employee intentionally fail to report suspected problems with FWA, participate in FWA under this policy, or encourage, direct, facilitate or permit active or passive non-compliant FWA behavior, such action or inaction may lead to disciplinary action in accordance with provisions of applicable collective bargaining agreements and state and federal law.

**VII. MONITORING AND AUDITING**

**Procedures for Internal Monitoring and Auditing of FWA**

As an integral part of its commitment to prevent FWA, BOCES has developed, and shall continue to develop and refine procedures for effective internal monitoring and auditing for FWA and shall conduct Risk Assessments to detect and prevent FWA.

**SUBJECT: DUTCHESS BOCES MEDICAID FRAUD WASTE AND ABUSE  
DETECTION AND PREVENTION COMPLIANCE****1. Internal Auditing and Monitoring**

In order to detect non-compliance with the Compliance Program and to detect FWA, BOCES shall periodically monitor, internally audit, and as appropriate, externally audit the business activities of BOCES which pertain to Medicaid activities.

**2. Informal Audits and Monitoring**

Monitoring activities refer to reviews that are repeated on a regular basis during the normal course of operations. Monitoring may occur to ensure corrective actions are undertaken or when no specific problems have been identified to confirm ongoing compliance.

**3. Risk Assessment**

BOCES shall have a risk assessment system that determines where BOCES is at risk for FWA, and shall prioritize the risks. The Compliance Officer shall participate in or contribute to the risk assessment process.

**VIII. RESPONDING TO COMPLIANCE ISSUES****1. Investigation of and Correcting Potential Violations**

Upon receipt of reports or reasonable indications of suspected noncompliance or FWA, the Compliance Officer, or his/her designee, will investigate the allegation(s) to determine whether a material violation of applicable law or requirements of BOCES' Compliance Program has occurred.

In the event any material violation of this Compliance Program, or if any incident of fraud is determined by the Compliance Officer, the Compliance Officer shall immediately take appropriate actions, including:

- a. refer any abusive or potentially fraudulent conduct or inappropriate utilization activities, once identified via proactive data analysis or other processes, for further investigation to the Center for Medicare and

- c. cooperate with the above mentioned agencies;
- d. identify and repay any overpayments to the appropriate party; and
- e. discipline any employees or plan members who engage in fraud or abusive practices in accordance with applicable collective bargaining agreements, up to and including termination.

If an audit or investigation reveals a material violation of this policy, the Compliance Officer shall draft a corrective plan of action, and establish deadlines by which corrective action must take place. Possible corrective actions include, but are not limited to, refunds of any overpayment received, employee disciplinary action up to and including termination, and reporting to federal or state authorities.

The Board feels that in order to provide such an environment it must ensure that the facilities are safe and that all capital/renovation projects are performed in a manner which is consistent with all current health and safety regulations. For this reason, Dutchess County BOCES shall develop a Comprehensive Public School Building Safety Program in accordance with the Commissioners Regulations.

The program shall be reevaluated and made current at least annually, and shall include the following:

**SUBJECT: PEST MANAGEMENT AND PESTICIDE USAGE**

In accordance with the Child Safe Playing Fields Act, pesticides will not be used on playgrounds, turf, athletic or playing fields. In these common areas where children gather and play, pesticide alternatives will be used whenever possible and effective. An exception may be made for emergency applications of pesticide only when approved in advance by the local Health Department, Department of Environmental Conservation or the School Board.

The BOCES Director of Building and Grounds or designated Pesticide Representative will give prior written notice of all pesticide applications to anyone who has asked to receive such notice. The BOCES will also annually notify parents, students and staff of periodic pesticide applications. The BOCES will maintain a list of those people who wish to receive forty-eight (48) hour notice before pesticide applications and will ensure that a system is developed to deliver such notice in a timely fashion to all affected. The notification system may be by mail or email, and will ensure that a back-up method is available to notify those for whom the regular system is unworkable. The name and contact information for the Pesticide Representative will be made available to all requesting it.

Sample forms for forty-eight (48) hour prior notification can be obtained at:

**SUBJECT: SCHOOL SAFETY PLANS**

The BOCES has developed, and will update by July 1st of each succeeding year, a comprehensive District-wide school safety plan and building-level school safety plans, as enumerated in Education Law and Commissioner's Regulations, and in a form as prescribed by the Commissioner of Education. These plans will be designed to prevent or minimize the effects of serious violent incidents and emergencies and to facilitate the coordination of schools and the BOCES with local and county resources in the event of such incidents or emergencies.

Each plan shall be reviewed by the appropriate BOCES safety team on at least an annual basis, updated as needed and recommended to the Board for approval. However, District-wide and building-level school safety plans shall be adopted by the Board only after at least one public hearing that provides for the participation of school personnel, parents, students, and any other interested parties. Further, the Board shall make the District-wide and building-level school safety plans available for public comment at least thirty (30) days prior to its adoption, provided that only a summary of each building-level emergency response plan (i.e., building-level school safety plan) shall be made available for public comment. The District Superintendent shall take action to provide written information by October 1<sup>st</sup> of each school year to all students and staff about emergency procedures.

At least annually, and where possible in cooperation with local county emergency preparedness plan officials, the BOCES shall conduct one test of its emergency plan or its emergency response procedures under each of its building-level school safety plans, including sheltering or early dismissal, at a time not to occur more than fifteen minutes earlier than the normal dismissal time. The drill shall test the usefulness of the communications and transportation systems during emergencies. Parents or persons in parental relation shall be notified at least one week prior to the drill.

**District-Wide School Safety Plan**

*District-wide school safety plan* means a comprehensive, multi-hazard school safety plan that covers all school buildings of the BOCES, that addresses prevention and intervention strategies, emergency response and management at the BOCES level and has the contents as prescribed in Education Law and Commissioner's Regulations.

The District-wide school safety plan shall be developed by the District-wide school safety team appointed by the Board. The District-wide team shall include, but not be limited to, representatives of the Board, student, teacher, administrator, and parent organizations, BOCES safety personnel and other BOCES personnel.

**Building-Level School Safety Plans**

*Building-level school safety plan* means a building-specific school emergency response plan that addresses prevention and intervention strategies, emergency response and management at the building level and has the contents as prescribed in Education Law and Commissioner's Regulations.

(Continued)

**SUBJECT: SCHOOL SAFETY PLANS**

The building-level plan shall be developed by the building-level safety team. The building-level team shall include, but not be limited to, representatives of teacher, administrator, and parent organizations, BOCES safety personnel, other BOCES personnel, community members, local law enforcement officials, local ambulance or other emergency response agencies, and any other representatives the Board deems appropriate.

**Filing/Disclosure Requirements**

The BOCES shall file a copy of its comprehensive District-wide school safety plan and any amendments thereto with the Commissioner of Education no later than thirty (30) days after their adoption. A copy of each building-level safety plan and any amendments thereto shall be filed with the appropriate local law enforcement agency and with the state police within thirty (30) days of its adoption. **SUBJECT: COMMUNICABLE DISEASES**

Regulations and procedures will be developed for dealing with communicable diseases in ways that protect the health of both students and staff while minimizing the disruption of the education process.

**SUBJECT: USE OF AUTOMATIC EXTERNAL DEFIBRILLATORS**

The Dutchess County BOCES recognizes the need to make automatic external defibrillators (AEDs) available in its buildings. Early access defibrillation has been recognized as a significant factor in the survival from incidents of sudden cardiac arrest.

Therefore it is the policy of the Board that the use of AEDs is authorized in the buildings of Dutchess County BOCES in accordance with Section 917 of the Education Law. Individuals authorized to use AED devices must have current training and certification in CPR and the use of the AEDs from a recognized training agency. A physician will be appointed to provide medical oversight for the use of the AEDs. The county and state departments of health as well as the local emergency services providers, will be notified of the location and use of AEDs within the BOCES.

The District Superintendent will develop regulations and protocols governing the use of the AEDs within the Dutchess County BOCES.

## **SUBJECT: DATA NETWORKS AND SECURITY ACCESS**

The BOCES values the protection of private information of individuals in accordance with applicable law, regulations, and best practice. Accordingly, BOCES officials and Information Technology (IT) staff will plan, implement, and monitor IT security mechanisms, procedures, and technologies necessary to prevent improper or illegal disclosure, modification, or denial of sensitive information in the BOCES Computer System (BCS). Similarly, such IT mechanisms and procedures will also be implemented in order to safeguard BOCES technology resources, including computer hardware and software. BOCES network administrators may review BOCES computers to maintain system integrity and to ensure that individuals are using the system responsibly. Users should not expect that anything stored on school computers or networks will be private.

The Board of Trustees entrusts the BOCES District Superintendent, or his/her designee, to:

- a) Develop password standards for all users including, but not limited to, how to create passwords;
- b) Ensure that the "audit trail" function is enabled within the BCS network operating system;
- c) Develop procedures to control physical access to computer facilities, data rooms, systems, networks, and data to only authorized individuals;
- d) Establish procedures for tagging new purchases, relocating assets, updating the inventory list, performing periodic physical inventories;
- e) Periodically grant, change, and terminate user access rights to the overall networked computer system and to specific software applications and ensure that users are given access based on, and necessary for, their job duties;
- f) Limit user access to the vendor master file, which contains a list of vendors from which BOCES employees are permitted to purchase goods and services, to only the individual who is responsible for making changes to such list, and ensure that all former employees' access rights to the vendor master list are promptly removed;
- g) Determine how, and to whom, remote access should be granted, obtain written agreements with remote access users to establish the BOCES's needs and expectations, as appropriate, and monitor and control such remote access;
- h) Deploy software to servers and workstations to identify and eradicate malicious software attacks such as viruses and malware;
- k) Conduct a basic countywide disaster recovery plan/test appropriate for the size and complexity of BOCES IT operations to ensure continuous critical IT services in the event of any sudden, catastrophic event.

## **SUBJECT: SCHOOL BUILDING ACCESS CONTROL**

Schools cannot always control the crises/safety issues that may impact them. However, through the development and implementation of school safety plans, the BOCES Code of Conduct, and various policies that address school security issues, the BOCES is continually taking steps to improve the safety and culture of the school community.

All school safety plans shall be implemented, reviewed and/or revised as necessary in accordance with applicable law and Commissioner's Regulations. Appropriate school safety training for staff and students, the conduct of drills and other exercises to test components of the emergency response plan, as well as procedures for review, will be provided as mandated by law and regulation.

Additionally, BOCES officials will encourage all staff and students to be more aware of their school surroundings by conducting awareness training relating to the school environment that includes awareness of signs of terrorism. Any suspicious activity is to be reported to the building principal/designee who will contact law enforcement authorities. Such suspicious activity may include, but is not limited to, unexplained presence of unauthorized persons in places where they should not be; discreet use of still cameras or video recorders; note-taking or the use of binoculars or maps near school locations; observation of security reaction drills or procedures; mobile surveillance from unauthorized vehicles on or around school grounds; the parking of a suspicious vehicle in the school's parking lot or in proximity to the school building, particularly for an extended period of time; and the discovery of an unattended package or object inside or around the premises of the school.

Visitors shall be directed to the Main Office for specific instructions regarding that building's procedures for visitors to the school.

### **Possession and Use of Cell Phones/Camera Phones**

The BOCES recognizes that while carrying cell phones can be a safety measure for staff and students alike, problems arise when the inappropriate use of cell phones and/or camera phones interfere with the school's ability to maintain control in the school environment, giving rise to security as well as educational concerns. For example, the use of camera phones poses a danger to school security; risks educational integrity, particularly during testing/examinations; and creates the potential for violations of privacy. The use of camera phones by visitors to the schools can also present a potential security concern.

Inappropriate or unauthorized use of cell phones can undermine (if not render inoperable due to system overload) the communication system in place per the school safety plans, impede evacuation plans if parents or other individuals are summoned to the school by non-designated persons, and potentially restrict the access of community emergency service providers to the site.

## **SUBJECT: SCHOOL BUILDING ACCESS CONTROL (Cont'd.)**

Therefore, the use and/or restriction of cell phones/camera phones shall be reviewed by designated personnel, including those individuals who are members of the school safety team(s) and team members involved in the annual review of the BOCES Code of Conduct. As deemed necessary, school safety plans and the BOCES Code of Conduct shall be modified to address the use of and/or restriction of cell phones/camera phones during designated times or events, particularly by students and visitors to the schools.

### **Policy Implementation**

The Board directs that administration implement and review on a periodic basis building access control procedures, and provide IDs for staff, students and visitors as appropriate. Parents and students shall be informed of the school's access procedures; and visitors shall be required to follow the specific visitor procedures prescribed by that particular building.

This policy is intended to highlight our commitment to and planning for heightened security access to our schools. The policy shall be considered an adjunct to, not a replacement of, our school safety plans and the BOCES Code of Conduct.

**Determining if a Breach Has Occurred**

**SUBJECT: INFORMATION SECURITY BREACH AND NOTIFICATION  
(Cont'd)**

In determining whether information has been acquired, or is reasonably believed to have been acquired, by an unauthorized person or person without valid authorization, the BOCES may consider the following factors, among others:

- b) For any computerized data maintained by the BOCES that includes private information which the BOCES does not own, the BOCES shall notify the owner or licensee of the information of any breach of the security of the system immediately following discovery, if the private information was, or is reasonably believed to have been, acquired by a person without valid authorization.

**SUBJECT: INFORMATION SECURITY BREACH AND NOTIFICATION  
(Cont'd)**

**Methods of Notification**

The required notice shall be directly provided to the affected persons by one of the following methods:

- a) Written notice;
- b) Electronic notice, provided that the person to whom notice is required has expressly consented to receiving the notice in electronic form; and a log of each such notification is kept by the BOCES when notifying affected persons in electronic form. However, in no case shall the BOCES require a person to consent to accepting such notice in electronic form as a condition of establishing any business relationship or engaging in any transaction;
- c) Telephone notification, provided that a log of each such notification is kept by the BOCES when notifying affected persons by phone; or
- d) Substitute notice, if the BOCES demonstrates to the State Attorney General that the cost of providing notice would exceed \$250,000, or that the affected class of subject persons to be notified exceeds 500,000, or that the BOCES does not have sufficient contact information. Substitute notice shall consist of **all** of the following:
  1. E-mail notice when the BOCES has an e-mail address for the subject persons;

In the event that any New York State residents are to be notified, the BOCES shall notify the New York State Attorney General (AG), the New York State Department of Consumer Protection Board (CPB), and the New York State Office of Cyber Security (OCS) as to the timing, content and distribution of the notices and approximate number of affected persons.

In the event that more than 5,000 New York State residents are to be notified at one time, the BOCES shall also notify consumer reporting agencies, as defined pursuant to State Technology Law Section 208, as to the timing, content and distribution of the notices and approximate number of affected persons. **SUBJECT: SMOKE FREE ENVIRONMENT**

**School Grounds**

Tobacco use shall not be permitted and no person, which includes students, employees, and visitors, shall use tobacco on school grounds or within one hundred (100) feet of the entrances, exits, or outdoor areas of any public or private elementary or secondary schools. However, this shall not apply to smoking in a residence, or within the real property boundary lines of such residential property. For purposes of this policy, “school grounds” means any building, structure, and surrounding outdoor grounds, including entrances or exits, contained within the BOCES’ preschool, nursery school, elementary or secondary school’s legally defined property boundaries as registered in the County Clerk’s Office; as well as all BOCES vehicles, including vehicles used to transport children or school personnel.

Furthermore, no smoking shall be permitted at any time within any indoor facility owned, operated, leased or contracted for by the BOCES for educational or library services for students K-12, unless legally excepted.

For the purpose of this policy, smoking shall mean all uses of tobacco, including cigars, cigarettes, pipes and other forms of smoking objects, as well as chewing tobacco. The use of e-cigarettes and any other products containing nicotine, except for current FDA-approved smoking cessation products, are also prohibited.

Students, employees and any members of the public who smoke in violation of this policy may be subject to disciplinary action according to the necessary regulation and/or statute(s).

The existence of a tobacco free environment for the benefit of all who occupy BOCES property will depend upon the thoughtfulness, consideration and cooperation of all school personnel, students, visitors and guests. We invite the cooperation and understanding of all individuals in assuming responsibility for keeping BOCES premises free from smoke.

**Off-School Grounds**

Tobacco use is prohibited by students at any school-sponsored event or activity off school grounds.

**SUBJECT: SMOKE FREE ENVIRONMENT (Cont'd)**

**Posting/Notification of Policy**

In compliance with the New York State Clean Indoor Air Act, the BOCES will prominently post its Smoking/Tobacco Use policy and signs prohibiting all forms of tobacco products in BOCES buildings and other appropriate locations; and will supply a copy upon request to any current or prospective employee. The BOCES will also designate a school official to tell individuals who smoke in a non-smoking area that they are in violation of the New York State Public Health Law, Education Law, the federal Pro-Children Act of 1994 and BOCES Policy.

The BOCES shall also ensure that this policy is communicated to staff, students, parents/guardians, volunteers, and visitors as deemed appropriate in order to orient all persons to the BOCES' "No Smoking" Policy and environment.

**Prohibition of Tobacco Promotional Items/Tobacco Advertising**

Tobacco promotional items (e.g., brand names, logos and other identifiers) are prohibited:

- a) On school grounds;
- b) In school vehicles;
- c) At school-sponsored events, including those that take place off school premises and in another state;
- d) In school publications;
- e) On clothing, shoes, accessories, gear, and school supplies in accordance with the *BOCES Code of Conduct* and applicable collective bargaining agreements.

This prohibition of tobacco promotional items shall be implemented in accordance with the *Code of Conduct* and applicable collective bargaining agreements.

In addition, tobacco advertising is also prohibited in all school-sponsored publications and at all school-sponsored events. The BOCES will request, whenever possible, tobacco free editions of periodical publications for school libraries and classroom use.

**SUBJECT: IDLING PROHIBITION FOR BUSES AND OTHER SCHOOL VEHICLES**

Allowing vehicles to idle (i.e., stopped with the engine running) produces unnecessary exhaust gas, which contains harmful chemicals and pollutants. In addition to negatively impacting the environment, these substances can cause cancer and other health problems, especially in children. Idling vehicles is not necessary to properly run or maintain vehicles, and in fact increases engine wear and wastes fuel.

Recognizing these factors, the Board of Trustees shall take steps to reduce the idling of school buses and other school vehicles. In compliance with Education Law §3637 and Commissioner's Regulations §156.3(h), this policy shall govern the idling of school buses and all other school vehicles, whether owned, leased, or contracted for by the BOCES.

Anyone operating a school bus or other school vehicle must turn off the engine (no idling) in the following instances:

- while waiting for passengers to load and unload on school grounds;
- when the vehicle is parked or standing on school grounds, or in front of or adjacent to any school; or
- during sporting and other school events.

However, idling may be permitted under the following conditions:

- when necessary to maintain an appropriate temperature for passenger comfort (if auxiliary heaters are not available);
- when necessary for mechanical work, or to keep the windshield clear of ice; or
- when necessary during emergencies to operate a wheelchair lift.

The BOCES shall provide notice of these requirements to all school personnel within 5 school days after the start of the school year, or within 5 school days of beginning employment in the BOCES.

When operating any school vehicle, drivers are encouraged to allow adequate space between their vehicle and any heavy duty motor vehicle in front of them. This will reduce the effect of exhaust emissions of the front vehicle on the air quality inside the school vehicle. When planning field trips and transportation routes, the Board also encourages using newer school vehicles for longer trips and older vehicles for shorter trips, when newer vehicles have lower emissions.

**SUBJECT: IDLING PROHIBITION FOR BUSES AND OTHER SCHOOL VEHICLES (Cont'd)****Bus Loading and Unloading Practices**

Each Building Principal is responsible for developing and implementing a plan for loading and unloading buses in a safe and prompt manner that minimizes exposure to bus exhaust emissions.

When designing new or renovated school facilities, projects shall take into account the goal of prompt loading and unloading of buses.

When possible, drivers must park diagonally to minimize exhaust from the bus from entering adjacent buses or school buildings. Additionally, all staff shall instruct students to board the bus promptly in the afternoon to reduce loading time.

**Contracts for Student Transportation**

If the BOCES contracts with private vendors for student transportation services, any such contract entered into on or after July 1, 2008 shall include a provision requiring compliance by the vendor with the state's bus idling laws and regulations and this policy.

**Monitoring and Review**

The [*insert appropriate title, e.g. Director of Facilities, District Superintendent*] shall be responsible for monitoring compliance with the requirements of law and regulations summarized in this policy.

The Board shall receive a periodic report on the BOCES' compliance with this policy.

- b) Written standard operating procedures for blood/body fluid clean-up.
- c) Appropriate staff education/training.
- d) Evaluation of training objectives.
- e) Documentation of training and any incident of exposure to blood/body fluids.
- f) A program of medical management to prevent or reduce the risk of pathogens, specifically hepatitis B and HIV.
- g) Written procedures for the disposal of medical waste.
- h) Provision of protective materials and equipment for all employees who perform job-related tasks involving exposure or potential exposure to blood, body fluids or tissues.

Occupational Safety and Health Administration (OSHA)  
29 Code of Federal Regulations (CFR.) 1910.1030

**SUBJECT: OCCUPATIONAL EXPOSURE TO BLOODBORNE PATHOGENS**

The Dutchess County BOCES has developed the following "Exposure Control Plan" in accordance with OSHA Standard 29 CFR 1910.1030, Occupational Exposure to Bloodborne Pathogens. The plan is designed to eliminate or minimize an employee's risk of exposure to bloodborne pathogens in the workplace. For the purposes of this plan, a bloodborne pathogen is any pathogenic microorganism, present in human blood, capable of causing disease in humans. This group includes, but is not limited to, the hepatitis B virus (HBV) and human immunodeficiency virus (HIV). This plan outlines the steps that Dutchess County BOCES shall take to comply with the OSHA standard. The plan is part of the Dutchess County BOCES Administrative Regulations available for review by all employees and the Assistant Secretary of Labor for Occupational Safety and Health upon request. The plan will be reviewed and updated annually. The program under the plan will be coordinated through the administrator assigned to the Dutchess County BOCES Personnel Office.

**Employee Exposure Determination**

All regularly appointed Dutchess County BOCES employees classified as Group 1 for the purposes of this policy are considered to have routine occupational exposure to blood, body fluids or other potentially infectious materials. Accordingly, all employees in Group 1 shall receive appropriate training and be offered the hepatitis B (HBV) vaccine. Group 1 employees include:

- a) school nurse(s) and school nursing instructors
- b) health office aide(s)
- c) custodial workers
- d) teachers, teaching assistants and aides in special subjects working with multiple handicapped students
- e) teachers, teaching assistants and aides in special education working with multiple handicapped students
- f) teachers, teaching assistants, and aides in special subjects working with special education students who are age 12 and below
- g) teachers, teaching assistants and aides in special education working with students who are age 12 and below

(Continued)

**SUBJECT: OCCUPATIONAL EXPOSURE TO BLOODBORNE PATHOGENS (Cont'd.)**

All other regularly appointed employees, including long term substitutes and substitutes for school nurses of Dutchess County BOCES are classified as Group 2 for the purposes of this policy. Group 2 employees are not considered to have routine occupational exposure to blood, body fluids or other potentially infectious materials. However, Group 2 employees may be required to perform unplanned tasks relating to blood, body fluids or other potentially infectious materials.

Accordingly, all employees in Group 2 shall receive appropriate training and may, at their option request the hepatitis B (HBV) vaccine.

All non-regularly appointed employees of BOCES are classified as Group 3 for the purposes of this policy. Group 3 employees are not considered to have routine occupational exposure to blood, body fluids or other potentially infectious materials. Accordingly, all employees in Group 3 shall receive appropriate training.

Post exposure prophylaxis, when medically indicated, shall include the HBV vaccination series to employees of all groups.

All costs for Group 1 and Group 2 employees relating to the administration of hepatitis B (HBV) vaccine under this program shall be borne by the BOCES only when it is administered by BOCES designated medical personnel or through a BOCES approved medical program. Employees obtaining hepatitis B (HBV) vaccine from other than BOCES designated personnel or through a BOCES approved medical program will be solely responsible for the cost and are not eligible to claim reimbursement.

**SUBJECT: RECORDS MANAGEMENT**

A records management officer shall be designated by the District Superintendent, subject to the approval of the BOCES Board. Such records management officer shall coordinate the development of and oversee a program for the orderly and efficient management of records, including the legal disposition or destruction of obsolete records, and be given the authority and responsibility to work with other local officials at all levels in the development and maintenance of the records management program.

In addition, a Records Advisory Board may be created to assist in establishing and supporting the records management program.

Records Retention and Disposition Schedule ED-1, issued pursuant to Article 57-A of the Arts and Cultural Affairs Law, and containing legal minimum retention periods for the records of elementary and secondary educational institutions, is hereby adopted for use by all officers in disposing of BOCES records listed therein.

- a) Only those records will be disposed of that are described in Records Retention and Disposition Schedule ED-1 after they have met the minimum retention period described therein;
- b) Only those records will be disposed of that do not have sufficient administrative, fiscal, legal, or historical value to merit retention beyond established time periods.

Appropriate regulations and procedures shall be developed.

**SUBJECT: DISPOSAL OF CONSUMER REPORT INFORMATION AND RECORDS**

In accordance with the Federal Trade Commission's (FTC) "Disposal Rule," and in an effort to protect the privacy of consumer information, reduce the risk of fraud and identity theft, and guard against unauthorized access to or use of the information, the BOCES will take appropriate measures to properly dispose of sensitive information (i.e., personal identifiers) contained in or derived from consumer reports and records. Any employer who uses or possesses consumer information for a business purpose is subject to the Disposal Rule. According to the FTC, the standard for proper disposal of information derived from a consumer report is flexible, and allows the BOCES to determine what measures are reasonable based on the sensitivity of the information, the costs and benefits of different disposal methods, and changes in technology.

The term "*consumer report*" shall include information obtained from a consumer reporting company that is used - or expected to be used - in establishing a consumer's eligibility for employment or insurance, among other purposes. The term "*employment purposes*" when used in connection with a consumer report means a report used for the purpose of evaluating a consumer for employment, promotion, reassignment or retention as an employee.

The FTC Disposal Rule defines "*consumer information*" as "any record about an individual, whether in paper, electronic, or other form, that is a consumer report or is derived from a consumer report. Consumer information also means a compilation of such records. Consumer information does not include information that does not identify individuals, such as aggregate information or blind data."

**Information Covered by the Disposal Rule**

The FTC has not included a rigid definition of the kinds of information that would be considered to identify particular individuals. In accordance with FTC guidance, there are a variety of personal identifiers beyond simply a person's name that would bring information within the scope of the Disposal Rule, including, but not limited to, a social security number, driver's license number, phone number, physical address, and e-mail address. Depending upon the circumstances, data elements that are not inherently identifying can, in combination, identify particular individuals.

**"Proper" Disposal**

The FTC Disposal Rule defines "*dispose*," "*disposing*," or "*disposal*," as:

- a) "The discarding or abandonment of consumer information," or
- b) "The sale, donation, or transfer of any medium, including computer equipment, upon which consumer information is stored."

(Continued)

**SUBJECT: DISPOSAL OF CONSUMER REPORT INFORMATION AND RECORDS  
(Cont'd.)**

The BOCES will utilize disposal practices that are reasonable and appropriate to prevent the unauthorized access to - or use of - information contained in or derived from consumer reports and records. Reasonable measures to protect against unauthorized access to or use of consumer information in connection with BOCES disposal include the following examples. These examples are not exclusive or exhaustive methods for complying with the Disposal Rule.

- a) Burning, pulverizing, or shredding of papers containing consumer information so that the information cannot practicably be read or reconstructed.
- b) Destroying or erasing electronic media containing consumer information so that the information cannot practicably be read or reconstructed.
- c) After due diligence, entering into and monitoring compliance with a contract with another party engaged in the business of record destruction to dispose of material, specifically identified as consumer information, in a manner consistent with the Disposal Rule. In this context, due diligence could include:
  1. Reviewing an independent audit of the disposal company's operations and/or its compliance with the Disposal Rule;
  2. Obtaining information about the disposal company from several references or other reliable sources;
  3. Requiring that the disposal company be certified by a recognized trade association or similar third party;
  4. Reviewing and evaluating the disposal company's information security policies or procedures; or
  5. Taking other appropriate measures to determine the competency and integrity of the potential disposal company.
- d) For persons (as defined in accordance with the Fair Credit Reporting Act) or entities who maintain or otherwise possess consumer information through their provision of services directly to a person subject to the Disposal Rule, monitoring compliance with policies and procedures that protect against unauthorized or unintentional disposal of consumer information, and disposing of such information in accordance with examples a) and b) above.

(Continued)

**SUBJECT: DISPOSAL OF CONSUMER REPORT INFORMATION AND RECORDS  
(Cont'd.)**

**Implementation of Practices and Procedures**

The Board delegates to the District Superintendent the authority and responsibility to review current practices regarding the disposal of consumer information; and to implement such further reasonable and appropriate procedures, including staff training as necessary, to ensure compliance with the FTC's Disposal Rule.

**SUBJECT: CODE OF ETHICS FOR BOARD MEMBERS AND ALL BOCES PERSONNEL**

**General Provisions**

Officers and employees of the BOCES hold their positions to serve and benefit the public, and not to obtain unwarranted personal or private gain in the exercise of their official powers and duties. The Board of Education recognizes that, in furtherance of this fundamental principle, there is a need for clear and reasonable standards of ethical conduct. This policy establishes those standards.

The provisions of this policy are intended to supplement Article 18 of General Municipal Law Sections and any other law relating to ethical conduct of BOCES officers and employees, and should not be construed to conflict with those authorities.

**Standards of Conduct**

The following rules and standards of conduct apply to all officers, including Board members, and employees of the BOCES.

Gifts

No person may directly or indirectly solicit, accept, or receive any gift having a value of \$75 or more under circumstances in which it could reasonably be inferred that the gift was intended or expected to influence the individual in the performance of his/her official duties or was intended as a reward for any official action on the part of the individual. This prohibition applies to any gift, including money, services, loan, travel, entertainment, hospitality, thing or promise, or any other form.

Confidential Information

No person may disclose confidential information acquired by him/her in the course of his/her official duties or use this information to further his or her personal interests.

Conflicts of Interest

Except as permitted by law, no person may have an interest in any contract with the BOCES when he/she, individually, or as a member of the Board, has the power or duty to: negotiate, prepare, authorize, or approve the contract or authorize or approve payment under the contract; audit bills or claims under the contract; or appoint an officer or employee who has any of these powers or duties.

Likewise, unless permitted by law, no chief fiscal officer, treasurer, or his/her deputy or employee, may have an interest in a bank or trust company designated as a depository, paying agent, registration agent, or for investment of funds of the BOCES.

**SUBJECT: CODE OF ETHICS FOR BOARD MEMBERS AND ALL BOCES PERSONNEL (Cont'd.)**

"Interest," as used in this policy, means a direct or indirect pecuniary or material benefit accruing to a BOCES officer or employee as the result of a contract with the BOCES. A BOCES officer or employee will be considered to have an interest in the contract of: his/her spouse, minor children and dependents, except a contract of employment with the BOCES; a firm, partnership or association of which he/she is a member or employee; a corporation of which he/she is an officer, director or employee; and a corporation any stock of which is owned or controlled directly or indirectly by him/her.

The provisions of the preceding three paragraphs should not be construed to preclude the payment of lawful compensation and necessary expenses of any BOCES officer or employee in one or more positions of public employment, the holding of which is not prohibited by law.

Representing Others in Matters Before the BOCES

No person may receive, or enter into any agreement, express or implied, for compensation for services rendered in relation to any matter before the BOCES. Likewise, no one may receive, or enter into any agreement, express or implied, for compensation for services rendered in relation to any matter before the BOCES, where the individual's compensation is contingent upon any action by the BOCES with respect to the matter.

Disclosure of Interest in Contracts and Resolutions

Any BOCES officer or employee who has, will have, or later acquires an interest in or whose spouse has, will have or later acquires an interest in any actual or proposed contract, purchase agreement, lease agreement, or other agreement, including oral agreements, with the BOCES must publicly disclose the nature and extent of that interest in writing. The disclosure must be made when the officer or employee first acquires knowledge of the actual or prospective interest, and must be filed with the person's immediate supervisor and the Board of Education. Any written disclosure will be made part of and included in the official minutes of the relevant Board meeting.

Investments in Conflict with Official Duties

No person may invest or hold any investment directly or indirectly in any financial, business, commercial, or other private transaction, that creates a conflict with his/her official duties, or that would otherwise impair his/her independence of judgment in the exercise or performance of his/her official powers or duties.

Private Employment

No person may engage in, solicit, negotiate for, or promise to accept private employment or render services for private interests when that employment or service creates a conflict with or impairs the proper discharge of his/her official duties.

**SUBJECT: SEXUAL HARASSMENT OF BOCES PERSONNEL**

The Board affirms its commitment to non-discrimination and recognizes its responsibility to provide for all BOCES employees an environment that is free of sexual harassment and intimidation. Sexual harassment is a violation of law and stands in direct opposition to BOCES policy. Therefore, the Board prohibits and condemns all forms of sexual harassment by employees, school volunteers, student, and non-employees such as contractors and vendors which occur on BOCES grounds and at all BOCES-sponsored events, programs and activities including those that take place at locations off BOCES premises. Generally, sexual harassment is defined as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when:

- a) Submission of such conduct is made, either explicitly or implicitly, a term or condition of an individual's employment;
- b) Submission to or rejection of such conduct by an individual as used is a basis for employment decisions affecting such individuals; and
- c) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment.

The Board acknowledges that in determining whether sexual harassment has occurred the totality of the circumstances should be evaluated. The Board recognizes that sexual harassment can originate from a person of either sex against a person of the opposite or same sex, and from co-workers as well as supervisors, and from a third party such as a school visitor, volunteer, or vendor, or any other individual associated with the BOCES.

In order for the Board to enforce this policy, and to take corrective measures as may be necessary, it is essential that any employee who believes he/she has been a victim of sexual harassment in the work environment, as well as any other person who is aware of and/or who has knowledge of or witnesses any possible occurrence of sexual harassment, immediately report such alleged harassment to the BOCES' designated complaint officer(s) through informal and/or formal complaint procedures as developed by the BOCES. Such complaints are recommended to be in writing, although verbal complaints of alleged sexual harassment will also be promptly investigated in accordance with the terms of this policy. In the event that the complaint officer is the alleged offender, the employee should report his/her complaint to the next level of supervisory authority.

Upon receipt of an informal/formal complaint, the BOCES will conduct a thorough investigation of the charges. However, even in the absence of a complaint, if the BOCES has knowledge of or has reason to know of or suspect any occurrence of sexual harassment, the BOCES will investigate such conduct promptly and thoroughly.

To the extent possible, within legal constraints, all complaints will be treated as confidentially and privately as possible. However, disclosure may be necessary to complete a thorough investigation of the charges, and any disclosure will be provided on a "need to know" basis.

(Continued)

## Personnel

**SUBJECT: SEXUAL HARASSMENT OF BOCES PERSONNEL (Cont'd.)**

Based upon the results of the investigation, if the BOCES determines that an employee has violated the terms of this policy and/or accompanying regulations, immediate corrective action will be taken, as warranted, up to and including termination of the offender's employment in accordance with legal guidelines, BOCES policy and regulation, and the applicable collective bargaining agreement(s). Third parties (such as school volunteers, vendors, etc.) who are found to have violated this policy and/or accompanying regulations will be subject to appropriate sanctions as warranted and in compliance with law.

The Board prohibits any retaliatory behavior directed against complainants, victims, witnesses, and/or any other individuals who participated in the investigation of a complaint of sexual harassment. Follow-up inquiries shall be made to ensure that harassment has not resumed and that all those involved in the investigation of the sexual harassment complaint have not suffered retaliation.

Regulations will be developed for reporting, investigating and remedying allegations of sexual harassment. An appeal procedure will also be provided to address any unresolved complaints and/or unsatisfactory prior determinations by the applicable complaint officer(s).

Such regulations will be developed in accordance with federal and state law as well as any applicable collective bargaining agreement(s).

The District Superintendent/designee(s) will affirmatively discuss the topic of sexual harassment with all employees, express the BOCES condemnation of such conduct, and explain the sanctions for harassment. Training programs will be established for employees to help ensure awareness of the issues pertaining to sexual harassment in the workplace, and to disseminate preventative measures to help reduce such incidents of prohibited conduct. Furthermore, special training will be provided for designated supervisors and managerial employees, as may be necessary, for training in the investigation of sexual harassment complaints.

A copy of this policy and its accompanying regulations will be available upon request and may be posted at various locations in each school building. The BOCES policy and regulations on sexual harassment will be published in appropriate school publications such as teacher/employee handbooks and/or school calendars.

**SUBJECT: GRIEVANCE PROCEDURE FOR TITLE IX REGULATIONS  
IMPLEMENTING FEDERAL EDUCATION AMENDMENTS PROHIBITING  
SEX DISCRIMINATION IN EDUCATIONAL PROGRAMS AT THE  
DUTCHESS COUNTY BOCES**

In order to comply with the Title IX Amendment, any student, parent, employee of Dutchess County BOCES, or any person not currently employed or being educated at BOCES who believes he or she has been discriminated against, denied a benefit, or excluded from participation in any BOCES educational program or activity on the basis of sex should follow the grievance procedure outlined below. Prior to instituting a formal grievance, the grievant is encouraged to discuss the alleged violation with the program administrator. In the event that the situation is not resolved informally, the following procedure should be undertaken.

STEP ONE - All grievances should be submitted, in writing, to the Deputy Superintendent, Dutchess County Board of Cooperative Educational Services, 5 BOCES Road, Poughkeepsie, NY 12601. The grievance statement should indicate all aspects of the complaint. If deemed necessary, a hearing will be granted within ten working days of receipt of the grievance; otherwise, a written response will be made within ten working days. If a hearing is granted, the compliance administrator shall have ten working days from the date of the hearing to render a decision. The disposition of the grievance shall be in writing and submitted to the grievant.

STEP TWO - In the event that the grievant is not satisfied with the resolution of the grievance at the first step, he or she may submit a written appeal to the District Superintendent within ten working days of receipt of the disposition in Step One resolution. The District Superintendent will conduct a hearing, if deemed necessary, within ten working days. If a hearing is granted, the District Superintendent shall have ten working days to act upon the grievance. The disposition of the grievance shall be in writing and copies shall be sent to the grievant.

STEP THREE - Appeals from the decision by the District Superintendent in Step Two shall be filed, in writing, with the BOCES Board within ten days of receipt of the grievance. It shall be filed with the Clerk of the Board.

The Board or its designated sub-committee will hear the grievance within 15 working days of its receipt, and shall permit the grievant to address the Board or sub-committee.

Within ten working days after the hearing, the Board shall render its decision. Copies of this decision shall be submitted to all persons involved.

Grievant may be represented by counsel of his or her own choosing at any time during this grievance procedure.

**SUBJECT: EVALUATION OF PERSONNEL**

The Dutchess County BOCES is committed to supporting the development of effective teachers and administrators. To this end, the BOCES shall provide procedures for the evaluation of all professional staff. BOCES plans for Annual Professional Performance Review (APPR) of teachers and Principals shall be developed in accordance with applicable laws, Commissioner's Regulations, and Rules of the Board of Regents.

The primary purposes of these evaluations are:

- a) To encourage and promote improved performance;
- b) To guide professional development efforts; and
- c) To provide a basis for evaluative judgments by applicable school officials.

**Disclosure of APPR Data**

Consistent with Chapter 68 of the Laws of 2012, which amends Education Law 3012-c, the Commissioner is required to disclose professional performance review data for teachers and Principals on the New York State Education Department (NYSED) website and in any other manner to make such data widely available to the public. However, the release of such aggregate data may not include personally identifiable information for any teacher or Principal. Such public disclosure of final quality ratings and composite effectiveness scores will be suitable for research, analysis and comparison of APPR data for teachers and Principals across the state.

Upon request, the BOCES will release to parents/legal guardians the final quality ratings and composite effectiveness scores for teachers and Principals to which their student is currently assigned. The BOCES' obligation to disclose this information is limited to those teachers and Building Principals subject to Education Law 3012-c. The BOCES will provide conspicuous notice to parents/legal guardians of their right to obtain such information and the methods by which the data can be obtained.

Upon request, parents will receive an oral or written explanation of the composite effectiveness scoring ranges for final quality ratings and be offered the opportunity to understand such scores in the context of teacher evaluation and student performance.

**SUBJECT: EVALUATION OF PERSONNEL (Cont'd)**

When a request for this information is received, reasonable efforts will be made to verify that it is a bona fide request by a parent/legal guardian entitled to review the data.

Annual professional performance reviews of individual teachers and Principals shall not be subject to disclosure under the Freedom of Information Law (FOIL).

The BOCES will not honor requests from parents/legal guardians or students to change the student's assigned teacher(s) and/or building because of a teacher or administrator's APPR score.

**SUBJECT: HEALTH EXAMINATIONS**

BOCES employees may be required to have a physical-medical examination at the time of employment with the Dutchess County BOCES. When such examination is made by the BOCES health services provider, the cost of such examination shall be borne by BOCES. However, an employee may elect to have a health examination at his/her own expense by a physician of his/her own choice.

The Board, District Superintendent and/or school physician reserve the right to request a health examination at any time during employment, at BOCES expense, in order to determine the physical and mental capacity of an employee to perform his/her duties.

The final acceptance or rejection of a medical report with reference to the health of an employee lies within the discretion of the Board. The decision of the health services provider designated by the Board as the determining physician shall take precedence over all other medical advice.

**SUBJECT: PERSONAL INJURY**

In the event of personal injury while performing BOCES duties, all staff members, teachers and non-certificated personnel, must report the injury immediately to the school nurse or the individual in charge at the time of such injury. Forms provided by the BOCES must be used.

Day personnel are to report the injury to the school nurse or building administrator immediately. Evening personnel are to report the injury to the supervisor in charge. ## **SUBJECT: RECRUITMENT, SELECTION, AND APPOINTMENT OF PERSONNEL**

The Dutchess County BOCES encourages employment of the individual best qualified to fill a given position. The BOCES encourages recruitment of employees with a wide variety of training and education. It shall be the BOCES policy to actively seek outstanding personnel.

It shall be the duty of the District Superintendent to see that persons recommended for employment meet all qualifications established by law, or by the Board, for the position for which recommendation is made.

Assignments of personnel shall be at the direction of the District Superintendent or his/her designee. The employees shall be responsible for familiarizing themselves with the policies and administrative plans of the Dutchess County BOCES in order to promote better understanding. Suggestions for improvement of policies and procedures shall be considered part of the responsibility of each employee within the scope of the employee's employment. Instructional and non-instructional personnel shall be appointed by the Dutchess County BOCES Board upon the recommendation of the District Superintendent.

All assignments and transfers shall be made in accordance with the provisions of law, Board policies, and the employee's negotiated agreement.

### **Certified Personnel**

All professional employees shall be appointed in accordance with Section 3014 of the Education Law, applicable collective bargaining agreement, or as determined by the Board.

Certified personnel shall possess the required certification prior to the assumption of duties. It is the responsibility of the individual to provide proof of certification and to keep all certification information updated in conformance with all rules and regulations. Career Education teachers, in accordance with rules and regulations established by the Commissioner of Education, may be employed without certification provided, however, that acceptance into the Teacher Education Training Program is assured and work is commenced on achieving certification within the time limits prescribed by the aforementioned rules and regulations.

### **Civil Service Employees**

All non-instructional employees are subject to the regulations of the New York State Civil Service Commission. A passing grade on the appropriate examination must be obtained in order to qualify for permanent appointment to a competitive position. All non-instructional appointments are probationary for the maximum period established by the local Civil Service Commission from date of appointment from an open competitive list and every original appointment to a position in a non-competitive exempt or labor class.

### **Adult Career and Technical Education**

## Civil Service Law Section 63

Adult Career and Technical Education instructors shall be appointed by the Board, based on the recommendations of the District Superintendent, for a period of one year. Appointment by the Board constitutes eligibility for assignment but does not mean the individual appointed will automatically be assigned to a class.

## **SUBJECT: TEMPORARY AND PART-TIME EMPLOYEES**

The District Superintendent is authorized to fill vacant positions on a temporary basis when such positions are necessary for the maintenance or continuity of a program or service. Such authority applies to per diem substitutes (certified and classified), Adult Career and Technical Education staff and temporary employees.

### **Part-Time Employees**

Individuals may be employed on a part-time basis to meet the education needs of the BOCES upon the recommendation of the District Superintendent. They are considered part-time if they work less than full-time and are distinguished from "substitutes" in that they are employed for a specific period of time on a part-time basis.

All regular part-time certified employees and those regular part-time classified (Civil Service) employees working less than 50% of the regularly scheduled work week for that classification shall not accrue any seniority.

Regular part-time classified (Civil Service) employees working 50% or more per week will accrue seniority.

All part-time employees may participate in the appropriate New York State Retirement System.

### **Leave Replacement Substitute Teachers**

Leave Replacement Substitute Teachers (temporary teachers) are appointed to fill vacancies created by approved leaves of absence granted to full-time teachers. Such appointments must be a continuous assignment for a specified full-time teacher and will terminate at the end of the school year.

Leave Replacement Substitute Teachers may participate in the New York State Teachers' Retirement System.

Whenever possible, Leave Replacement Substitute Teachers should be certified and prepared by experience and background to fill the position. Non-certified substitutes may be employed under unusual circumstances in accordance with State regulations pertaining to the issuance of a temporary license.

### **Resident Substitute Teachers**

Occasionally, Resident Substitute Teachers will be employed at a set daily rate of pay and will be assigned to fill teacher vacancies by the building principal. It shall be the Dutchess BOCES policy that Resident Substitutes may participate in the health insurance plan by contributing one hundred percent of the premium cost for individual or family coverage.

**SUBJECT: TEMPORARY AND PART-TIME EMPLOYEES (Cont'd.)****Per Diem Substitute Teachers**

Per diem substitutes are employed on a short-term basis and shall be compensated at a per diem rate to be established by the Board. Substitutes are paid only for days worked or on a prorated basis for part-time work. Per diem substitutes are not eligible for fringe benefits, but are eligible to participate in the New York State Teachers' Retirement System. Whenever possible, substitutes should be certified and prepared by experience and background for the positions they fill. Substitutes with valid teaching certificates or substitutes without a valid certificate but who are completing collegiate study towards certification at the rate of not less than six semester hours per year, may render service for any number of days. Substitutes without a valid certificate and who are not working towards certification may render service no more than 40 days per school year. In extreme circumstances, where there is an urgent need for a substitute teacher, the BOCES may employ a substitute teacher beyond the 40-day limit, for up to an additional 50 days, if the District Superintendent certifies that BOCES conducted a good-faith recruitment search and there are no certified teachers available who can perform the duties of the position.

BOCES may hire this substitute teacher beyond the 90-day limit only if the District Superintendent attests that BOCES conducted a good faith recruitment search, but there are still no certified teachers available who can perform the duties of the position and that BOCES needs a particular substitute teacher to work with a specific class or group of students until the end of the school year.

The District Superintendent shall submit an annual report to the Commissioner concerning the employment of all uncertified teachers in accordance with the applicable regulations.

**Student Teachers**

In recognition of the need for pre-service learning experiences for potential teachers, State certification requirements, and the reciprocal benefits derived by BOCES professional personnel, BOCES encourages the utilization of student teachers.

Student teachers shall be protected from liability for negligence or other acts resulting in accidental injury to any person by the BOCES, as provided by law.

The District Superintendent shall approve the appointment of any student teacher.

**Appointment of Staff to Positions Supported by Funds from State or Federal Agencies**

Teachers, administrators, or staff specialists being appointed to federally or state funded programs on a full-time basis shall be granted a probationary appointment in accordance with Section 3014 of the New York State Education Law unless the terms of the funding are such that the project will terminate at the end of a specified time period of up to two (2) years. If the project is forecast to terminate at the end of a specified time period of up to two (2) years, individuals appointed to such positions shall be granted a "term-of-project" appointment (and re-appointment) on an annual basis until the project is terminated.

If a state or federally funded project which was scheduled to terminate after two years is refunded so that an individual employed in the project would become eligible for tenure, a probationary appointment shall be granted and made retroactive to the initial date of full-time employment in the project. Standard procedures for granting (or not granting) tenure shall then be followed.

The District Superintendent may assign a teacher to teach a subject not covered by his/her certification for up to five classroom hours per week, pursuant to the following regulations:

- a) The District Superintendent shall make a finding that the teacher being assigned to teach a subject on an incidental basis has sufficient teaching experience and knowledge of the subject matter to teach such subject in a competent manner.
- b) By October 1 of each year the District Superintendent shall submit to the BOCES at a public meeting a list of all teachers assigned to teach on an incidental basis, including the courses they have been assigned to teach and their certification area. In the event an incidental teaching assignment is made after October 1, the District Superintendent shall report the assignment to the Board at the next regularly scheduled public Board meeting. The list of incidental teaching assignments for the current school year shall be retained by the District Superintendent.

Parents/guardians shall be informed by letter if their child is affected by an incidental teaching assignment. The notice will include information regarding a process through which parents/guardians may appeal such assignment.

**SUBJECT: FINGERPRINTING OF PROSPECTIVE BOCES EMPLOYEES**

Unless otherwise authorized in accordance with law and regulation, the BOCES shall not employ or utilize a prospective school employee, as defined below, unless such prospective school employee has been granted a “full” clearance for employment by the State Education Department (SED). The BOCES shall require a prospective school employee who is not in the SED criminal history file database to undergo a fingerprint supported criminal history record background check. “Criminal history record” shall mean a record of all convictions of crimes and any pending criminal charges maintained on an individual by the Division of Criminal Justice Services (DCJS) and the Federal Bureau of Investigation (FBI). The BOCES will use the Statewide Vendor Management System (SVMS) as directed by SED.

Unless otherwise exempted pursuant to law, the applicant shall be responsible for the payment of fees to SED for a criminal history record check. However, if approved by Board resolution, the BOCES may authorize the payment of such fees on behalf of prospective employees. The Board is also authorized to waive the payment of such fees in cases of unreasonable financial hardship to the applicant or his/her family. If the Board decides to waive payment of the fees for the prospective employee, payment of the fees becomes the BOCES responsibility.

Safety of Students

The BOCES will develop internal building and/or program procedures to help ensure the safety of students who have contact with an employee holding conditional appointment or emergency conditional appointment. Such procedures will address the safety of students in the classroom, students attending off-campus activities under the supervision of the BOCES, and students participating in extracurricular and/or co-curricular activities.

Safety procedures to be addressed include, but are not limited to, the following: supervision of the employee holding conditional appointment/emergency conditional appointment as determined appropriate by the applicable building/program administrator; and periodic visitations by the building/program administrator to the classroom, program and/or activity assigned to the employee holding conditional appointment/emergency

**SUBJECT: HOME-BASED EMPLOYEES**

Employees are generally not entitled to home-based work. Approval for home-based employment assignments will be made on a case-by-case basis. Requests for home-based work must be written and submitted by the Supervisor for such position to the District Superintendent or Deputy Superintendent. At a minimum, requests must include the following:

- A clear and detailed rationale for the home-based assignment;
- The employee's work responsibilities;
- The work schedule, including number of days or hours to be worked at home;
- Specific performance expectations and criteria for evaluation; and
- Allocation of responsibility for provision and maintenance of equipment.

Assignments having the following characteristics, among others, will generally be inappropriate for home-based assignment:"

- Those requiring a high degree of supervision or close scrutiny;
- Those requiring direct face-to-face contact on a frequent basis without the flexibility in scheduling;
- Those not easily assessed by the review of objective performance standards;
- Those requiring the employee to be a member of a team and whose job duties include regular direct face-to-face contact on a daily basis with other team members.

Home-based employees who do not have a regular and self-repeated weekly assignment must provide their Supervisor with a broad outline of their work plan on a weekly basis. Time sheets on established Business Office forms must be submitted on a weekly basis and approved by the signature of the Supervisor. Supervisors will review time sheets against the work plan in order to ensure that the home-based work arrangement continues to be in the best interest of the District. Overtime is not permitted in the absence of prior written approval from the supervisor.

Home-based work arrangements may be terminated in the discretion of the BOCES. Such termination does not, by itself, constitute disciplinary action.

## **SUBJECT: DETERMINATION OF EMPLOYMENT STATUS: EMPLOYEE OR INDEPENDENT CONTRACTOR**

Regulations recently promulgated by the Office of the State Comptroller provide guidance to school districts to help them determine whether an individual is an employee, and therefore eligible for membership in the New York State and Local Retirement System (NYSLRS) and for service credit, or an independent contractor who is not eligible for membership.

A certification of the determination that an individual is an employee will now be required when the BOCES initially reports to the NYSLRS certain covered professionals -- those persons providing services as an attorney, physician, engineer, architect, accountant or auditor.

Employee shall mean an individual performing services for the BOCES for which the BOCES has the right to control the means and methods of what work will be done and how the work will be done. Independent contractor shall mean a consultant or other individual engaged to achieve a certain result who is not subject to the direction of the employer as to the means and methods of accomplishing the result.

### **Employees to be Reported to NYSLRS**

Only persons who are active members of NYSLRS and who have been assigned a registration number shall be included in the reporting requirements. In the case of employees who are in the process of being registered to membership, all service, salary and deductions data and mandatory contributions shall be accumulated by the BOCES and such accumulation shall be included with the first monthly report which is due after the employee's registration number has been assigned.

An individual serving the BOCES as an independent contractor or consultant is not an employee and should not be reported to the retirement system.

The BOCES has the primary responsibility for determining whether an individual is rendering services as an employee or as an independent contractor. When making such a determination the BOCES must consider the factors enumerated in State Regulations.

The BOCES shall also complete, as necessary, a Certification Form for Individuals Engaged in Certain Professions (Form RS2414) as promulgated by the Office of the New York State Comptroller. As noted on the Certification Form instructions, when making a determination as to an individual's status as an employee or independent contractor, no single factor should be considered to be conclusive of the issue. All factors should be considered in making an assessment of an individual's status when engaged to perform services.

**SUBJECT: DRUG-FREE WORKPLACE**

**SUBJECT: PROFESSIONAL STAFF: SEPARATION**

The District Superintendent must notify the professional staff member in writing at least 60 days prior to the expiration of the probationary period that an affirmative recommendation for appointment on tenure will not be made, in accordance with Education Law. The District Superintendent's recommendation to deny tenure must be reviewed and acted upon by the Board.

The Board shall expect any professional staff member desiring to terminate his/her services to provide the Board with a minimum of thirty (30) days notice before the effective termination date.

When possible, a professional staff member shall make every effort to terminate employment at the end of the school year. Resignations must be in writing and include the effective date.

Education Law Sections 3019-a and 3031

**SUBJECT: STAFF-STUDENT RELATIONS (FRATERNIZATION)**

The BOCES Board requires that all BOCES employees maintain a professional, ethical relationship with BOCES students that is conducive to an effective, safe learning environment; and that staff members act as role models for students at all times, whether on or off school property and both during and outside of school hours. Staff must establish appropriate personal boundaries with students and not engage in any behavior that could reasonably lead to even the appearance of impropriety.

Staff members are prohibited, under any circumstances, to date or engage in any improper fraternization or undue familiarity with students, regardless of the student's age and/or regardless of whether the student may have "consented" to such conduct. Further, employees shall not entertain students or socialize with students in such a manner as to create the perception that a dating relationship exists. Similarly, any action or comment by a staff member which invites romantic or sexual involvement with a student is considered highly unethical, in violation of BOCES policy, and may result in the notification of law enforcement officials and the filing of criminal charges and/or disciplinary action by the BOCES up to and including termination of employment.

Inappropriate employee behavior includes, but is not limited to, flirting; making suggestive comments; dating; requests for sexual activity; physical displays of affection; giving inappropriate personal gifts; frequent personal communication with a student (via phone, e-mail, letters, notes, etc.) unrelated to course work or official school matters; providing alcohol or drugs to students; inappropriate touching; and engaging in sexual contact and/or sexual relations.

Even if the student participated "willingly" in the activity (regardless of the student's age), inappropriate fraternization of staff with students is against BOCES policy and may be in violation of professional standards of conduct and New York State Law. However, inappropriate employee conduct does not need to rise to the level of criminal activity for such conduct to be in violation of BOCES rules and subject to appropriate disciplinary sanctions.

Any student who believes that he/she has been subjected to inappropriate staff behavior as enumerated in this policy, as well as students, school employees or third parties who have knowledge of or witness any possible occurrence of inappropriate staff-student relations, shall report the incident to any staff member or either the employee's supervisor, the student's principal or the BOCES designated complaint officer. In all events such reports shall be forwarded to the designated complaint officer for further investigation. Anonymous complaints of inappropriate fraternization of staff members with students shall also be investigated by the BOCES. Investigations of allegations of inappropriate staff-student relations shall follow the procedures utilized for complaints of harassment within the School District. Allegations of inappropriate staff-student behavior shall be promptly investigated and will be treated as confidential and private to the extent possible within legal constraints.

Any employee having knowledge of or reasonable suspicion that another employee may have engaged in inappropriate conduct with a student that may constitute child abuse (specifically, child

(Continued)

abuse in an educational setting) must *also* follow the BOCES reporting procedures for such allegations; and such information will be reported by the designated administrator as required by state law to law enforcement officials, the State Education Department and/or Child Protective Services as may be applicable.

If a student initiates inappropriate behavior toward a staff member, that employee shall document the incident and report it to his/her building principal or supervisor.

The BOCES shall promptly investigate all complaints of inappropriate staff-student relations, and take prompt corrective action to stop such conduct if it occurs.

**Prohibition of Retaliation**

The BOCES prohibits any retaliatory behavior directed against complainants, victims, witnesses, and/or any other individuals who participate in the investigation of allegations of inappropriate staff-student relations. Follow-up inquiries and/or appropriate monitoring shall be made to ensure that the alleged conduct has not resumed and that all those involved in the investigation have not suffered retaliation. Any act of retaliation is subject to appropriate disciplinary action by the BOCES.

**BOCES Responsibility/Training**

Students shall be provided such training in an age appropriate manner.

The BOCES policy (or a summary thereof) shall be disseminated as appropriate to staff, students and parents. Further, this topic shall be addressed in the Code of Conduct.

Internal Revenue Code Section 403(b)

Adopted: July 2003

**SUBJECT: FAMILY AND MEDICAL LEAVE ACT**

The Board of Trustees, in accordance with the Family and Medical Leave Act of 1993 (as amended) (FMLA), gives "eligible" employees of the BOCES the right to take unpaid leave for a period of up to twelve (12) workweeks in a twelve-month period as determined by the BOCES.

The BOCES uses a fixed leave year based on the school year as its method for calculating the leave year period for the commencement of the FMLA leave period. In certain cases, FMLA leave may be taken on an intermittent basis rather than all at once, or the employee may work a part-time schedule.

The entitlement to leave for the birth or placement of a child shall expire at the end of the twelve (12) month period beginning on the date of such birth or placement.

Employees are "eligible" if they have been employed by the BOCES for at least twelve (12) months and for at least 1,250 hours of service during the previous twelve-month period. Full-time teachers are deemed to meet the 1,250 hour test. However, a break in employment for military service (i.e., call to active duty) should not interrupt the twelve (12) month/1,250 hours of employment requirement and should be counted toward fulfilling this prerequisite. The law covers both full-time and part-time employees.

Qualified employees may be granted leave for one (1) or more of the following reasons:

- a) The birth of a child and care for the child;
- b) Adoption of a child and care for the child
- c) The placement with the employee of a child from foster care;
- d) To care for a spouse, minor child or parent who has a "serious health condition" as defined by the FMLA;
- e) To care for an adult child who is incapable of self-care due to a disability (regardless of date of the onset of disability) and has a "serious health condition" as defined by the FMLA; and/or
- f) A "serious health condition" of the employee, as defined by the FMLA, that prevents the employee from performing his/her job.

**SUBJECT: FAMILY AND MEDICAL LEAVE ACT (Cont'd)**

A "serious health condition" is defined as an illness, injury, impairment or physical or mental condition that involves inpatient care or continuing treatment by a health care provider that renders the person incapacitated for more than three (3) consecutive calendar days and where the employee is required to see the health care provider at least twice. Furthermore, the first visit to a health care provider for an employee claiming a "serious health condition" under FMLA must occur within seven (7) days of the aforementioned incapacity with the second required visit occurring within thirty (30) days of the incapacitating event. In order for an employee to claim the need for continuous treatment under FMLA for a chronic serious health condition, the condition must require a minimum of two (2) visits per year to a healthcare provider, continue over an extended period of time, and may cause episodic rather than a continuing period of incapacity. A "serious health condition" is also defined as any period of incapacity related to pregnancy or for prenatal care.

**Military Family Leave Entitlements**

Military Caregiver Leave

An eligible employee who is the spouse, son, daughter, parent, or next of kin (defined as the nearest blood relative) is entitled to up to twenty-six (26) weeks of leave in a single twelve (12) month period to care for a "military member" who is:

- a) Recovering from a serious illness or injury sustained in the line of duty while on active duty; or
- b) Recovering from a serious illness or injury that existed prior to the service member's active duty and was aggravated while on active duty; or
- c) A veteran who has a qualifying injury or illness from service within the last five (5) years and aggravates that illness or injury.

This military caregiver leave is available during a single 12-month period during which an eligible employee is entitled to a combined total of 26 weeks of all types of FMLA leave. Military Caregiver Leave may be combined with other forms of FMLA-related leave providing a combined total of twenty-six (26) weeks of possible leave for any single twelve (12) month period; however, the other form of FMLA leave when combined can not exceed twelve (12) of the twenty-six (26) weeks of combined leave.

Military Caregiver Leave has a set "clock" for calculating the twelve (12) month period for when FMLA leave begins and tolling starts at the first day of leave taken.

**SUBJECT: FAMILY AND MEDICAL LEAVE ACT (Cont'd)**

The term "military member" means:

- a) a member of the Regular Armed Forces (including a member of the National Guard or Reserves) who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or
- b) A veteran (discharged or released under condition other than dishonorable) who is undergoing medical treatment, recuperation, or therapy, for a serious injury or illness and who was a member of the Armed Forces (including a member of the National Guard or Reserves) at any time during the period of five (5) years preceding the date on which the veteran undergoes that medical treatment, recuperation or therapy.

"Qualifying Exigency" Leave/Call to Active Duty

An "eligible" employee is entitled to FMLA leave because of "a qualifying exigency" arising out of circumstances where the spouse, son, daughter, or parent of the employee is serving in the Regular Armed Forces or either the National Guard or the Reserves and is on active duty during a war or national emergency called for by the President of the United States or Congress, or has been notified of an impending call to active duty status, in support of a contingency operation. There is no "qualifying exigency" unless the military member is or is about to be deployed to a foreign country.

A "qualifying exigency" related to families of the Army National Guard of the United States, Army Reserve, Navy Reserve, Marine Corps Reserve, Air National Guard of the United States, Air Force Reserve and Coast Guard Reserve personnel on (or called to) active duty to take FMLA protected leave to manage their affairs is defined as any one of the following reasons:

- a) Short-notice deployment;
- b) Military events and related activities;
- c) Childcare and school activities;
- d) Parental care leave;
- e) Financial and legal arrangements;

**SUBJECT: FAMILY AND MEDICAL LEAVE ACT (Cont'd)**

- f) Counseling;
- g) Rest and recuperation;
- h) Post-deployment activities; and
- i) Any additional activities where the employer and employee agree to the leave.

In any case in which the necessity for leave due to a qualifying exigency is foreseeable, the employee shall provide such notice to the employer as is reasonable and practicable. This military-related leave is for up to twelve (12) weeks during a single 12-month period.

**Implementation/Benefits/Medical Certification**

At the Board of Trustees' or employee's option, certain types of paid leave may be substituted for unpaid leave.

An employee on FMLA leave is also entitled to have health benefits maintained while on leave. If an employee was paying all or part of the premium payments prior to leave, the employee will continue to pay his/her share during the leave period.

In most instances, an employee has a right to return to the same position or an equivalent position with equivalent pay, benefits and working conditions at the conclusion of the leave.

The Board of Trustees has a right to thirty (30) days advance notice from the employee where practicable. In addition, the Board may require an employee to submit certification from a health care provider to substantiate that the leave is due to the "serious health condition" of the employee or the employee's immediate family member. Under no circumstance should the employee's direct supervisor contact any health care provider regarding the employee's condition; all contact in this manner must be made by a health care provider (employed at the employer), a human resource professional, a leave administrator or a management official. If the medical certification requested by the employer is found to be deficient, the employer must indicate where the errors are, in writing, and give the employee seven (7) days to provide corrected materials to cure any deficiency prior to any action being taken.

**SUBJECT: FAMILY AND MEDICAL LEAVE ACT (Cont'd)**

**Special Provisions for BOCES Employees**

An instructional employee is an employee whose principal function is to teach and instruct students in a class, a small group, or an individual setting (e.g., teachers, coaches, driving instructors, special education assistants, etc.). Teaching assistants and aides who do not have instruction as the principal function of their job are not considered an "instructional employee."

Intermittent Leave Taken By Instructional Employees

FMLA leave that is taken at the end of the school year and resumes at the beginning of the next school year is not regarded as intermittent leave but rather continuous leave. The period in the interim (i.e., summer vacation) is not counted against an employee and the employee must continue to receive any benefits that are customarily given over the summer break.

Intermittent leave may be taken but must meet certain criteria. If the instructional employee requesting intermittent leave will be on that leave for more than twenty percent (20%) of the number of working days during the period for which the leave would extend, the following criteria may be required by the employer:

- a) Take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
- b) Transfer temporarily to an available alternative position for which the employee is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than does the employee's regular position.

Appropriate notice for foreseeable FMLA leave still applies and all employees must be returned to an equivalent position within the BOCES. Additional work-related certifications, requirements and/or training may not be required of the employee as a contingent of their return to work.

Leave Taken by Instructional Employees Near the End of the Instructional Year

There are also special requirements for instructional employees taking leave and the leave's relation to the end of the term. If the instructional employee is taking leave more than five (5) weeks prior to the end of the term, the BOCES may require that the employee take the leave until the end of the term if the leave lasts more than three (3)

**SUBJECT: FAMILY AND MEDICAL LEAVE ACT (Cont'd)**

weeks and the employee was scheduled to return prior to three (3) weeks before the end of the term.

If the instructional employee is taking leave less than five (5) weeks prior to the end of the term for any of the following FMLA-related reasons except qualifying exigency, the BOCES may require that the employee remain out for the rest of the term if the leave lasts more than two (2) weeks and the employee would return to work during that two (2) week period at the end of the instructional term.

If the instructional employee begins taking leave during the three (3) weeks prior to the end of the term for any reason except qualifying exigency, the BOCES may require that the employee continue leave until the end of the term if the leave is scheduled to last more than five (5) working days.

Any additional time that is required by the employer due to the timing of the end of the school year, will not be charged against the employee as FMLA leave because it was the employer who requested that the leave extend until the end of the term.

**FMLA Notice**

A notice which explains the FMLA's provisions and provides information concerning the procedures for filing complaints of violations of the FMLA shall be posted in each school building and a notice of an employee's FMLA rights and responsibilities shall be either placed in the employee handbook of the employer or furnished to each new employee upon hire. The employer has five (5) days to supply such notice from the date of hire.

Administration is directed to develop regulations to implement this policy, informing employees of their rights and responsibilities under the FMLA.

**SUBJECT: EMPLOYEE ASSISTANCE PROGRAM**

Dutchess County BOCES recognizes that employees facing problems related to family, financial, legal, emotional, societal or health concerns may find it difficult to perform their job with the effectiveness and productiveness which they desire to demonstrate. The Dutchess County BOCES also recognizes that these problems can be treated, particularly in the early stages, in a fashion which will assist the employee in maintaining an efficient and effective job performance.

It is the policy of the Dutchess County BOCES to provide an Employee Assistance Program for all district employees and their immediate families. It is the intent of this Program to assure that an employee or a family member who has a problem which impacts or has the potential to impact negatively on the employee's job performance will receive careful attention and an opportunity to obtain confidential professional assistance.

**SUBJECT: DEFENSE AND INDEMNIFICATION OF BOARD MEMBERS AND EMPLOYEES****Liability Protection Pursuant to Education Law**

The Board recognizes its statutory obligation to indemnify BOCES employees, and in certain circumstances, Board members and volunteers, pursuant to the provisions of Sections 3023, 3028 and 3811 of the Education Law. For the purposes of this policy, the term “employee” shall be as defined in the applicable statute(s).

BOCES shall not be subject to the duty to defend unless the employee, within the time prescribed by statute, delivers appropriate notice of the claim to the Board.

- a) For purposes of Education Law Section 3811, the employee must give written notice within five (5) days after service of process upon him/her. The statute mandates only written notice of the claim to the Board; however, submission of relevant legal documents by the employee to the Board is also encouraged.
- b) For purposes of Education Law Sections 3023 and 3028, the employee must deliver the original or a copy of the relevant legal documents to the Board within ten (10) days after service of process upon him/her.

BOCES will provide legal defense and/or indemnification for all damages, costs, and reasonable expenses incurred in the defense of an action or proceeding if authorized pursuant to statute and provided that the alleged action or omission which occurred or allegedly occurred is covered by the appropriate statute(s). Furthermore, BOCES will not be required to provide indemnification protection and/or legal defense unless the employee was, at the time of the alleged incident, acting in the discharge of his/her duties within the scope of his/her employment or authorized volunteer duties and/or under the direction of the Board.

**Public Officers Law Section 18**

The Board hereby also confers the benefits of Section 18 of the New York State Public Officers Law upon the “employees” of BOCES, as defined in Section 18 of the Public Officers Law; and BOCES assumes the liability for the costs incurred in accordance with the provisions of Section 18. The benefits accorded to BOCES employees under Section 18 of the Public Officers Law shall supplement and be available in addition to defense or indemnification protection conferred by other enactments or provisions of law.

**SUBJECT: DEFENSE AND INDEMNIFICATION OF BOARD MEMBERS AND EMPLOYEES (Cont'd.)**

The term "employees" shall include members of the Board; the District Superintendent; BOCES officers; BOCES employees; volunteers expressly authorized to participate in a BOCES sponsored volunteer program; or any other person holding a position by election, appointment or employment in the service of BOCES, whether or not compensated. The term "employee" shall also include a former employee, his/her estate or judicially appointed representative.

Pursuant to the provisions of Section 18 of the Public Officers Law, and upon compliance by the employee with the requirements of this statute, BOCES shall provide for the defense of the employee in any civil action or proceeding, state or federal, arising out of any alleged act or omission which occurred or allegedly occurred while the employee was acting within the scope of his/her public employment or duties. Furthermore, BOCES shall indemnify and save harmless its employees in the amount of any judgment obtained against such employees in a state or federal court, or in the amount of any settlement of a claim, provided that the act or omission from which such judgment or claim arose occurred while the employee was acting within the scope of his/her public employment or duties. However, in the case of a settlement, the duty to indemnify and save harmless shall be conditioned upon the approval of the amount of the settlement by the Board.

The duty to defend and/or indemnify and save harmless, in accordance with Section 18 of the Public Officers Law, shall be conditioned upon the delivery by the employee to the BOCES attorney or to the District Superintendent a written request to provide for his/her defense, together with the original or a copy of any summons, complaint, process, notice, demand or pleading within ten (10) days after he/she is served with such document. Pursuant to Section 18, the full cooperation of the employee in the defense of such action or proceeding and in the defense of any action or proceeding against BOCES based upon the same act or omission, and in the prosecution of any appeal, shall also be required as a condition for BOCES' duty to defend and/or indemnify and save harmless to exist.

**Exceptions to Liability Coverage**

Indemnification coverage and/or provision of legal defense by BOCES will not apply unless the actionable claim is of the type covered by the statute(s) and/or is not otherwise exempt from coverage pursuant to law. Additionally, indemnification coverage and/or the duty to provide a defense shall not arise where such action or proceeding is brought by or on behalf of BOCES.

The District is mindful of the health and safety of its students, staff, and visitors and, as such, the District administration will cooperate with appropriate officials conducting health, fire, asbestos, bus, and boiler inspections. In addition, the administration shall keep the Board of Education informed of the results of such inspections in a timely fashion.

In accordance with the Asbestos Hazard Emergency Response Act (AHERA), the District will inform all employees and building occupants (or their legal guardians) at least once each school year about all asbestos inspections, response actions, post-response action activities, as well as triennial re-inspection activities and surveillance activities that are either planned or in progress. The District will provide yearly notification to parent, teacher, and employee organizations on the availability of the District's asbestos management plan and any asbestos-related actions taken or planned in the school.

**Comprehensive Public School Building Safety Program (RESCUE)**

To ensure that all District facilities are properly maintained and preserved and provide suitable educational settings, the Board of Education requires that all occupied school facilities which are owned, operated or leased by the District comply with the provisions of the Comprehensive Public School Building Safety Program, the Uniform Code of Public School Building Inspections, and the Safety Rating and Monitoring as prescribed in Commissioner's regulations. For this reason, the District shall develop a Comprehensive Public School Building Safety Program in accordance with Commissioner's regulations.

The program shall be reevaluated and made current at least annually, and shall include, at a minimum, the following:

**SUBJECT: COMPREHENSIVE STUDENT ATTENDANCE POLICY**

The Board recognizes that regular school attendance is a major component of academic success. Through implementation of this policy, the Board expects to minimize unexcused absences, tardiness, and early departures (referred to in this policy as “ATEDs”), encourage full attendance by all students, maintain an adequate attendance recordkeeping system, identify patterns of students ATEDs and develop effective intervention strategies to improve school attendance.

**Objectives**

- a) Verify compliance with compulsory education laws and ensure the maintenance of an adequate record verifying the attendance of all children in accordance with Education Law.
- b) Know the whereabouts of every student for safety and other reasons.
- c) Identify attendance patterns to design effective intervention strategies that improve school attendance.
- d) Close gaps in student performance.
- e) Increase school completion.

**Notice**

To be successful in this endeavor, it is imperative that all members of the school community are aware of this policy, its purpose, procedures and the consequences of non-compliance. To ensure that students, parents, or person(s) in parental relation, teachers and administrators are notified of and understand this policy, the following procedures shall be implemented.

- a) The attendance policy will be included in student handbooks and will be reviewed with students at the start of the school year.
- b) Parents, or person(s) in parental relation, will receive a plain language summary of this policy when student handbooks are distributed at the start of the school year. Parents, or person(s) in parental relation, will be asked to sign and return a statement indicating that they have read and understand the policy.
- c) When a student is absent, tardy, or leaves early from class or school without excuse, designated staff member(s) will notify the student’s parent(s), or person(s)

**SUBJECT: COMPREHENSIVE STUDENT ATTENDANCE POLICY (Cont'd)**

in parental relation, by phone and mail of the specific ATED, remind them of the attendance policy, and review ATED intervention procedures with them.

d) A back-to-school event will be held at the beginning of each school year to explain this policy and stress the parent's, or person(s) in parental relation, responsibility for ensuring their children's attendance. School newsletters and publications will include periodic reminders of the components of this policy.

e) The BOCES will provide a copy of the attendance policy and any amendments thereto to faculty and staff. New staff will receive a copy upon their employment. All faculty and staff will meet at the beginning of each school year to review the attendance policy to clarify individual roles in its implementation.

f) Copies of this policy will also be made available to any community member, upon request.

**Excused and Unexcused Absences**

Excused ATEDs are defined as absences, tardiness, and early departures from class or school due to personal illness, illness or death in the family, impassable roads or weather, religious observance, quarantine, required court appearances, attendance at health clinics, approved college visits, approved cooperative work programs, military obligations, doctor/dental appointments, BOCES/home district or school events/trips/activities, home district or school closed/delayed or early dismissal.

All other ATEDs are considered unexcused absences.

All ATEDs must be accounted for. It is the parent's or person(s) in parental relation, responsibility to notify the school office within at least 24 hours of the ATED and to provide a written excuse upon the student's return to school.

**General Procedures/Data Collection**

a) Attendance will be taken during each class period.

b) At the conclusion of each class period or school day, all attendance information shall be compiled and provided to the designated staff member(s) responsible for attendance. For the purposes of APPR and Teacher-Student Data Linkages (TSDL), classroom attendance for all students K-12 must be recorded on a subject by subject basis for Teacher of Record Determinations.

**SUBJECT: COMPREHENSIVE STUDENT ATTENDANCE POLICY (Cont'd)**

- c) The nature of an ATED shall be coded on a student's record.
- d) Student ATED data shall be available to and should be reviewed by the designated school personnel in an expeditious manner.
- e) Where additional information is received that requires corrections to be made to a student's attendance records, such correction will be made immediately. Notice of such a change will be sent to appropriate school personnel subject to applicable confidentiality rules.
- f) Attendance data will be analyzed periodically to identify patterns or trends in student absences.
- g) Where consistent with other school practices, teachers and staff shall detain students in the hallways who are absent from a class period without excuse and refer the students to the Building Principal.
- h) Continuous monitoring will be conducted to identify students who are absent, tardy, or leave class or school early.

**Coding System**

A uniform coding system will be developed by the BOCES committee in compliance with the Commissioner's Regulations and placed in the BOCES Administrative Regulations.

**Intervention Strategies**

The BOCES committee will develop intervention strategies that are appropriate and applicable to the BOCES programs in compliance with the Commissioner's Regulations.

**Designation of Attendance Recordkeeper(s) and Attendance Reviewer(s)**

The lead administrator for each building shall designate the person(s) responsible for maintaining, reviewing, and initiating intervention strategies in compliance with the Commissioner's Regulations.

**Attendance Incentives**

**SUBJECT: COMPREHENSIVE STUDENT ATTENDANCE POLICY (Cont'd)**

In compliance with the Commissioner's Regulations, the BOCES committee will designate suggested incentives and systems to encourage attendance and acknowledge a student's efforts to maintain or improve school attendance as appropriate for each program.

Disciplinary Consequences

Unexcused ATEDs will result in disciplinary action consistent with the BOCES code of conduct. Those penalties may include, for example, detention or in-school suspension. Students may also be denied the privilege of participating in or attending extracurricular events.

In addition, designated staff member(s) will contact the student's parents or person(s) in parental relation, and the student's guidance counselor. Such staff member(s) shall remind parents of the attendance policy, explain the ramifications of unexcused ATEDs, stress the importance of class attendance and discuss appropriate intervention strategies to correct the situation.

The Board recognizes an important relationship between class attendance and student performance. Consequently, each marking period a student's final grade will be based on classroom participation as well as student's performance on homework, tests, papers, projects, etc.

Students are expected to attend all scheduled classes. Consistent with the importance of classroom participation, unexcused ATEDs will affect a student's class participation grade for the marking period.

All students with an excused ATED are expected upon their return to consult with their teachers regarding missed work. Only those students with excused ATEDs will be given the opportunity to make up a test or other missed work and/or turn in a late assignment for inclusion in their final grade.

Make up opportunities must be completed by a date specified by the student's teacher for the class in question.

**Annual Review**

The Board shall require the District Superintendent to annually review building-level student attendance records and, if such records show a decline in student

attendance, the Board shall revise this comprehensive attendance policy and make any revisions to the plan it deems necessary to improve student attendance.

**SUBJECT: STUDENT REFERRAL AND PLACEMENT****Student Referral**

The BOCES strives to provide optional educational opportunities for referred compulsory education aged students, including students with unique educational needs. Participation in BOCES programs augments local district educational opportunities. Referral to BOCES programs is made by the home school district.

**Placement**

Initial class placement of students in all BOCES Programs shall be the responsibility of appropriate BOCES personnel in cooperation with home school district personnel. Class placements shall take place only after all available information has been analyzed and the student has been recommended by appropriate local school district personnel for such placement. All class placements shall be administered and conducted in accordance with accepted practices and the Education Laws and Regulations of the Commissioner.

Class placement within a program (i.e., section or classroom) shall be determined by the appropriate BOCES administrator.

Placement of classified students shall follow the law and Commissioner's Regulations.

**SUBJECT: NON-RESIDENT STUDENTS**

- a) Students who live outside the thirteen (13) component school districts shall be called “non-resident students.”
- b) Students who reside outside the thirteen (13) component school districts and desire to attend BOCES classes shall initiate all contacts with BOCES through school district officials of their home school district. Any authorization for non-resident attendance must carry the approval of the local school district and the local BOCES in which the residence is located.
- c) Non-resident tuition shall be established by the District Superintendent and shall be approved by the Board.
- d) Students who move out of the Dutchess County BOCES boundaries during the school year may be given permission to complete that year in attendance at BOCES at no additional charge.

**SUBJECT: PREGNANT AND MARRIED STUDENTS**

The opportunity to participate in all of the services, programs, and activities of BOCES shall not be restricted or denied because of pregnancy, parenthood, or marriage. BOCES students who are pregnant, married, or who have children shall be encouraged to remain in BOCES programs. In this regard, the District Superintendent or his/her designee may make those program modifications which are feasible and necessary to accommodate the special needs of such students.

## Required Policy

### SUBJECT: EDUCATION OF HOMELESS CHILDREN AND YOUTH

The parent/person in parental relation to a homeless child; or the homeless child, together with the homeless liaison designated by the BOCES in the case of an unaccompanied youth; or the director of a residential program for runaway and homeless youth established pursuant to Article 19-H of the Executive Law, in consultation with the homeless child, where such homeless child is living in such program, may designate either the school district of current location, the school district of origin, or a school district participating in a regional placement plan as the district the homeless child shall attend.

Pursuant to Commissioner's Regulations, a "homeless child" means a child or youth who lacks a fixed, regular, and adequate nighttime residence, including a child who is:

- a) Sharing the housing of other persons due to a loss of housing, economic hardship or a similar reason;
- b) Living in motels, hotels, trailer parks or camping grounds due to the lack of alternative adequate accommodations;
- c) Abandoned in hospitals;
- d) Awaiting foster care placement; or
- e) A migratory child who qualifies as homeless in accordance with Commissioner's Regulations. As defined in the No Child Left Behind Act of 2001, the term "migratory child" *includes* a child who is, or whose parent or spouse is, a migratory agricultural worker, including a migratory dairy worker, or a migratory fisher, and who has moved from one school district to another in the preceding 36 months, in order to obtain, or accompanies such parent or spouse in order to obtain, temporary or seasonal employment in agricultural or fishing work.
- f) A child or youth who has a primary nighttime location that is:
  1. A supervised, publicly or privately operated shelter designed to provide temporary living accommodations including, but not limited to, shelters operated or approved by the state or local department of social services, and residential programs for runaway and homeless youth established pursuant to Article 19-H of the Executive Law; or
  2. A public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings; including a child or youth who is living in a car, park, public space, abandoned building, substandard housing, bus or train station or similar setting.

(Continued)

## **SUBJECT: EDUCATION OF HOMELESS CHILDREN AND YOUTH (Cont'd.)**

The term **"homeless child"** shall not include a child in foster care or receiving educational services pursuant to Education Law Section 3202(4), (5), (6), (6a) or (7) or pursuant to Articles 81, 85, 87 or 88. For example, a child in a family home at board, a school for the mentally retarded, a hospital or other institution for the care, custody and treatment of children; youths under the direction of the Division for Youth incarcerated in county correctional facilities or youth shelters; or children residing in child care institutions or schools for the deaf or blind would not be considered "homeless."

### **Enrollment, Retention and Participation in the Educational Program**

Enrollment of homeless children shall not be delayed and their ability to continue or participate in the educational program shall not be restricted due to issues such as:

- a) Transportation;
- b) Immunization requirements;
- c) Residency requirements;
- d) Birth certificates, medical records, IEPs, school records and other documentation;
- e) Guardianship issues;
- f) Comprehensive assessment and advocacy referral processes;
- g) Resolution of disputes regarding school selection;
- h) Proof of social security numbers;
- i) Attendance requirements;
- j) Sports participation rules;
- k) Inability to pay fees associated with extracurricular activities such as club dues and sports uniforms; or
- l) Other enrollment issues.

### **Educational Programs and Services**

Upon request or authorization from a component school district, the BOCES shall provide homeless children and youth with access to all of its programs, activities and services to the same extent that they are provided to resident students.

Homeless children and youth shall be educated as part of the school's regular academic program. Services must be provided to homeless children and youth through programs and mechanisms that integrate homeless children and youth with their non-homeless counterparts, including programs for special education, vocational and technical education, gifted and talented students, before and after school, English language learners/limited English proficiency, Head Start, Even Start, and school nutrition. Services provided with McKinney-Vento funds must expand upon or improve services provided as part of the regular school program. Consequently, the BOCES shall ensure that homeless children and youth are not segregated in a separate school, or in a separate program within the school, based on their status as homeless; and to the extent feasible consistent with the requirements of Commissioner's Regulations, keep a homeless child or youth in the school of origin except when doing so is contrary to the wishes of the child's or youth's parent or guardian. Further, the BOCES shall review and revise policies and practices, including transportation guidelines, that may act as barriers to the enrollment, attendance, school success, and retention of homeless children and youth in the BOCES.

## **SUBJECT: EDUCATION OF HOMELESS CHILDREN AND YOUTH (Cont'd.)**

All homeless children and youth are automatically eligible for Title I Part A services whether or not they meet the academic standards or live in a Title I school attendance area. Homeless students may receive Title I educational or support services from schoolwide and targeted-assistance school programs.

### **Transportation**

If the local social service district or the Office of Children and Family Services is not required to provide transportation, the designated district is responsible for providing the student's transportation. However, the school district of origin is responsible for the cost of transportation provided by the designated district. Transportation responsibilities apply to all school districts regardless of whether or not they receive McKinney-Vento funds. Where a homeless student designates the school district of current location as the district the student will attend, that district shall provide transportation to the student on the same basis as a resident student. Where the homeless student designates the school district of origin, the district of current location, at the request of a parent/guardian, shall provide or arrange for transportation to and from the school of origin in accordance with law and/or regulation even if the district does not provide transportation to non-homeless students (except for preschoolers). Transportation must be provided during the pendency of enrollment disputes. If the designated district provides transportation for non-homeless preschool children, it must also provide comparable transportation services for homeless preschool children.

### **BOCES Liaison for Homeless Children and Youth**

The BOCES shall designate an appropriate staff person, who may also be a coordinator for other federal programs, as the local educational agency liaison for homeless children and youth to carry out the duties as enumerated in law, Commissioner's Regulations and applicable guidance issued by the U.S. and New York State Education Departments. The BOCES will inform school personnel, local service providers and advocates of the office and duties of the local homeless liaison.

### **Training**

The BOCES will train all school enrollment staff, secretaries, school counselors, school social workers, and principals on the legal requirements for enrollment. School nutrition staff, school nurses, teachers, and bus drivers will receive training on homelessness that is specific to their field.

### **Outreach**

The BOCES will make every effort to inform the parents or guardians of homeless children and youth of the education, transportation and related opportunities available to their children including transportation to the school of origin. The parent(s)/guardian(s) will be assisted in accessing transportation to the school they select, and will be provided with meaningful opportunities to participate in the education of their children. Public notice of educational rights of homeless children and youth will be disseminated by the BOCES in places where families and youth are likely to be present (e.g., schools, shelters, soup kitchens), and in comprehensible formats (e.g., geared for low literacy or other community needs).

## **SUBJECT: EDUCATION OF HOMELESS CHILDREN AND YOUTH (Cont'd.)**

### **Dispute Resolution**

The BOCES shall establish guidelines for the prompt resolution of disputes regarding school selection or enrollment of a homeless student and provide a written explanation, including a statement regarding the right to appeal to the parent or guardian if the BOCES sends the student to a school other than the school of origin or the school requested by the parent or guardian.

If there is a factual dispute over whether a student is homeless, the BOCES will immediately enroll the student and then provide the parent/guardian the opportunity to submit verification of homelessness. The student will remain enrolled until a final determination is made by the BOCES and for a minimum of thirty (30) days after the final determination to allow the parent/guardian opportunity to appeal to the Commissioner of Education. If the student files an appeal that contains a request for a stay within thirty (30) days of such final determination, the BOCES must continue to enroll the student until the Commissioner rules on the stay request.

### **Record and Reporting Requirements**

If the BOCES receives a request to forward student records to a sending district, the records must be forwarded within five days.

The BOCES shall maintain documentation regarding all aspects of the BOCES contact with and services provided to homeless students and youth for possible on-site monitoring by the State Education Department.

The BOCES shall collect and transmit to the Commissioner of Education, at such time and in the manner as the Commissioner may require, a report containing such information as the Commissioner determines is necessary to assess the educational needs of homeless children and youths within the state.

**SUBJECT: CORPORAL PUNISHMENT/PHYSICAL RESTRAINT****Corporal Punishment**

Corporal punishment as a means of discipline shall not be used against a student by any teacher, administrator, officer, employee or agent of BOCES.

However, if alternative procedures and methods which would not involve physical force do not work, then the use of reasonable physical force is not prohibited for the following reasons:

- a) To protect oneself from physical injury;
- b) To protect another student or teacher or any other person from physical injury;
- c) To protect the property of the school or of others; or
- d) To restrain or remove a student whose behavior is interfering with the orderly exercise and performance of school district functions, powers or duties, if that student has refused to comply with a request to refrain from further disruptive acts; provided that alternative procedures and methods not involving the use of physical force cannot reasonably be employed to achieve the purposes set forth above.

Whenever a school employee uses physical force against a student, the school employee shall, within the same school day, make an immediate written report to his/her supervisor describing in detail the circumstances and the nature of the action taken.

The District Superintendent shall submit a written semi-annual report to the Commissioner of Education, with copies to the Board, by January 15 and July 15 of each year, setting forth the substance of each written complaint about the use of corporal punishment received by school authorities during the reporting period, the results of each investigation, and the action, if any, taken by the school authorities in each case.

(Continued)

**SUBJECT: CORPORAL PUNISHMENT/PHYSICAL RESTRAINT (Cont'd.)****Physical Restraint**

The BOCES holds the belief that the classroom teacher is the key person responsible for the maintenance of acceptable discipline among students. A well-planned program that keeps students occupied with work that is meaningful, interesting and challenging is the best means of preventing disruptive behavior by students. The Board recognizes, however, that under certain circumstances, a classroom teacher, supervisor or administrator may find it necessary to resort to reasonable and prudent physical restraint in maintaining order in or on school premises. Accordingly, the following actions by a teacher are herewith authorized:

- a) Physical restraint which may be used to prevent threatened assault, self-inflicted harm or physical injury to other students or personnel;
- b) Physical restraint which may be used to prevent damage to school or BOCES property.

**SUBJECT: SUSPENSION OF STUDENTS ATTENDING BOCES PROGRAMS****Suspension from School**

In accordance with law and the Dutchess County BOCES Code of Conduct, suspension from school is a severe consequence, which may be imposed only upon students who are insubordinate, disorderly, violent or disruptive, or whose conduct otherwise endangers the safety, morals, health or welfare of self or others.

The Board retains its authority to suspend students, but places primary responsibility for the suspension of students with the principal (the building principal or “acting principal” supervisor) for a short term suspension or the home school district for a long-term suspension. All students who are under suspension in their home school shall be automatically suspended by BOCES during the time of their home school suspension. Administrators of the home districts will be requested to inform BOCES of student suspensions.

Any staff member may recommend to the principal that a student be suspended. All staff members must immediately report and refer a violent student to the principal for violation of the Code of Conduct. All recommendations and referrals shall be made in writing unless the conditions underlying the recommendation or referral warrant immediate attention. In such cases a report is to be prepared as soon as possible by the staff member recommending the suspension.

The principal, upon receiving a recommendation or referral for suspension or when processing a case for suspension, shall gather the facts relevant to the matter and record them for subsequent presentation, if necessary.

**Short –term (5 school days or less) Suspension from School**

BOCES shall initiate the suspension of a disruptive student from one of its programs when other forms of behavior intervention and disciplinary action have failed unless circumstances otherwise warrant. The process for such suspensions is as follows:

- a) Suspension may be made by a principal for a period of time not to exceed five school days. Suspensions may not be approved by any other staff member.
- b) The student being suspended must be told of the suspension and the reason for the proposed suspension by the principal.
- c) The parents/guardians of the student are to be notified in writing within 24 hours with notification by telephone, where possible.

(Continued)

## Students

**SUBJECT: SUSPENSION OF STUDENTS ATTENDING BOCES PROGRAMS (Cont'd.)**

- d) The student and parent(s) or guardian(s) shall, on request, be given an opportunity for an informal conference with the building administrator and complaining witnesses. Such notice and opportunity for an informal conference shall take place prior to the suspension of the student unless the student's presence in the school poses a continuing danger to persons or property or an ongoing threat of disruption to the academic process, in which case the notice and opportunity for an informal conference shall take place as soon after the suspension as is reasonably practicable.
- e) A copy of the suspension letter shall be placed in the student's file.
- f) The home school district shall be notified of the suspension.

**Long-term (more than 5 school days) Suspension from School**

When serious infraction(s) of the code of conduct warrant the consideration of a long term suspension, the matter will be referred to the home school district. In order to facilitate review and action according to the disciplinary procedures established within the home district's code of conduct or, in the case of a student with disabilities, by a manifestation determination as required by state and federal law, the BOCES principal shall provide appropriate documentation to the appropriate school official of the student's home school district.

**Minimum Periods of Suspension**

Pursuant to law, Commissioner's Regulations and the *BOCES Code of Conduct*, minimum periods of suspension shall be provided for the following prohibited conduct, subject to the requirements of federal and state law and regulations.

- a) Consistent with the federal Gun-Free Schools Act, any student who is determined to have brought a weapon to school shall be suspended for a period of not less than one calendar year. However, the suspending authority may modify this suspension requirement on a case-by-case basis.
- b) For acts that would qualify the student to be defined as a violent student pursuant to Education Law Section 3214(2-a)(a), provided that the suspending authority may reduce such period on a case-by-case basis to be consistent with any other state and federal law.

**SUBJECT: SUSPENSION OF STUDENTS ATTENDING BOCES PROGRAMS (Cont'd.)**

- c) For students who repeatedly are substantially disruptive of the educational process or substantially interfere with the teacher's authority over the classroom, provided that the suspending authority may reduce such period on a case-by-case basis to be consistent with any other state and federal law. The definition of "repeatedly and substantially disruptive of the educational process or substantially interferes with the teacher's authority" shall be determined in accordance with the Regulations of the Commissioner.

**Suspension of Students with Disabilities**

The principal, or District Superintendent may order the Suspension of a student with a disability for a period not to exceed five (5) consecutive school days and not to exceed the amount of time a non-disabled student would be subject to suspension for the same behavior unless the particular suspension would result in a disciplinary change of placement. Any student with a disability who has been suspended for any ten (10) days within a school year must be referred to the Committee on Special Education of the home school district for a manifestation determination hearing. Students with disabilities and their parents should be aware that there are special protections surrounding disciplinary actions which may warrant a manifestation determination and should request specifics of these legal protections from the Committee on Special Education of their home school district.

**In-School Suspension**

In accordance with the Dutchess County BOCES Code of Conduct, in-school suspension may be used as a lesser discipline to avoid an out-of-school suspension. The student shall be considered present for attendance purposes. The program is used to keep each student current with his/her classwork while attempting to reinforce acceptable behavior, attitudes and personal interaction.

**Exhaustion of Administrative Remedies**

The filing of an appeal will not postpone the implementation of the suspension during the appeal process. If a parent/person in a parental relation wishes to appeal the decision of the BOCES principal to suspend a student from school, the parent/person in parental relation must appeal in writing within ten (10) days of the suspension decision to the District Superintendent. The District Superintendent will render a decision to the appeal within ten (10) days of receipt of the request for an appeal. If a parent/person in parental relation wishes to appeal the decision of the District Superintendent, the parent/person in parental relation must appeal in writing within ten (10) days of the District Superintendent's appeal decision to the Board prior to commencing an appeal to the Commissioner of Education. The Board will review the appeal at its next regular Board meeting and render a decision in writing within ten (10) days of such meeting. In accordance with law, an appeal to the Commissioner of Education must be filed in writing within thirty (30) days of the Board's written decision.

**SUBJECT: LOSS OR DESTRUCTION OF BOCES PROPERTY OR RESOURCES**

The BOCES is authorized to seek restitution, through civil action when necessary, from the parent or guardian of an unemancipated student over the age of ten (10) and under the age of eighteen (18) where such student:

- a) Has willfully, maliciously, or unlawfully damaged, defaced or destroyed real or personal property in the care, custody and/or ownership of BOCES; or
- b) Has knowingly entered or remained in a BOCES building, and wrongfully taken, obtained or withheld personal property owned or maintained by BOCES.

In instances where Dutchess County BOCES has sought and obtained a judgment from a court of competent jurisdiction, parent/guardian liability for civil damages shall not exceed \$5,000. Under certain circumstances, a court may consider the parent's or guardian's inability to pay any portion or all of the amount of damages which are in excess of \$500, and enter a judgment in an amount within the financial capacity of the parent or guardian. However, no such judgment shall be entered for an amount which is less than \$500.

**False Reporting of an Incident and/or Placing a False Bomb**

BOCES is also authorized to seek restitution, as described in law, from a parent or guardian of an unemancipated student over the age of ten (10) and under the age of eighteen (18) where such student:

- a) Has falsely reported an incident; or
- b) Has placed a false bomb as defined in the New York State Penal Law.

Damages for falsely reporting an incident or placing a false bomb shall mean the funds reasonably expended by BOCES in responding to such false report of an incident or false bomb, less the amount of any funds which have been or will be recovered from any other source as enumerated in law.

In seeking restitution, BOCES shall file with the court, district attorney and defense counsel an affidavit stating that the funds reasonably expended for which restitution is being sought have not been and will not be recovered from any other source or in any other civil or criminal proceeding, except as provided for pursuant to General Obligations Law Section 3-112.

**SUBJECT: STUDENT DRESS CODE**

The responsibility for the dress and appearance of students shall rest with individual students and parents in accordance with the BOCES Code of Conduct. Parents have the right to determine how the student shall dress, provided that such attire is not destructive to school property, complies with requirements for health and safety, does not interfere with the educational process, or impinge upon the rights of others. The administration is authorized to take action in instances where individual dress does not meet these stated requirements.

While the school administration may require students participating in physical education classes to wear certain types of clothing such as sneakers, socks, shorts, tee shirts, they may not prescribe a specific brand which students must buy.

This policy does not mean that student, faculty, or parent groups may not recommend appropriate dress for school or special occasions. It means that a student shall not be prevented from attending school or a school function, or otherwise be discriminated against, so long as his/her dress and appearance meet the above requirements.

**SUBJECT: ALCOHOL, DRUGS AND OTHER SUBSTANCES (STUDENTS)**

The BOCES encourages cooperation with other community agencies and groups in preventing drug and alcohol abuse. Provision shall be made for instructing employees and students in alcohol, drug and tobacco abuse and prevention. All laws pertaining to drug and alcohol use and possession shall be honored by students, adults, and adult students while on BOCES premises or at BOCES-sponsored activities, regardless of the location of the activity.

The Board recognizes that the issue of drugs and/or alcohol is a serious problem with legal, physical, emotional and social implications for the entire community. Therefore, the manufacture, distribution, consumption, sharing and/or selling, use and/or possession of alcoholic beverages, illegal drugs, counterfeit and designer drugs, or paraphernalia for the use of such drugs is prohibited on BOCES premises and at BOCES-sponsored activities, regardless of the location, at all times. In cases of special education students, the policy of the host district will be followed. The inappropriate use of prescription and over-the-counter drugs shall also be disallowed. Persons shall be banned from entering BOCES premises or school-sponsored events when exhibiting behavioral, personal or physical characteristics indicative of having used or consumed alcohol or other substances.

Through the collaborative efforts of staff, students, parents/guardians and the community as a whole, a certifiable comprehensive program shall be developed addressing alcohol and other substances to include the following elements:

**Primary Prevention**

Preventing or delaying alcohol and other substance use/abuse by students shall be the major focus of a comprehensive program in which proactive measures of prevention and early intervention are emphasized. This program shall include:

- a) A sequential curriculum that will be developed and incorporated into the total educational process. This curriculum shall be concerned with education and prevention in all areas of alcohol and other substances uses/abuse;
- b) Training school personnel and parents/guardians to reinforce the components of the policy through in-service and community education programs with up-to-date factual information and materials.
- c) An effort to provide positive alternatives to alcohol and other substances use/abuse through the promotion of drug/alcohol-free special events, service projects and extracurricular activities that will develop a positive peer influence.

(Continued)

**SUBJECT: ALCOHOL, DRUGS AND OTHER SUBSTANCES (STUDENTS) (Cont'd.)**Drug and Alcohol-Free Education and Prevention Program

In support of the Board's interest in the health and well-being of BOCES students and employees, and its commitment to a drug and alcohol-free learning and work environment, provision shall be made for a "Drug and Alcohol-Free Education and Prevention Program" for students and employees. (Refer also to Policy #7112 -- Prevention Instruction.)

**Intervention**

School-based intervention services shall be made available to all students and provided by prevention professionals who are appropriately trained in this area. The purpose of intervention is to eliminate any existing use/abuse of alcohol and other substances and to identify students considered to be at risk for use/abuse. Intervention programming shall include:

- a) Counseling of students in groups and as individuals on alcohol and other substance use/abuse. Counselors shall be appropriately trained and skilled school staff assigned for this purpose.
- b) Referring student to community or other outside agencies when their use/abuse of alcohol and other substances requires additional counseling or treatment. Referral is a key link in school and community efforts and the process is basic to the dissemination of information regarding available counseling and health services.
- c) Providing a supportive school environment designed to continue the recovery process for students returning from treatment. A re-entry program may include continuing student and/or family counseling and emphasizing positive alternatives to alcohol and other substance use/abuse.
- d) Developing a parent network to serve as a support group and provide a vehicle of communication for parent education;
- e) Ensuring confidentiality as required by state and federal law.

**Disciplinary Measures**

Disciplinary measures for students manufacturing, distributing, consuming, sharing and/or selling, using and/or possessing alcoholic beverages, illegal drugs, counterfeit and designer drugs, or paraphernalia for the use of such drugs shall be outlined in a Student Code of Conduct.

(Continued)

**SUBJECT: ALCOHOL, DRUGS AND OTHER SUBSTANCES (STUDENTS) (Cont'd.)****Staff Development**

There shall be ongoing training of BOCES staff about the components of an effective alcohol and other substances program. Training shall include, but not be limited to, Board policies and regulations and the staff's role in implementing such policies, and regulations. Teachers shall be trained to implement the alcohol and other substance prevention curricula; intervention staff shall be suitably trained to carry out appropriate services.

**Implementation, Dissemination and Monitoring**

It shall be the responsibility of the District Superintendent to implement the alcohol and other substances Board policy by collaboration with appropriate individuals including school personnel, students and parents/guardians.

Additionally, copies of Board policy shall be disseminated to BOCES staff and parents/guardians. The District Superintendent shall biennially review the drug and alcohol abuse prevention program to determine its effectiveness and support appropriate modifications, as needed.

## **SUBJECT: WELLNESS POLICY**

This Dutchess BOCES Wellness Policy has been developed, and shall be regularly reviewed and updated, with involvement of parents, students, representatives of the BOCES food authority, the BOCES Policy Committee, BOCES administrators, physical education teachers, health professionals (including school nurses and school physician) and members of the public. The District Superintendent or designee is responsible for developing appropriate Wellness Regulations, including a plan for judging the effectiveness of this Policy with measurable benchmarks. The Coordinator of Health Occupations shall be in charge of ensuring compliance with this policy.

The Dutchess County BOCES is committed to providing a school environment that enhances learning and development of lifelong wellness practices. Given the very unique characteristics of each BOCES educational site, this policy requires each site annually to develop appropriate and measurable wellness goals, to have them approved by the District Superintendent on or before October 1<sup>st</sup> of each year, and to submit a written evaluation of progress to the District Superintendent on or before July 1<sup>st</sup> of each year.

To accomplish these goals:

- Child Nutrition Programs comply with federal, state and local requirements. Guidelines for reimbursable school meals shall not be less restrictive than applicable federal regulations and guidance issued pursuant to the Child Nutrition Act and the Richard B. Russell National School Lunch Act, as those regulations and guidance apply to schools. Child Nutrition Programs are accessible to all children.
- Sequential and interdisciplinary nutrition education is provided and promoted.
- Patterns of meaningful physical activity connect to students' lives outside of physical education.
- All school-based activities are consistent with local wellness goals.
- All foods and beverages made available at BOCES facilities (including vending, concessions, a la carte, student stores, parties, and fundraising) during the school day are consistent with the current Dietary Guidelines for Americans.
- All foods made available on campus adhere to food safety and security guidelines.
- The school environment is safe, comfortable, pleasing, and allows ample time and space for eating meals. Food and/or physical activity is not used as a reward or punishment.

Adoption Date: January 13, 2016

**SUBJECT: SEARCHES AND INTERROGATIONS**

Students are protected by the Constitution from unreasonable searches and seizures. A student may be searched and contraband seized on school grounds or in a school building by a school employee only when the employee has reasonable suspicion to believe the student is engaging in proscribed activity which is in violation of school rules and/or illegal.

Factors to be considered in determining whether reasonable suspicion exists to search a student include:

- a) The age of the student;
- b) The student's record and past history;
- c) The predominance and seriousness of the problem in the school where the search is directed; and
- d) The urgency to conduct the search without delay.

If reasonable suspicion exists to believe that a student possesses a weapon, it is permissible for an employee to frisk that student.

**Lockers**

Lockers are provided by the school for student use and the administration has the right to search lockers. A student may have exclusive use of a locker as far as other students are concerned but he/she does not have such exclusivity over the locker as against the school authorities.

**Questioning of Students by School Officials**

School officials have the right to question students regarding any violations of school rules and/or illegal activity. In general, administration may conduct investigations concerning reports of misconduct which may include, but are not limited to, questioning students, staff, parents/guardians, or other individuals as may be appropriate and, when necessary, determining disciplinary action in accordance with applicable due process rights.

Should the questioning of students by school officials focus on the actions of one particular student, the student will be questioned, if possible, in private by the appropriate school administrator. The student's parent/guardian may be contacted; the degree, if any, of parental/guardian involvement will vary depending upon the nature and the reason for questioning, and the necessity for further action which may occur as a result.

(Continued)

Students

**SUBJECT: SEARCHES AND INTERROGATIONS (Cont'd.)**

The questioning of students by school officials does not preclude subsequent questioning/interrogations by police authorities as otherwise permitted by law. Similarly, the questioning of students by school officials does not negate the right/responsibility of school officials to contact appropriate law enforcement agencies, as may be necessary, with regard to such statements given by students to school officials.

School officials acting alone and on their own authority, without the involvement of or on behalf of law enforcement officials (at least until after the questioning of students by school authorities has been conducted) are not required to give the so-called "Miranda warnings" (i.e., advising a person, prior to any custodial interrogations as defined in law, of the right to remain silent; that any statement made by the individual may be used as evidence against him/her; and that the individual has the right to the presence of an attorney, either retained or appointed) prior to the questioning of students.

If deemed appropriate and/or necessary, the District Superintendent/designee may also review the circumstances with BOCES legal counsel so as to address concerns and the course of action, if any, which may pertain to and/or result from the questioning of students by school officials.

**Law Enforcement Officials**

It shall be the policy of the Board that a cooperative effort shall be maintained between the school administration and law enforcement agencies. Law enforcement officials may be summoned in order to conduct an investigation of alleged criminal conduct on school premises or during a school-sponsored activity, or to maintain the educational environment. They may also be summoned for the purpose of maintaining or restoring order when the presence of such officers is necessary to prevent injury to persons or property.

Administrators have the responsibility and the authority to determine when the assistance of law enforcement officers is necessary within their respective jurisdictions. BOCES' administrators shall at all times act in a manner that protects and guarantees the rights of students and parents.

**Interrogation of Students by Law Enforcement Officials**

If police are involved in the questioning of students on school premises, whether or not at the request of school authorities, it will be in accordance with applicable law and due process rights afforded students. Generally, police authorities may only interview students on school premises without the permission of the parent/guardian in situations where a warrant has been issued for the student's arrest (or removal) or the questioning of students concerns a crime committed on school property. If the police wish to speak to a student without a warrant, they should take the matter up directly with the student's parent/guardians.

**SUBJECT: GUN-FREE SCHOOLS POLICY**

No student shall bring onto BOCES premises or have in his/her possession on BOCES premises or bring to any setting that is under the control and supervision of the BOCES, any "firearm" as defined in federal law. The terms "BOCES premises" or "BOCES property" shall mean property owned or leased by BOCES and shall also include BOCES activities off premises, such as field trips. For purposes of this policy, the term "firearm" includes any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; the frame or receiver of such weapon; any firearm muffler or silencer; or any "destructive device" (i.e., any explosive, incendiary, or poison gas, including bombs, grenades, rockets or other similar devices).

In accordance with the Gun-Free Schools Act of 1994 and Section 3214(3)(d) of the Education Law, any student who brings or possesses a firearm, as defined in federal law, onto BOCES property, or has such a firearm in his/her possession on BOCES premises, or brings such a firearm to any setting that is under the control or supervision of the BOCES, will be referred by the District Superintendent to the appropriate agency or authority for a juvenile delinquency proceeding in accordance with Article 3 of the Family Court Act when the student is under the age of sixteen and will be referred by the District Superintendent to the appropriate law enforcement officials when the student is sixteen years of age or older.

In addition, any student attending a BOCES school who has been found guilty of bringing a firearm to or possessing a firearm on BOCES property, after a hearing has been provided pursuant to Section 3214 of the Education Law, shall be suspended for a period of not less than one calendar year and any student attending a non-district school who participates in a program operated by the BOCES using funds from the Elementary and Secondary Education Act of 1965 who is determined to have brought a firearm to a BOCES school or other premises used by the BOCES to provide such programs shall be suspended for a period of not less than one calendar year from participation in such program. Further, after the imposition of the one year penalty has been determined, the District Superintendent has the authority to modify this suspension requirement for each student on a case-by-case basis. In reviewing the student's one year suspension penalty, the District Superintendent may modify the penalty based on factors as set forth in Section 100.2 of the Regulations of the Commissioner of Education and in Commissioner's Decisional Law. The determination of the District Superintendent shall be subject to review by the Board in accordance with Education Law Section 3214(3)(c) and by the Commissioner of Education in accordance with Education Law Section 310.

In the interim, while awaiting determination from the hearing, the student shall be suspended from participation in BOCES programs and shall be provided appropriate alternate instruction, as determined by the District Superintendent and the Superintendent of the local school district.

(Continued)

Students

**SUBJECT: GUN-FREE SCHOOLS POLICY (Cont'd.)**

The District Superintendent shall notify the parents/guardians of the student involved of the circumstances in finding that their child brought a firearm onto BOCES premises or was in possession of a firearm on BOCES premises. Notification shall also be made to the appropriate agency or authority for juvenile delinquency proceedings for those students under the age of 16 and to appropriate law enforcement officials for those students sixteen years of age or older. Furthermore, this notification shall inform the parents/guardians of the suspension of the student from further participation in BOCES programs pending the determination of the hearing, and the nature of the alternate instruction to be provided the student during this time.

A student with a disability who is determined to have brought a firearm to school may be placed in an interim alternative educational setting, in accordance with federal and state law, for not more than 45 calendar days. If the parent or guardian requests an impartial hearing, the student must remain in the interim alternative placement until the completion of all proceedings, unless the parent or guardian and home school district can agree on a different placement.

A student with a disability (as classified by the local school district Committee on Special Education) may be given a long term suspension pursuant to the Gun Free Schools Act only if a group of persons knowledgeable about the student, as defined in federal regulations implementing the IDEA, determines that the bringing of a firearm to school was not a manifestation of the student's disability, subject to applicable procedural safeguards. The District Superintendent shall also notify the parents/guardians of a student's referral to the home school district's Committee on Special Education.

If it is determined that the student's bringing of a firearm to school was a manifestation of the student's disability, the District Superintendent must exercise his/her authority under the Gun-Free Schools Act to modify the long term suspension requirement, and determine that the student may not be given a long term suspension for the behavior. The Committee on Special Education may review the student's current educational placement and initiate change in placement proceedings, if appropriate, subject to applicable procedural safeguards.

The home school district/BOCES may offer home instruction as an interim alternative educational setting during the pendency of review proceedings only if the student's placement in a less restrictive alternative educational setting is substantially likely to result in injury either to the student or to others.

The BOCES may also seek a court order to immediately remove a student with a disability from school if the BOCES believes that maintaining the student in the current educational placement is substantially likely to result in injury to the student or to others.

(Continued)

Students

**SUBJECT: GUN-FREE SCHOOLS POLICY (Cont'd.)**

Students with disabilities continue to be entitled to all rights enumerated in the Individuals With Disabilities Education Act and Article 89 of the Education Law; and this policy shall not be deemed to authorize suspension of students with disabilities in violation of these laws.

This policy does not prohibit the BOCES from utilizing other disciplinary measures in accordance with the BOCES Code of Conduct, including, but not limited to, out-of-school suspensions for a period of five days or less, or in-school suspensions, in responding to other types of student misconduct which infringe upon the established rules of the school. Additionally, this policy does not diminish the authority of the Board to offer courses in instruction in the safe use of firearms pursuant to Education Law Section 809-a.

The BOCES will continue to provide the suspended student who is of compulsory attendance age with appropriate alternative instruction during the period of the student's suspension.

**SUBJECT: VEHICLE SAFETY**

Students attending BOCES classes are expected to use the school buses provided to transport them.

In those instances where students need to provide their own transportation, parking permits may be issued through the respective BOCES school office. Students using vehicles on BOCES property shall obey all traffic regulations of the State and of BOCES. Reckless driving and/or speeding shall not be tolerated. Student parking shall be allowed only in authorized places. Student may have his/her driving privileges on campus suspended and/or be subject to disciplinary action.

**SUBJECT: STUDENT EVALUATION**

Each program enrolling students which is operated by BOCES shall have a clearly developed outline of activities, skills to be learned and appropriate projects to be completed by students. Emphasis will be placed on student outcomes. Each student's evaluation will be made on the basis of the completion of his/her objectives, at the appropriate level of performance.

Competency standards will be used where appropriate and they will give guidance to instructors and administration on when certain students are qualified to exit the program.

**Promotions**

Student promotion shall be offered when students have satisfactorily demonstrated competence based upon appropriate standards and criteria.

**Retention and Acceleration**

Advancement of students to higher levels shall be based upon achievement, performance, and skill development or other appropriate criteria. Records attending to the progress of students shall be maintained and interviews may be scheduled to share such information regarding the student's progress.

A student may be advanced to the next higher level of instruction upon the recommendation of the classroom teacher and approval of the administrator in charge. Furthermore, a student may remain at one level for as long a period of time as is necessary to achieve success provided the recommendation of the teacher and the approval of the program administrator in charge are in general agreement.

In the event of a disagreement, the District Superintendent or his/her designee shall make a decision to resolve the conflict affecting retention or acceleration.

**Examinations**

Examinations or tests may be used to assess the effectiveness of instruction or the skill development of a student or groups of students. Such examinations may be prepared by local educators, state officials or recognized publishers. Results on an examination or test should not serve as the sole criterion for promotion unless that instrument is a mastery or competency measure. An appropriate evaluation of a student or program should consist of a variety of measures that are designed to measure relevant objectives.

**SUBJECT: PROVISION OF INTERPRETER SERVICES TO PARENTS WHO ARE HEARING IMPAIRED**

The BOCES assures parents or persons in parental relationship who are hearing impaired the right to meaningful access to school initiated meetings or activities pertaining to the academic and/or disciplinary aspects of their children's education. School initiated meetings or activities are defined to include, but are not limited to, parent-teacher conferences, child study or building-level team meetings, planning meetings with school counselors regarding educational progress and career planning, suspension hearings or any conferences with school officials relating to disciplinary actions. The term "hearing impaired" shall include any hearing impairment, whether permanent or fluctuating, which prevents meaningful participation in school meetings or activities.

Parents or guardians shall be notified of the availability of interpreter services to be provided at no charge, provided that a written request is made to the BOCES within fourteen (14) days of the scheduled event. Exceptions to the time frame request may be made for unanticipated circumstances as determined by the appropriate administrator. The BOCES shall also notify appropriate school personnel as to the terms and implementation of this policy.

If interpreter services are requested, the BOCES shall appoint an interpreter for the hearing impaired to interpret during the meeting or activity. The BOCES will arrange for interpreters through a BOCES-created list or through an interpreter referral service.

In the event that an interpreter is unavailable, the BOCES shall make other reasonable accommodations which are satisfactory to the parents or persons in parental relationship. Examples of what constitutes reasonable accommodations in the event an interpreter cannot be located may include, but are not limited to, the use of:

- a) Written communications, transcripts, notetakers, etc; and
- b) Technology, such as: a decoder or telecommunication device for the deaf, assistive listening devices, and closed or open captioning.

**SUBJECT: STUDENT RECORDS: ACCESS AND CHALLENGE****Student Records**

The Dutchess County BOCES shall comply with the provisions of the "Family Educational Rights and Privacy Act of 1974." Under its provisions, parents of a student under eighteen (18), or eligible students, have a right to inspect and review the education records of the student.

"Education records" means those records that are directly related to a student and are maintained by Dutchess County BOCES or by a party acting for Dutchess County BOCES.

"Parent" includes a natural parent, a guardian, or an individual acting as a parent in the absence of a parent or a guardian. Non-custodial parents are granted full rights under the Act unless Dutchess County BOCES has been provided with evidence of a court order, State statute or legally binding document relating to such matters as divorce, separation or custody that specifically revokes these rights.

"Eligible student" means a student who has reached 18 years of age or is attending an institution of postsecondary education.

**Access to Student Records**

The Board directs that administrative regulations and procedures be formulated to comply with the provisions of Federal Law relating to the availability of student records. The purpose of such regulations and procedures shall be to make available student records and files on students to parents or eligible students, and to insure the confidentiality of such records with respect to third parties.

**Challenge to Student Records**

Parents or eligible students shall have an opportunity for a hearing to challenge the content of the school records, to insure that the records are not inaccurate, misleading, or otherwise in violation of the privacy or other rights of students, and to provide an opportunity for the correction or deletion of any such inaccurate, misleading, or otherwise inappropriate data contained therein.

**Student Directory Information**

The BOCES shall annually inform parents or eligible students of their right to refuse the release of student directory information and indicate a time period for their response. Following such notice and a reasonable response period, the BOCES may release such information to an outside group without individual consent. In certain instances, directory information may be transmitted via electronic means (e.g., World Wide Web).

## **SUBJECT: CUSTODIAL/NONCUSTODIAL PARENTS**

Release of BOCES students in attendance at programs housed in buildings under the administrative control of Dutchess County BOCES component school districts, and access to their educational records, shall be in accordance with the applicable policies and/or procedures of the particular component school district.

In the event that the component school district has not adopted a policy or procedures on release of students or access to educational records by custodial/noncustodial parents, then Dutchess County BOCES staff shall act in accordance with the following:

### **Release of Information to Custodial/Noncustodial Parents**

When parents of a student are separated, involved in divorce proceedings, or are divorced, the building principal or program administrator may consider the rights of custodial and noncustodial parents to be equal with respect to access to the student's educational records unless Dutchess County BOCES has been provided with a certified copy of a court order or other legally binding document that specifically revokes these rights. This includes the right to inspect, review and receive copies of educational records, including progress reports.

The building principal or program administrator shall release such information upon request, in accordance with applicable law. If the custodial parent wishes to limit the noncustodial parent's access to records, it would be his/her responsibility to obtain and present to the building principal or program administrator a legally binding instrument that prevents the release of such information.

### **Access to/Release of Students to Custodial/Noncustodial Parents**

A non-custodial parent's participation in his or her child's education will be governed by the terms of any custody order. BOCES will not release students to a non-custodial parent without the custodial parent's consent. It is the parent's responsibility to inform the District if and when the child may be released to individuals other than the custodial parent in a form acceptable to the District.

Copies of authorizations, or certified copies of all legally binding documents pertaining to child custody and visitation including, but not limited to, Judgments of Divorce and Separation, temporary and permanent court orders, and legally enforceable written agreements between the parties will be maintained in the appropriate school office.

The Board directs the Superintendent or his/her designee to develop administrative regulations and procedures to implement this policy. Such regulations and procedures shall include:

**SUBJECT: MILITARY RECRUITERS' ACCESS TO SECONDARY SCHOOL STUDENTS  
AND INFORMATION ON STUDENTS**

In compliance with the Elementary and Secondary Education Act of 1965, as amended the No Child Left Behind Act of 2001 (NCLB); and the National Defense Authorization Act, and in accordance with the Family Educational Rights and Privacy Act (FERPA), the BOCES shall comply with a request by a military recruiter for secondary students' names, addresses, and telephone listings, **unless a parent has "opted out" of providing such information.**

Further, in compliance with the NCLB, the BOCES shall give military recruiters the same access to secondary school students as they provide to postsecondary institutions or to prospective employers.

Under FERPA, the BOCES must provide notice to parents of the types of student information that it releases publicly. This type of information, commonly referred to as "directory information," which is released by the BOCES includes -- but is not limited to -- such items as students' names, addresses, and telephone listings. The notice must include an explanation of a parent's right to request that the information not be disclosed without prior written parental consent; and further requires that parents be notified that the BOCES routinely discloses students' names, addresses, and telephone listings to military recruiters upon request, subject to a parent's request not to disclose such information without written parental consent.

A single notice provided through a mailing, student handbook, or other method that is reasonably calculated to inform parents of the above information is sufficient to satisfy the parental notification requirements of both FERPA and the NCLB. The notification shall advise the parent of how to opt out of the public, nonconsensual disclosure of directory information and the method and timeline within which to do so.

If a parent opts out of providing directory information (or any subset of such information) to third parties, the opt-out relating to their child's name, address, or telephone listing applies to request for military recruiters as well. For example, if the opt-out states that telephone numbers will not be disclosed to the public, the BOCES may not disclose telephone numbers to military recruiters.

The District Superintendent/designee shall ensure that appropriate notification is provided to parents informing them of their right to opt-out of the release of designated directory information without prior written parental consent.

## **SUBJECT: DESIGNATION OF PERSON IN PARENTAL RELATION**

In accordance with General Obligations Law Title 15-A, a parent of a minor or incapacitated person may designate another person as a person in parental relation to such minor or incapacitated person for certain health care and educational decisions for a period not exceeding six (6) months. However, such parental designation is conditioned upon there being no prior order of any court in any jurisdiction currently in effect that would prohibit the parent from himself/herself exercising the same or similar authority; and provided further that, in the case where a court has ordered that both parents must agree on education or health decisions regarding the child, a designation pursuant to this law shall not be valid unless both parents have given their consent.

The designation of a person in parental relation must be in writing in the form prescribed by General Obligations Law Title 15-A, and shall include specified information as enumerated in law for designations of thirty (30) days or less, as well as additional information required for designations of more than thirty (30) days. The designation of a person in parental relation may be presented to any school that requires such designation by either the parent or designee. The designation may specify a period of time less than six (6) months for which such designation shall be valid unless earlier revoked by the parent in accordance with law. *However, a designation specifying a period of more than thirty (30) days shall be notarized.*

If no time period is specified in the designation, it shall be valid until the earlier of revocation; or

- a) The expiration of thirty (30) days from the date of signature if the designation does not meet the requirements for designations of more than thirty (30) days, or
- b) Six (6) months from the date of commencement specified in the designation if the designation meets the requirements for designations of more than thirty (30) days.

### **Scope of Designation**

A designation made pursuant to this law may specify:

- a) The treatment, diagnosis or activities for which consent is authorized;
- b) Any treatment, diagnosis or activity for which consent is not authorized; or
- c) Any other limitation on the duties and responsibilities conveyed by the designation.

### **Revocation of Designation**

A parent may revoke a designation by notifying, either orally or in writing, the designee or a school to which the designation has been presented, or by any other act evidencing a specific intent to revoke the designation. A designation shall also be revoked upon the execution by the parent of a

**SUBJECT: DESIGNATION OF PERSON IN PARENTAL RELATION (Cont'd.)**

subsequent designation. Revocation by one parent authorized to execute such a designation shall be deemed effective and complete revocation of a designation pursuant to law.

A designee who receives notification from a parent of any such revocation shall immediately notify any school to which a designation has been presented. A parent may directly notify any such school of the revocation, in which case the failure of the designee to notify the school of such revocation shall not make revocation ineffective.

**Effect of Designation**

- a) A designee shall possess all the powers and duties of a person in parental relation pursuant to Public Health Law Sections 2164 and 2504 and Education Law Sections 2 and 3212, unless otherwise specified in the designation.
- b) A designation shall not impose upon a designee a duty to support pursuant to Family Court Act Section 413.
- c) A designation shall not cause a change in the school district of residence of the child for purposes of the Education Law, and during the period of validity of the designation, the child shall be presumed to be a resident of the school district in which the parent resided at the time the designation was made.
- d) A designation shall terminate and be revoked upon the death or incapacity of the parent who signed the designation.
- e) The decision of a designee shall be superseded by a contravening decision of a parent.

A person who acts based upon the consent of a designee reasonably and in the good faith belief that the parent has in fact authorized the designee to provide such consent may not be deemed to have acted negligently, unreasonably or improperly in accepting the designation and acting upon such consent. However, any such person may be deemed to have acted negligently, unreasonably or improperly if he/she has knowledge of facts indicating that the designation was never given, or did not extend to an act or acts in question, or was revoked.

No provision of Title 15-A of the General Obligations Law shall be construed to require designation of a person in parental relation as provided within the statute where such designation is not otherwise required by law, rule or regulation.

**SUBJECT: ACCIDENTS/FIRST AID TREATMENT****Accidents**

All accidents and injuries shall be immediately reported to the building principal or his/her designee who will take appropriate action to enable the student to obtain necessary assistance. All proper forms must be made out before the close of the same working day.

**First Aid**

The Board authorizes emergency first aid medical treatment to be rendered by appropriate personnel. A parent or guardian of the student will be promptly notified if any such measures are taken.

**Accident Insurance**

The BOCES may provide for student accident insurance for school age students enrolled in BOCES programs and not covered by family health insurance or their home school district. The insurance will be in the form of a standard, non-duplicative policy covering students who are injured during school functions as well as traveling to and from home and school.

The Board does not provide insurance covering privately owned equipment, tools or personal belongings. Students are encouraged to review their own family insurance relative to off-premise coverage of valuable items.

**Transporting an Ill or Injured Student**

In the event of a serious illness or an injury to a student, an ambulance may be called if warranted. The parent/guardian of the student and the home school district will be notified as soon as possible.

**SUBJECT: CHILD ABUSE**

The Dutchess County BOCES subscribes to all of the provisions of Title 6 - Child Protective Services of the Social Services Law (Sections 411-428). Our purpose is to provide protective services to abused and maltreated school-aged children as described by the law, and to make all school personnel within the BOCES aware of our legal responsibilities under this law.

- a) Mandatory reporting of child abuse/neglect;
- b) Reporting procedures and obligations of persons required to report;
- c) Provisions for taking a child into protective custody;
- d) Mandatory reporting of deaths;
- e) Immunity from liability and penalties for failure to report; and

**Child Abuse in an Educational Setting**

The BOCES is committed to the protection of students in educational settings from abuse and maltreatment by employees or volunteers as enumerated in law.

“Child abuse” shall mean any of the following acts committed in an educational setting by an employee or volunteer against a child:

- a) Intentionally or recklessly inflicting physical injury, serious physical injury or death; or
- b) Intentionally or recklessly engaging in conduct which creates a substantial risk of such physical injury, serious physical injury or death; or

**SUBJECT: CHILD ABUSE (Cont'd.)**

- c) Any child sexual abuse, defined as conduct prohibited by Article 130 or 263 of the Penal Law; or
- d) The commission or attempted commission against a child of the crime of disseminating indecent materials to minors pursuant to Article 235 of the Penal Law.

“Educational setting” shall mean the building(s) and grounds of the BOCES and BOCES programs; the vehicles under the authorization and supervision of the BOCES for the transportation of students to and from school buildings, field trips, co-curricular and extracurricular activities both on and off BOCES/school grounds; all BOCES co-curricular and extracurricular activity sites; and any other location where direct contact between an employee or volunteer and a child has allegedly occurred.

In any case where an oral or written allegation is made to a teacher, school nurse, school guidance counselor, school psychologist, school social worker, school administrator, Board member, or other school personnel required to hold a teaching or administrative license or certificate, that a child (defined in the law as a person under the age of 21 years enrolled in a school district in this state) has been subjected to child abuse by an employee or volunteer in an educational setting, that person shall upon receipt of such allegation:

- a) Promptly complete a written report of such allegation including the full name of the child alleged to be abused; the name of the child’s parent; the identity of the person making the allegation and their relationship to the alleged child victim; the name of the employee or volunteer against whom the allegation was made; and a listing of the specific allegations of child abuse in an educational setting. Such written report shall be completed on a form as prescribed by the Commissioner of Education.
- b) Except where the school/BOCES administrator is the person receiving such an oral or written allegation, the employee completing the written report must promptly *personally deliver* a copy of that written report to the school/BOCES administrator of the school in which the child abuse allegedly occurred.

In any case where it is alleged that a child was abused by a BOCES employee or volunteer of the BOCES, the report of such allegations shall be promptly forwarded to the Superintendent of all districts involved with that student and the BOCES District Superintendent whereupon, all School Superintendents involved shall comply with the reporting/notification requirements as mandated by law.

(Continued)

**SUBJECT: CHILD ABUSE (Cont'd.)**

Any employee or volunteer who reasonably and in good faith makes a report of allegations of child abuse in an educational setting in accordance with the reporting requirements of the law shall have immunity from civil liability which might otherwise result by reason of such actions.

Upon receipt of a written report alleging child abuse in an educational setting, the school administrator or Superintendent/District Superintendent must then determine whether there is "reasonable suspicion" to believe that such an act of child abuse has occurred. Where there has been a determination as to the existence of such reasonable suspicion, the school/BOCES administrator or Superintendent/District Superintendent must follow the notification/reporting procedures mandated in law and further enumerated in administrative regulations. When the school/BOCES administrator receives a written report, he/she shall promptly provide a copy of such report to the Superintendent/District Superintendent.

Where the District Superintendent has forwarded a written report of child abuse in an educational setting to law enforcement authorities, the District Superintendent shall also refer such report to the Commissioner of Education where the employee or volunteer alleged to have committed such an act of child abuse holds a certification or license issued by the State Education Department.

Any BOCES administrator or District Superintendent who reasonably and in good faith makes a report of allegations of child abuse in an educational setting, or reasonably and in good faith transmits such a report to a person or agency as required by law, shall have immunity from civil liability which might otherwise result by reason of such actions.

Reports and other written material submitted pursuant to law with regard to allegations of child abuse in an educational setting, and photographs taken concerning such reports that are in the possession of any person legally authorized to receive such information, *shall be confidential and shall not be redisclosed except* to law enforcement authorities involved in an investigation of child abuse in an educational setting or as expressly authorized by law or pursuant to a court-ordered subpoena. BOCES administrators and the District Superintendent shall exercise reasonable care in preventing such unauthorized disclosure.

Additionally, teachers and all other BOCES officials shall be provided an annual written explanation concerning the reporting of child abuse in an educational setting, including the immunity provisions as enumerated in law. Further, the Commissioner of Education shall furnish the BOCES with required information, including rules and regulations for training necessary to implement BOCES/staff responsibilities under the law.

(Continued)

**SUBJECT: CHILD ABUSE (Cont'd.)**

**Prohibition of “Silent” (Unreported) Resignations**

The District Superintendent and other BOCES administrators are prohibited from withholding from law enforcement authorities, the District Superintendent or the Commissioner of Education, where appropriate, information concerning allegations of child abuse in an educational setting against an employee or volunteer in exchange for that individual’s resignation or voluntary suspension from his/her position.

District Superintendents (or a designated administrator) who reasonably and in good faith report to law enforcement officials information regarding allegations of child abuse or a resignation as required pursuant to the law shall have immunity from any liability, civil or criminal, which might otherwise result by reason of such actions.

**SUBJECT: SEXUAL HARASSMENT OF STUDENTS**

The Board affirms its commitment to non-discrimination and recognizes its responsibility to provide for all District students an environment that is free of sexual harassment and intimidation. Sexual harassment is a violation of law and stands in direct opposition to District policy. Therefore, the Board prohibits and condemns all forms of sexual harassment by employees, BOCES volunteers, students, and non-employees such as contractors and vendors which occur on BOCES grounds and at all BOCES-sponsored events, programs and activities including those that take place at locations off BOCES premises. Generally, sexual harassment is defined as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct or communication of a sexual nature when:

- a) Submission to or rejection of such sexually harassing conduct and/or communication by a student affects decisions regarding any aspect of the student's education, including participation in school-sponsored activities;
- b) Conditions exist within the school environment that allow or foster obscene pictures, lewd jokes, sexual advances, requests for sexual favors or other harassing activities of a sexual nature; and
- c) Such conduct and/or communication has the purpose or effect of substantially or unreasonably interfering with a student's academic performance or participation in an educational or extracurricular activity, or creating an intimidating, hostile or offensive learning environment; and/or effectively bars the student's access to an educational opportunity or benefit.

The Board acknowledges that in determining whether sexual harassment has occurred the totality of the circumstances, expectations, and relationships should be evaluated including, but not limited to, the ages of the harasser and the victim; the number of individuals involved; and the type, frequency and duration of the conduct. The Board recognizes that sexual harassment can originate from a person of either sex against a person of the opposite or same sex, and from a third party such as a school visitor, volunteer, or vendor, or any other individual associated with the BOCES. Sexual harassment may occur from student-to-student, from staff-to-student, from student-to-staff, as well as staff-to-staff.

(Continued)

Students

**SUBJECT: SEXUAL HARASSMENT OF STUDENTS (Cont'd.)**

In order for the Board to enforce this policy, and to take corrective measures as may be necessary, it is essential that any student who believes he/she has been a victim of sexual harassment in the school environment, as well as any other person who is aware of and/or who has knowledge of or witnesses any possible occurrence of sexual harassment, immediately report such alleged harassment; such report shall be directed to or forwarded to the BOCES designated complaint officer(s) through informal and/or formal complaint procedures as developed by the BOCES. Such complaints are recommended to be in writing, although verbal complaints of alleged sexual harassment will also be promptly investigated in accordance with the terms of this policy. In the event that the complaint officer is the alleged offender, the report will be directed to the next level of supervisory authority.

Upon receipt of an informal/formal complaint, the BOCES will conduct a thorough investigation of the charges. To the extent possible, within legal constraints, all complaints will be treated as confidentially and privately as possible. However, disclosure may be necessary to complete a thorough investigation of the charges, and any disclosure will be provided on a "need to know" basis.

Based upon the results of the investigation, if the BOCES determines that an employee and/or student has violated the terms of this policy and/or accompanying regulations, immediate corrective action will be taken as warranted. Should the offending individual be a student, appropriate disciplinary measures will be applied, up to and including suspension, in accordance with BOCES policy and regulation, the Student Code of Conduct, and applicable laws and/or regulations. Should the offending individual be a school employee, appropriate disciplinary measures will be applied, up to and including termination of the offender's employment, in accordance with legal guidelines, BOCES policy and regulation, and the applicable collective bargaining agreement(s). Third parties (such as school volunteers, vendors, etc.) who are found to have violated this policy and/or accompanying regulations will be subject to appropriate sanctions as warranted and in compliance with law.

The Board prohibits any retaliatory behavior directed against complainants, victims, witnesses, and/or any other individuals who participated in the investigation of a complaint of sexual harassment. Follow-up inquiries shall be made to ensure that harassment has not resumed and that all those involved in the investigation of the sexual harassment complaint have not suffered retaliation.

Regulations will be developed for reporting, investigating and remedying allegations of sexual harassment. An appeal procedure will also be provided to address any unresolved complaints and/or unsatisfactory prior determinations by the applicable complaint officer(s).

Such regulations will be developed in accordance with federal and state law as well as any applicable collective bargaining agreement(s).

(Continued)

**SUBJECT: SEXUAL HARASSMENT OF STUDENTS (Cont'd.)**

The District Superintendent/designee(s) will affirmatively discuss the topic of sexual harassment with all employees and students, express the BOCES condemnation of such conduct, and explain the sanctions for such harassment. Appropriate training and/or "awareness" programs will be established for staff and students to help ensure knowledge of and familiarity with the issues pertaining to sexual harassment in the BOCES, and to disseminate preventative measures to help reduce such incidents of prohibited conduct. Furthermore, special training will be provided for designated supervisors and managerial employees, as may be necessary, for training in the investigation of sexual harassment complaints.

A copy of this policy and its accompanying regulations will be available upon request and may be posted at various locations in each school building. The BOCES' policy and regulations on sexual harassment will be published in appropriate school publications such as teacher/employee handbooks, student handbooks, and/or school calendars.

**SUBJECT: STUDENTS PRESUMED TO HAVE A DISABILITY FOR DISCIPLINE PURPOSES**

The parent of a student who has violated any rule or code of conduct of the BOCES and who was not identified as a student with a disability at the time of such behavior may assert several protections provided for under the Individuals with Disabilities Education Act (IDEA) and State regulations *if the BOCES is deemed to have had knowledge (as determined in accordance with law and/or regulations and referenced below) that the student was a student with a disability before the behavior that precipitated the disciplinary action occurred.*

**Basis of Knowledge**

The BOCES shall be deemed to have knowledge that the student had a disability if prior to the time the behavior occurred:

- a) The parent of the student has expressed concern in writing to supervisory or administrative personnel, or to a teacher of the student, that the student is in need of special education and related services. However, expressions of concern may be oral if the parent does not know how to write or has a disability that prevents a written statement;
- b) The parent of the student has requested an evaluation of the student; or
- c) A teacher of the student, or other BOCES personnel, has expressed specific concerns about a pattern of behavior demonstrated by the student, directly to the supervisory personnel in accordance with the BOCES established child find or special education referral system.

**Exception**

A student is not a student presumed to have a disability for discipline purposes if, as a result of receiving the information specified above (i.e., subheading "Basis of Knowledge"):

- a) The parent of the student has not allowed an evaluation of the student pursuant to law and/or regulations;
- b) The parent of the student has refused services under law and/or regulations; or
- c) The student has been evaluated and it was determined that the student is not a student with a disability.

(Continued)

**SUBJECT: STUDENTS PRESUMED TO HAVE A DISABILITY FOR DISCIPLINE PURPOSES (Cont'd.)**

**Responsibility for Determining Whether a Student is a Student Presumed to Have a Disability**

If it is claimed by the parent of the student or by BOCES personnel that the BOCES had a basis for knowledge, in accordance with law and/or regulation, that the student was a student with a disability prior to the time the behavior subject to disciplinary action occurred, it shall be the responsibility of the District Superintendent of Schools, Building Principal or other school official imposing the suspension or removal to determine whether the student is a student presumed to have a disability.

**Conditions That Apply if There is No Basis of Knowledge**

If it is determined that there is no basis for knowledge that the student is a student with a disability prior to taking disciplinary measures against the student, the student may be subjected to the same disciplinary measures as any other nondisabled student who engaged in comparable behaviors.

However, if a request for an individual evaluation is made during the time period in which such nondisabled student is subjected to a disciplinary removal, an expedited evaluation shall be conducted in accordance with law and/or regulations. Pending the results of the evaluation, the student shall remain in the educational placement determined by school authorities.

If the student is determined to be a student with a disability, taking into consideration information from the evaluation and information provided by the parents, the BOCES shall provide special education and related services in accordance with law and/or regulations.

The Board's position is that a student shall not be denied the right to attend school or continue his/her education who has been diagnosed or identified as having a positive blood test for the antibodies to the Human Immunodeficiency Virus (HIV). The Board further contends that under current law and regulations, the disclosure of confidential HIV-related information shall be strictly limited.

Administrative regulations and procedures shall be developed and implemented by the administration based on recommendations from the New York State Education Department and from consultation with appropriate professional and medical staff in the District.

**SUBJECT: ADMINISTERING MEDICATION**

Many students are on different types of medication for various reasons. Each teacher and aide should know which children they work with that are on medication and at what time they are to receive the medication. A list of these children who receive medication will be made available to the building administrator and the host building nurse by the special education teacher of each program and a proper process for use of the medication will be developed at each site.

Students who are required to take medication during school hours must provide the building administrator with a written parental/guardian request accompanied by written authorization by a licensed physician indicating frequency and dosage for such medication. Such written consent shall be on file with the school authorities. Medication is to be brought to the school health office in its original labeled container. Unless the student is properly designated, in accordance with State Education Department Guidelines, as being able to self-administer his/her own medication, students are to use the approved medication under direct supervision of an appropriate staff member.

Procedures for taking medications off school grounds or after school hours while participating in a school-sponsored activity will be in accordance with State Education Department Guidelines.

**Emergency Medication**

The administration of emergency medication (injectable and/or oral) to a student for extreme hypersensitivity may be performed by any school staff member responding to the emergency. Such a response would fall under the Good Samaritan exemption for rendering emergency care during a life threatening situation.

**The Use Of Inhalers In Schools**

BOCES permits students who have been diagnosed by a physician as having a severe asthmatic condition to carry and use a prescribed inhaler during the school day. Prior to permitting such use, the school health office must receive the written permission of the prescribing physician, and parental consent, based on such physician's determination that the student is subject to sudden asthmatic attacks severe enough to debilitate that student.

A record of such physician/parental permission shall be maintained in the school office.

Health office personnel will maintain regular parental contact in order to monitor the effectiveness of such self-medication procedures and to clarify parental responsibility as to the daily monitoring of their child to ensure that the medication is being utilized in accordance with the physician's instructions. Additionally, the student will be required to report to the health office on a

Students who self-administer medication without proper authorization, under any circumstances, will be referred for counseling by school nursing personnel. Additionally, school administration and parents will be notified of such unauthorized use of medication by the student, and school administration may also be involved in determining the proper resolution of such student behavior.

## SUBJECT: HAZING OF STUDENTS

The BOCES is committed to providing a safe, productive and positive learning environment within its schools. Hazing activities are demeaning, abusive and/or illegal behaviors that harm victims, and are inconsistent with the educational goals of the BOCES by negatively impacting the school environment. Hazing of a student by another student or group of students is strictly prohibited on BOCES property; in BOCES buildings; on BOCES buses; by BOCES sponsored groups, clubs or teams; and at BOCES sponsored events and/or activities whether occurring on or off-campus. Hazing of a student refers to soliciting, encouraging, aiding, or engaging in "hazing" behavior as defined pursuant to BOCES policy, regulation and/or law. The Board shall require the prohibition of hazing - along with the range of possible intervention activities and/or sanctions for such misconduct - to be included in the BOCES *Code of Conduct* for all grade levels.

For purposes of this policy, the term *"hazing" among students is defined as any humiliating or dangerous activity expected of a student to join a group, regardless of their willingness to participate.* Hazing behaviors include, but are not limited to, the following general categories:

- a) Humiliation: socially offensive, isolating or uncooperative behaviors.
- b) Substance abuse: abuse of tobacco, alcohol or illegal drugs.
- c) Dangerous hazing: hurtful, aggressive, destructive, and disruptive behaviors.

Incorporated within this definition are various forms of physical, emotional and/or sexual abuse which may range in severity from teasing/embarrassing activities to life threatening actions.

Even if the hazing victim participated "willingly" in the activity, or there was no "intent" by the hazer to harm or injure another individual, hazing is still hazing and against BOCES policy, the BOCES *Code of Conduct* and may be in violation of New York State Law. However, hazing of students does not need to rise to the level of criminal activity for such conduct to be in violation of BOCES rules and subject to appropriate disciplinary sanctions. Any hazing activity, whether by an individual or a group, shall be presumed a forced activity and in violation of BOCES policy, regardless of the "willingness" of the student to participate.

Any student who believes that he/she is being subjected to hazing behavior, as well as students, BOCES employees or third parties who have knowledge of or witness any possible occurrence of hazing, shall report the incident to any staff member or the building principal. Anonymous student complaints of hazing behavior will also be investigated by the BOCES. The staff member/building principal to whom the report is made (or the staff member/building principal who witnesses hazing behavior) shall investigate the complaint/incident and take appropriate action to include, as necessary, referral to the next level of supervisory authority and/or other official designated by the BOCES to investigate allegations of hazing. Investigations of allegations of hazing shall follow the procedures utilized for complaints of harassment within the BOCES. Allegations of hazing shall be promptly investigated and will be treated as confidential and private to the extent possible within legal constraints.

**SUBJECT: HAZING OF STUDENTS (Cont'd.)**

## **Prohibition of Retaliation**

The Board prohibits any retaliatory behavior directed against complainants, victims, witnesses, and/or any other individuals who participate in the investigation of allegations of hazing. Follow-up inquiries and/or appropriate monitoring of the alleged hazer(s) and victim(s) shall be made to ensure that hazing behavior has not resumed and that all those involved in the investigation of allegations of hazing have not suffered retaliation. Any act of retaliation is subject to appropriate disciplinary action by the BOCES.

## **Knowingly Makes False Accusations**

Students who *knowingly* make false accusations against another individual as to allegations of hazing may also face appropriate disciplinary action.

## **BOCES Responsibility/Training**

Personnel at all levels are responsible for taking corrective action to prevent hazing behavior of which they have been made aware at BOCES sites; by school sponsored groups, clubs or teams; and at BOCES sponsored events and/or activities whether occurring on or off-campus. Further, as may be applicable, personnel are to report such hazing behavior to their immediate supervisor. Staff training shall be provided to raise awareness of the problem of hazing within the schools and to facilitate staff identification of, and response to, such hazing behavior among students.

Prevention and intervention techniques within the BOCES to help prevent hazing behavior and to support and protect victims shall include building-level and classroom-level strategies and activities as determined by administration. Individual intervention will be provided by appropriate staff members to hazers, victims and their parents to help ensure that the hazing stops.

Disciplinary sanctions for violation of this policy shall be outlined in the BOCES *Code of Conduct* and may also be incorporated in staff and student handbooks. In addition, allegations of hazing behavior may result in referral to law enforcement officials as necessary.

**SUBJECT: NOTIFICATION OF SEX OFFENDERS**

In accordance with the Sex Offender Registration Act (“Megan’s Law”), the Board of Cooperative Education Services supports the New York State Department of Criminal Justice Services (DCJS) in its effort to inform the community in certain circumstances of the presence of individuals with a history of sex offenses, particularly against children, in the school locality. This policy is enacted in order to minimize the possibility that the sex offender will come in contact with school-age children, and to assist law enforcement agencies in preventing further criminal activity from occurring. Furthermore, the BOCES shall cooperate with local police authorities and the local community in promoting and protecting the safety and well being of its students.

It is the policy of the BOCES to disseminate all information which the BOCES receives from local police authorities in conjunction with Megan’s Law to designated staff members who might have possible contact with the offender during the course of their school duties including, but not limited to, building principals, supervisors, teachers, office personnel, and custodians. The District Superintendent reserves the right to automatically disseminate such information to additional members of the staff, designated supervisors of non-school groups that regularly use BOCES facilities and have children in attendance, parents/guardians of BOCES students, and other community residents who, in the opinion of the District Superintendent, have an immediate need to be notified of such data in order to protect the safety of our students.

Information that is disseminated to the BOCES pursuant to Megan’s Law may be disclosed or not disclosed by the BOCES in its discretion. In situations where BOCES personnel work in component school district classrooms or programs, the policy for that school district relating to notification of sex offenders will prevail.

Staff members shall inform their immediate supervisor if they observe within the school building, on school grounds, at school activities, or at or near bus routes any individual whose description matches the information which was provided to the BOCES by local law enforcement authorities. Such law enforcement officials will be notified of this information by the BOCES as appropriate.

Any information which the BOCES receives regarding a sex offender from a source other than the Sex Offender Registry, and which is maintained independent of the requirements of Megan’s Law, will be available from the BOCES, upon written request, in accordance with the requirements of the Freedom of Information Law.

**Implementation**

Administrative regulations shall be developed to implement this policy.

DEVELOPMENT AND PROVISION**

Any copy of a student's IEP shall remain confidential in compliance with the Individuals with Disabilities Education Act, the Family Educational Rights and Privacy Act, and BOCES policy regarding confidentiality of student records; and shall not be disclosed to any other person other than the parent of such student, except in accordance with federal and state laws and/or regulations. Appropriate training and information will be provided to designated BOCES personnel, as applicable, to ensure the confidentiality of such information. Procedures will be established to ensure that copies of students' IEPs are stored in secure locations and retrieved or destroyed when such professionals are no longer responsible for implementing a student's IEP.

Each teaching assistant, teacher aide and other provider responsible for assisting in the implementation of a student's IEP shall have the opportunity to review a copy of the student's IEP (including amendments) prior to the implementation of such program. Further, each teaching assistant, teacher aide and such other provider responsible for assisting in the implementation of a student's IEP shall have ongoing access to a copy of the IEP, which may be the copy provided to the student's special education teacher or the teacher or related service provider under whose direction the supplementary school personnel or other provider works.

A copy of a student's IEP shall be provided to the student's parents at no cost to the student's parents.

**SUBJECT: APPOINTMENT AND TRAINING OF COMMITTEE ON  
PRESCHOOL SPECIAL EDUCATION (CPSE) MEMBERS**

**Committee on Preschool Special Education (CPSE) Membership**

The Board of Trustees shall appoint a Committee on Preschool Special Education (CPSE) whose membership shall include, but not be limited to, the following members:

- a) The parent(s) of the preschool child. To ensure that one or both parents are present at each CPSE meeting, the BOCES and the parent(s) may agree to use alternative means of participation such as video conferences or conference phone calls;
- b) Not less than one (1) regular education teacher of such child (if the child is, or may be, participating in the regular education environment);
- c) Not less than one (1) special education teacher of the child or, where appropriate, not less than one (1) special education provider (i.e., related service provider of such child);
- d) A representative of the BOCES who is qualified to provide, or supervise the provision of, special education and who is knowledgeable about the general education curriculum and about the availability of preschool special education programs and services and other resources of the BOCES and the municipality (who shall serve as Chairperson of the CPSE);
- e) An individual who can interpret the instructional implications of evaluation results, who may be a member of the team selected from the regular education teacher, the special education teacher or provider, the school psychologist, the BOCES representative described above, or a person having knowledge or special expertise regarding the student as determined by the BOCES;
- f) At the discretion of the parent or the BOCES, other individuals who have knowledge or special expertise regarding the child, including related services personnel as appropriate. The determination of knowledge or special expertise shall be made by the party (parents or BOCES) who invited the individual to be a member of the committee;
- g) An additional parent of a child with a disability who resides in the BOCES, and whose child is enrolled in a preschool or elementary level education

program provided that such parent shall not be employed by or under contract with the BOCES; and provided further that such parent shall not be a required member unless the parents of the child or a member of the CPSE request, in writing at least seventy-two (72) hours prior to such meeting, that the additional parent member participate in the meeting. The parents or other person in parental relation shall receive proper written notice of their right to have an additional parent attend any meeting of the committee regarding the student along with a statement, prepared by NYSED, explaining the role of having the additional parent attend the meeting;

- h) For a child's smooth transition from early intervention in programs and services (Infant and Toddler Programs), at the request of the parent/person in parental relation, the appropriate professional designated by the agency that has been charged with the responsibility for the preschool child; and
- i) A representative from the municipality of the preschool child's residence. Attendance of the appointee of the municipality is not required for a quorum.

However, except for the parents/persons in parental relation and the appointee from the municipality ( a) and i) above) a member of the CPSE is not required to attend a meeting of the team in whole or in part if the parent/person in parental relation and the BOCES agree in writing that the attendance is not necessary because the member's area of the curriculum or related services is not being modified or discussed at that meeting.

Additionally, a member as described in letters b) through h) of this subheading may be excused from attending the CPSE meeting, in whole or in part, if the parent/person in parental relation to the student with a disability and the BOCES agree, in writing to the excusal not less than five (5) calendar days prior to the meeting date, that the attendance of the member is not necessary because:

- a) The member's area of the curriculum or related services is being modified or discussed in the meeting but, not less than five (5) calendar days prior to the meeting, the excused member has submitted to the parents/persons in parental relation and the CSE written input into the development of the IEP, particularly with respect to the area of curriculum or related services; or

**SUBJECT: APPOINTMENT AND TRAINING OF COMMITTEE ON PRESCHOOL SPECIAL EDUCATION (CPSE) MEMBERS (Cont'd.)**

- b) The committee member is unable to attend due to an emergency or unavoidable scheduling conflict and the BOCES submits the written input listed in a) above to the parents/persons in parental relation within a reasonable time prior to the meeting and prior to obtaining written consent to the excusal by the parents/persons in parental relation.

**Training**

The training of qualified personnel is essential to the effective implementation of the Regulations of the Commissioner of Education regarding the education of all students with disabilities.

Appropriate training will be provided to all BOCES personnel responsible for carrying out the provisions of Part 200 of the Commissioner's Regulations as well as members of the Committee on Preschool Special Education.

**SUBJECT: SAFE PUBLIC SCHOOL CHOICE OPTION TO STUDENTS WHO ARE VICTIMS OF A VIOLENT CRIMINAL OFFENSE**

Any BOCES student who is a victim of a violent criminal offense, as defined pursuant to Education Law and Commissioner's Regulations, that occurred on the grounds of the BOCES school that the student attends, shall be allowed to attend a safe public school within the BOCES to the extent required by the federal No Child Left Behind Act (NCLB) and state law and regulations.

In accordance with Commissioner's Regulations, a "safe public school shall mean a public school that has not been designated by the Commissioner [of Education] as a persistently dangerous public elementary or secondary school."

**Violent Criminal Offense**

The superintendent shall determine if the student has been the victim of a "violent criminal offense." "Violent criminal offense" means a crime that:

- a) Involves infliction of a serious physical injury upon another as defined in New York State Penal Law Section 10.00(10); or
- b) A sex offense that involves forcible compulsion; or
- c) Any other offense defined in State Penal Law Section 10.00(12) that involves the use or threatened use of a deadly weapon.

**Determination Whether Student is a Victim**

Procedures shall be established for determination by the District Superintendent of whether a student is a victim of a violent criminal offense that occurred on school grounds of the school the student attends. The District Superintendent shall, prior to making any such determination, consult with any law enforcement agency investigating the alleged violent criminal incident and consider any reports or records provided by such agency. However, a criminal conviction is not required prior to the District Superintendent's determination that a student has been a victim of a violent criminal offense. The District Superintendent may also consult with the BOCES' attorney prior to making such determination.

The District Superintendent's determination may be appealed to the Board. However, this determination will not preclude any student disciplinary proceeding brought against the alleged victim or perpetrator of such violent criminal offense.

**SUBJECT: SAFE PUBLIC SCHOOL CHOICE OPTION TO STUDENTS WHO ARE VICTIMS OF A VIOLENT CRIMINAL OFFENSE (Cont'd.)****Notice to Parents/Persons in Parental Relation**

A BOCES that is required to provide school choice in accordance with applicable provisions of the federal No Child Left Behind Act of 2001, Education Law and Commissioner's Regulations, shall establish procedures for notification of parents of, or persons in parental relation to, students who are victims of violent criminal offenses of their right to transfer to a safe public school within the BOCES and procedures for such transfer. Such notice shall be, to the extent practicable, provided in the dominant language or mode of communication used by the parents or persons in parental relation to such student. The BOCES shall so notify the parents of, or persons in parental relation to, such student within twenty-four (24) hours of the determination that the student has been the victim of a violent criminal offense on school grounds at the school he/she attends.

Written notice shall be provided by personal delivery, express mail delivery, or equivalent means reasonably calculated to assure receipt of such notice within twenty-four (24) hours of such determination at the last known address or addresses of the parents/persons in parental relation to the student. Where possible, notification shall also be provided by telephone if the school has been provided with a telephone number(s) for the purpose of contacting parents/persons in parental relation.

However, **such notification shall not be required** where there are no other public schools within the BOCES at the same grade level or a transfer to a safe public school within the BOCES is otherwise impossible. Similarly, procedures for such notification of parents/persons in parental relation to students who are victims of violent criminal offenses shall not be required where the BOCES has only one public school within the BOCES or only one public school at each grade level.

**Designation of Safe Public School**

It shall be the responsibility of the BOCES, based on objective criteria, to designate a safe public school or schools within the BOCES to which students may transfer. However, the BOCES is not required to designate a safe public school where there are no other public schools within the BOCES at the same grade level or transfer to a safe public school within the BOCES is otherwise impossible. Similarly, if the BOCES has only one public school within the School System or only one public school at each grade level, the BOCES shall not be required to designate a safe public school.

**SUBJECT: SAFE PUBLIC SCHOOL CHOICE OPTION TO STUDENTS WHO ARE VICTIMS OF A VIOLENT CRIMINAL OFFENSE (Cont'd.)**

Any student who transfers to a safe public school, in accordance with the provisions of this policy and applicable law and regulation, shall be enrolled in the classes and other activities of the public school to which such student transfers in the same manner as all other students at the public school. The receiving school shall be identified by the BOCES and must be at the same grade level as the school from which the student is transferring. To the extent possible the BOCES shall allow transferring students to transfer to a school that is making adequate yearly progress and has not been identified as requiring school improvement, corrective action, or restructuring. The BOCES shall provide transportation for any student permitted to transfer to the safe public school within the BOCES designated by the School System within the transportation limits established pursuant to Education Law Sections 3635 and 4401(4). Any student who transfers to a safe public school shall be permitted to remain in such safe public school until the student has completed the highest grade level in the school transferred to, or for such other period prescribed by the U.S. Department of Education, whichever is less.

While the parents/persons in parental relation to the student must be offered the opportunity to transfer their child, they may elect to have the child remain at the school he/she currently attends.

## **SUBJECT: STUDENT HEALTH RECORDS**

The School shall keep a convenient, accurate, and up-to-date health record of every student. Insofar as the health records include confidential disclosures or findings, they shall be kept confidential.

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of students' "education records." For Pre-K through grade 12 students, health records maintained by the School District, including immunization records and school nurse records, generally are considered "education records" subject to FERPA. In addition, records that the District or School maintains on special education students, including records on services provided to students under the Individuals with Disabilities Education Act (IDEA) are considered "education records" under FERPA because they are:

- a) Directly related to a student;
- b) Maintained by the School or a party acting for the School; and
- c) Not excluded from the definition of "education records."

Since student health and medical information in education records is protected by FERPA, the Health Insurance Portability and Accountability Act of 1996 (HIPAA) Privacy Rule excludes such information from its coverage.

Generally, these records may not be shared with third parties without written parental consent unless the disclosure meets one of the exceptions to FERPA's general consent requirement. One exception permits the disclosure of education records, without parental consent, to appropriate parties in connection with an emergency, if knowledge of the information is necessary to protect the health or safety of the student or other individuals.

Parents have a right under FERPA to inspect and review those health and medical records that are considered "education records" under FERPA. Individual records may be interpreted by the school's registered professional nurse to administrators, teachers and other school officials, consistent with law.

**SUBJECT: CENSORSHIP OF NON-SCHOOL STUDENT PUBLICATIONS**

It is the purpose of this policy to promote the best interest and ensure the well being of every student in the Dutchess County BOCES by preventing substantial disruption and/or material interference with school activities and with the general operation of the schools by forbidding publication and/or distribution of literature which contains libelous, obscene, profane statements, prejudicial statements, as well as statements which advocate breaking of state and federal laws as well as school regulations.

The Board, however, does recognize the right of its students to publish or distribute newspapers, magazines and other literature not sanctioned by BOCES. However, BOCES has no responsibility to assist students in the publication of such literature, nor does this Board assume any responsibility for any statements published therein.

The Board permits the distribution of such materials within its schools and on BOCES property only after it has been submitted for administrative review and approval. The Board directs the BOCES Superintendent or his/her designee in keeping with the requirements of the law, to prepare administrative regulations which establish guidelines for students seeking approval for the distribution of non-school publications.

## **SUBJECT: FIRE DRILLS AND BOMB THREATS**

### **Fire and Emergency Drills**

The administration of each school building shall provide instruction for and training of students, through fire and emergency drills, in the event of sudden emergency.

Fire and emergency drills shall be held at least twelve times in each school year; eight of these shall be evacuation drills and will be completed by December 31. Four of these eight required drills will be through use of the fire escapes on buildings where fire escapes are provided or identified secondary exits, and the other four drills will be lock-down drills. Drills will be conducted at different times of the school day. Students will also be instructed on the procedures to be followed in the event the fire occurs during the regular school lunch period or assembly, however, this additional instruction may be waived if a drill is held during the regular lunch period or assembly.

At least two additional drills shall be held during summer school in buildings where summer school is conducted and one of these drills shall be held during the first week of summer school.

### After-School Programs

The building principal of BOCES owned facilities or his/her designee shall require those in charge of after-school programs, attended by any individuals unfamiliar with the school building, to announce at the beginning of such programs the procedures to be followed in the event of an emergency.

### **Bomb Threats**

#### School Bomb Threats

A bomb threat, even if later determined to be a hoax, is a criminal action. No bomb threat should be treated as a hoax when it is first received. BOCES has an obligation and responsibility to ensure the safety and protection of the students and other occupants upon the receipt of any bomb threat. This obligation must take precedence over a search for a suspect object. Prudent action is dependent upon known information about the bomb threat - location, if any; time of detonation; etc. Specific procedures as to appropriate responses as a result of a bomb threat can be located in the building-level emergency response plan, as required by relevant law and regulations.

## **SUBJECT: FIRE DRILLS AND BOMB THREATS (Cont'd.)**

### Police Notification and Investigation

A bomb threat to a school is a criminal act, which is within the domain and responsibility of law enforcement officials. Appropriate State, county, and/or local law enforcement agencies must be notified of any bomb threat as soon as possible after the receipt of the threat. Law enforcement officials will contact, as the situation requires, fire and/or county emergency coordinators according to the county emergency plan.

Therefore, the building administrator or designee is to notify local law enforcement officials and follow established procedures to move all occupants out of harm's way.

### Implementation

The Board directs the BOCES Superintendent or his/her designee to develop administrative regulations to implement the terms of this policy. Additionally, such regulations are to be incorporated in the District-wide school safety plan, with provisions for written notification by October 1 of each school year to all students and staff about emergency procedures, an annual emergency drill, and the annual review of the District-wide school safety plan and building-level emergency response plan as mandated pursuant to law and/or regulation.

**SUBJECT: STUDENTS WITH DISABILITIES**

The Dutchess County BOCES recognizes the existence of individual differences in the intellectual, social, emotional and physical development of children attending school in the component districts. In recognizing these differences the Board supports a system of services offered to our component districts for students with disabilities.

**Program Accessibility**

The Board affirms its compliance with those sections of the Rehabilitation Act of 1973 dealing with program accessibility.

Section 504 of the Rehabilitation Act prohibits discrimination against qualified individuals with disabilities in federally assisted programs or activities solely on the basis of disability. The BOCES shall make its programs and facilities accessible to all its students with disabilities.

The BOCES official responsible for coordination of activities relating to compliance with Section 504 is the BOCES District Superintendent or designee. He/she shall provide information, including complaint procedures, to any person who feels his/her rights under Section 504 have been violated by the BOCES or its officials.

All students with disabilities shall be provided with full access and opportunity to participate in BOCES programs and extracurricular activities which are available to all other students enrolled in the Dutchess County BOCES. **SUBJECT: DISCIPLINE OF STUDENTS WITH DISABILITIES**

Generally, should a student with a disability infringe upon the established rules of BOCES, disciplinary action shall be in accordance with procedures set forth in the Student Conduct and Discipline Code and in conjunction with applicable law and the determination of the Committee on Special Education. In the case of suspension of a student who has been identified as having a disability, determination has to be made regarding whether or not the suspension is related to the disability; as such, a referral must be made to the Committee on Special Education for a consideration for change of placement. BOCES must ensure that no student with a disability is suspended in excess of ten (10) cumulative days, unless otherwise permitted by law, without a referral to the Committee on Special Education.

**SUBJECT: TIME OUT ROOMS**

The Board acknowledges that behavior management practices for students may sometimes include the use of time out rooms. A time out room is an area for a student to safely de-escalate, regain control and prepare to meet expectations to return to the educational program. Time out rooms are to be used in conjunction with a therapeutic behavior management intervention in which a student is removed to a supervised area in order to facilitate self control or to remove a student from a potentially dangerous environment. A time out room shall only be used in conjunction with a behavior management program which teaches and reinforces acceptable behaviors.

Section 100.2 of the Regulations of the Commissioner of Education state that it is the policy of the State Education Department that each school which uses a time out room as part of its behavior management approach should include in their school conduct and discipline policy procedures to insure that such rooms represent therapeutic and safe intervention. In *Honig V. Doe*, 108 S. Ct. 392 (1988), the United States Supreme Court sanctioned the use of other normal disciplinary procedures for students who are dangerous to themselves or others, including “the use of student carrels, time out, detentions, or the restriction of privileges.

Students who violate the school’s conduct and discipline code, as well as any applicable laws and regulations, and whose behavior management plan permits the use of a time out room may be assigned time out by the administration or instructional staff. Students shall be placed in the Time Out Room only after all established alternative methods for controlling their behavior have failed and the students exhibit high-intensity behavior, (i.e., kicking, screaming, hurting themselves or other students, teachers and other staff members.)

School administrators and staff will be provided in-service training on the policies and procedures related to the use of time out rooms and related behavior management practices.

A time out room must include a means for continuous monitoring of the student, both visually and aurally. The time out room must be of an adequate size (width, length and height) to allow the student to move about and recline comfortably. The ceiling height must be consistent with the ceiling height throughout the building. Wall and floor coverings should be designed to prevent injury. There should be adequate lighting and ventilation and the temperature of the room should be within the normal comfort range and consistent with the rest of the building. The room must be clean and free of objects and fixtures that could be potentially dangerous to a student and must meet all local fire and safety codes.

The time out room must be unlocked and the door must be able to be opened at will from the inside at all times. The use of locked rooms or spaces for the purposes of time out is prohibited. To insure a student’s safety, staff assigned to monitor the time out room must be able to see and hear the student at all times. Individual determinations will be necessary to assess a student’s need for direct adult supervision in the time out room.

(Continued)

## Instruction

**SUBJECT: TIME OUT ROOMS (Cont'd.)**

A time out log shall be maintained for each use of the time out room to monitor the effectiveness of the time out procedure to decrease specified behaviors. Pertinent information to consider includes but is not limited to the following: the student's name; the factors precipitating the time out intervention; the time the student entered and exited the time out room; and name(s) of the staff member(s) who initiated the time out room placement, supervised the student during the time out procedure, and removed the student from the time out room.

When the behavior management plan for a student with a disability includes the use of a time out room, this must be specified in the student's Individualized Education Program Data on the use of the time out room by a student, as described in the physical and monitoring requirements noted above, must be included in the materials reviewed by the Committee on Special Education or the Committee on Preschool Special Education.

The amount of time a student will need to be in a time out room will vary with the student's age, individual needs and behavior management plan. Time limits for student placement in a time out room are to be based on an initial formula of approximately 1 minute per year of chronological age, for a maximum of 15 minutes per offense. Circumstances requiring additional time for the student to regain control must be documented. Staff are required to monitor the amount of time that a student is in a time out room in order to insure that a time out room is not being used to the detriment of a student's educational program.

Parents/legal guardians shall be informed by the building principal and his/her designee prior to the initiation of a behavioral intervention for their child which will incorporate the use of a time out room. Upon request, parents/legal guardians will be shown the physical space that will be used for time out. Each room shall provide parents/legal guardians with a copy of the District's policy on the use of time out rooms.

The Board will review this policy on an annual basis and amend it when appropriate.

**SUBJECT: CAREER AND TECHNICAL EDUCATION****Equal Opportunity**

The Dutchess County BOCES shall not discriminate on the basis of age, sex, race, color, creed, religion, national origin, political affiliation, marital status, veteran status or disability in any career education program or activity of this BOCES.

The career program and/or activities shall be readily accessible to students with disabilities.

**Public Notification**

Prior to the beginning of each school year or academic semester, the Dutchess County BOCES shall issue an appropriate public announcement which advises students, parents, employees and the general public that career education opportunities will be offered without regard to sex, race, color, national origin or disability. Included in such announcement will be the name, address, and telephone number of the person designated to coordinate Title IX/Section 504/ADA activities.

**Grievance Procedure**

Grievance procedures for resolving complaints regarding discrimination based on sex and/or disability shall be disseminated to adequately inform students, parents and employees of the existence of these procedures.

**Adult Students in Career Education Classes**

It is the policy of the Dutchess County BOCES to accept adult students only when such enrollment does not exclude regular, daytime high school students. See Policy #7131 -- BOCES Adult Differential Tuition Guidelines.

## Instruction

**SUBJECT: BOCES ADULT DIFFERENTIAL TUITION GUIDELINES**

Chapter 753 of the Laws of 1986 authorized BOCES to establish a differential tuition rate for adults to participate in career and technical education programs.

Adult is defined as “any person under the age of 21 who has received a high school diploma or any person 21 years of age or older, whether or not they have received a high school diploma.”

Adults may only participate, at the reduced rate, in currently scheduled career and technical education programs with assigned instructional staff. Adults may be awarded a certificate of completion for such training, however, they may not earn credit towards a high school diploma.

To determine if there is space available in appropriate BOCES classes, class enrollments will be reviewed one week prior to the beginning of the class to determine if vacancies in such classes exist. If vacancies exist, interested adults will be enrolled in such classes as long as the adults do not comprise more than fifty percent of the total class enrollment.

## Instruction

**SUBJECT: EVALUATION OF INSTRUCTIONAL PROGRAMS AND SERVICES**

Evaluation may be concerned with the extent to which:

- a) Each staff member performs at full potential;
- b) Each student attending BOCES programs achieves in accordance with his/her ability;
- c) The total learning environment, including institutional processes, physical facilities, and the students, contributes to the accomplishment of the goals of the BOCES.

The Board expects staff members to maintain a continual program of evaluation at every level to determine the extent of progress toward the BOCES objectives. The Board will periodically request the Superintendent to present factual information which it considers necessary to evaluate the effectiveness of the BOCES instructional program.

**SUBJECT: INSTRUCTION FOR STUDENTS WITH LIMITED ENGLISH PROFICIENCY**

The Board recognizes its responsibility to ensure that students of foreign birth or ancestry, who have limited English proficiency, are provided with an appropriate program of bilingual transitional education or a free-standing program of instruction composed of English as a Second Language component. Regulations and procedures shall be developed pursuant to the Regulations of the Commissioner to:

- a) Identify those students with limited English proficiency by means of a diagnostic screening of new entrants and provide a program of bilingual education or English as a Second Language for eligible students. A plan shall be developed to meet the educational needs of each student and proficiency will be measured annually by a language assessment instrument in order to determine further participation by a student. The plan will include assessment of each student's performance in content areas to measure the student's academic progress. State mandated tests may be offered in a student's native language.
- b) Ensure that such students have access to appropriate instructional and support services, including guidance programs pursuant to Commissioner's Regulations, and the opportunity to participate in BOCES educational programs, including all existing extracurricular programs and activities, which are available to all other students enrolled in BOCES courses and/or programs.

A student whose score on an English language assessment instrument as specified in Section 154.2(a) of the Commissioner's Regulations is a result of a disability shall be provided special education programs and services in accordance with the individualized education program (IEP) developed for such student and shall also be eligible for services pursuant to Part 154 of the Commissioner's Regulations when these services are recommended in the IEP.

The parent/guardian of a student identified as limited English proficient shall be informed in his/her native language, if necessary, of the student's placement in an instructional program.

The BOCES Superintendent shall ensure that all data required by the Commissioner's Regulations is submitted to the State Education Department in a timely manner.

**SUBJECT: INSTRUCTIONAL TECHNOLOGY**

The Board recognizes its responsibility to further the BOCES educational goals through the use of appropriate and high quality technological materials and equipment. For the purpose of this policy, technology refers to computers, interactive videodiscs, Compact Disc-Read Only Memory (CD-ROM) devices, local area networks, satellite transmission and other telecommunications equipment.

Continuing advances in technology are bringing about changes that have an increasing impact on the way we obtain, process, evaluate and use information. Therefore, the BOCES is committed to:

- a) A comprehensive staff development program to ensure appropriate and effective use of technology.
- b) The preparation of students to utilize multiple types of technology.
- c) The integration of technology within and across all curriculum areas.
- d) The equitable distribution and access to technological equipment and materials for all students.
- e) The promotion of technology as an alternative to traditional methods of gathering, organizing and synthesizing information.
- f) The provision of sufficient funds, within the budgetary constraints of the Board, for the implementation of technology instruction.

The Board directs the BOCES Superintendent or his/her designee to assess the technological needs of the BOCES instructional program, research and review current materials and make recommendations to the Board.

**SUBJECT: USE OF COMPUTERS AND NETWORKED INFORMATION RESOURCES (INTERNET USE)**

The Dutchess County BOCES is committed to the optimization of student learning and teaching and therefore encourages the use of computers and networked resources, including the Internet (a global network made up of smaller contributing networks). The BOCES encourages computer network use as an integral part of the curriculum. Through software applications, on-line databases, bulletin boards and electronic mail, the network will enhance educational experience and provide statewide, national, and global communication opportunities for staff and students.

Networked computers with access to the Internet are subjected to technology protection measures (i.e. web content filter) in order to protect against user access to images and materials that are obscene and child pornography (as those terms are defined under federal law), and in the case of users who are under age 17, additionally protect against access to images and materials that are harmful to minors as the term is defined under federal law. When access is needed for bona fide research or other lawful purposes, these technology protection measures may be disabled.

The use of school computers, software, network resources and/or the Internet for noneducational purposes such as for profit activity, personal business or illegal activity is prohibited.

Each student or staff member who wishes to use the various schools' networks must establish a user (ID) account in order to assure the integrity of the network and Internet in Dutchess County BOCES. Each account holder must agree to act responsibly and to comply with this Policy and the Administrative procedures promulgated by the District Superintendent regarding access to and use of computers and networked information resources.

Any account user who, after due process has been afforded, is determined to have used BOCES' computers, networked information resources and/or the Internet in violation of this Policy and its administrative procedure may have his/her user account suspended and/or revoked. Also, a breach of the terms of this Policy and Administrative procedures may result in disciplinary action consistent with applicable laws and regulations, the Student Code of Conduct and collective bargaining agreements. A breach of the terms of this Policy and Administrative procedures may further result in a referral to appropriate law enforcement officials where the breach involves suspected illegal or criminal activities.

**SUBJECT: USE OF COMPUTERS AND NETWORKED INFORMATION  
RESOURCES (INTERNET USE)**

Users acknowledge that in the course of using the Internet, there may occur interruptions in service beyond the control of the BOCES, which may result in the loss of data, information or files. The BOCES disclaims any and all responsibility for loss of data, information or files, caused by such service interruptions. Account users do not have a legitimate expectation of privacy when using BOCES computers and networked information resources. Therefore, BOCES may access all files and communications without prior notice to ensure system integrity and that users are complying with the requirements of this policy and accompanying regulations.

Users shall not use the Internet for any purpose that would violate any BOCES policy and/or regulation, or that would violate any State or Federal law or regulation.

**SUBJECT: INTERNET SAFETY/INTERNET CONTENT FILTERING**

In compliance with the Children’s Internet Protection Act (CIPA) and Regulations of the Federal Communications Commissioner (FCC), the BOCES has adopted and will enforce this Internet safety policy that ensures the use of technology protection measures (i.e., filtering or blocking of access to certain material on the Internet) on all BOCES computers with Internet access. Such technology protection measures apply to Internet access by both adults and minors with regard to visual depictions that are obscene, child pornography, or, with respect to use of computers by minors, considered harmful to such students. The BOCES will provide for the education of students regarding appropriate online behavior including interacting with other individuals on social networking Web sites and in chat rooms, and regarding cyberbullying awareness and response. Further, appropriate monitoring of online activities of minors, as determined by the building/program supervisor, will also be enforced to ensure the safety of students when accessing the Internet.

However, no filtering technology can guarantee that users will be prevented from accessing all inappropriate locations. Proper safety procedures, as deemed appropriate by the applicable administrator/program supervisor, will be provided to ensure compliance with CIPA.

In addition to the use of technology protection measures, the monitoring of online activities and access by minors to inappropriate matter on the Internet and World Wide Web may include, but shall not be limited to, the following guidelines:

- a) Ensuring the presence of a teacher and/or other appropriate BOCES personnel when students are accessing the Internet including, but not limited to, the supervision of minors when using electronic mail, chat rooms, instant messaging, and other forms of direct electronic communications. As determined by the appropriate building administrator, the use of email, chat rooms, as well as social networking Web sites, may be blocked as deemed necessary to ensure the safety of such students.
- b) In compliance with this Internet Safety Policy as well as the BOCES Acceptable Use Policy, unauthorized access (including so-called “hacking”) and other unlawful activities by minors are prohibited by the BOCES; and student violations of such policies may result in disciplinary action; and

**SUBJECT: INTERNET SAFETY/INTERNET CONTENT FILTERING (Cont'd.)**

- c) Appropriate supervision and notification to minors regarding the prohibition as to unauthorized disclosure, use and dissemination of personal information.

The determination of what is “inappropriate” for minors shall be determined by the BOCES and/or designated school official(s).

The terms “minor,” “child pornography,” “harmful to minors,” “obscene,” “technology protection measure,” “sexual act,” and “sexual contact,” will be defined in accordance with CIPA and other applicable laws/regulations as may be appropriate.

Under certain specified circumstances, the blocking or filtering technology measure(s) may be disabled for adults engaged in bona fide research or other lawful purposes. The power to disable can only be exercised by an administrator, supervisor, or other person authorized by the BOCES.

The BOCES shall provide certification, pursuant to the requirements of CIPA, to document the adoption and enforcement of its Internet Safety Policy, including the operation and enforcement of technology protection measures (i.e. blocking/filtering of access to certain material on the Internet) for all BOCES computers with Internet access.

**Internet Safety Instruction**

In accordance with New York State Education Law, the BOCES may provide, to students in grades K through 12, instruction designed to promote the proper and safe use of the Internet.

Under the Protecting Children in the 21<sup>st</sup> Century Act, students will also be educated on appropriate interactions with other individuals on social networking Web sites and in chat rooms, as well as cyberbullying awareness and response.

**Access to Inappropriate Content/Material and Use of Personal Technology or Electronic Devices**

Despite the existence of BOCES policy, regulations, and guidelines, it is virtually impossible to completely prevent access to content or material that may be considered inappropriate for students. Students may have the ability to access such content or material from their home, other locations off school premises and/or with a student’s own personal technology or electronic device on school grounds or at school events.

**SUBJECT: INTERNET SAFETY/INTERNET CONTENT FILTERING (Cont'd.)**

**Consent for Student Use**

The BOCES Acceptable Use Policy and accompanying Regulations will be disseminated to parents and students in order to provide notice of the school's requirements, expectations, and student's obligations when accessing the Internet.

**SUBJECT: MEDIA PREVIEW AND PURCHASING**

The Dutchess County BOCES shall collect and maintain a media library for the purpose of assisting and improving instruction for those component districts which subscribe to its service.

No media shall be purchased for the Dutchess County BOCES without having been previewed by the Director/designee in charge of that division.

Purchase of recommended media by the Dutchess County BOCES is solely for the purpose of making materials available to participating schools and in no way shall be construed to mandate or dictate the use of a specific item by any individual or school district.

## Instruction

**SUBJECT: CONTROVERSIAL ISSUES**

Controversial issues may be studied as part of the curriculum and teachers shall present these issues in their classrooms in an impartial and objective manner.

It is also recognized that parents and citizens of the community have a right to object to perceived unfair and prejudiced presentations made by a teacher. In considering such objections, the BOCES Superintendent shall provide for a hearing so that both parties may fairly express their views. If requested, the BOCES Superintendent's decision may be appealed to the Dutchess County BOCES.

## Instruction

**SUBJECT: USE OF COPYRIGHTED MATERIALS**

It is the intent of the Dutchess County BOCES to abide by the provisions of the United States Copyright Law (Title 17, United States Code, Sections 101, et seq.).

All employees and students are prohibited from copying materials not specifically allowed by the copyright law, fair use guidelines, licenses or contractual agreements, or the permission of the copyright proprietor.

Any employee or student who willfully disregards the copyright policy shall be in violation of Federal Copyright Laws and Board policy and shall assume all liability.

A copyright officer may be appointed by the BOCES Superintendent to provide information for all personnel regarding current copyright law and to maintain copyright records.

Regulations and procedures shall be developed by the administration detailing what can and cannot be copied. Appropriate copyright notices will be placed on or near all equipment used for duplication.

Title 17, United States Code Sections 101 et seq.

## Instruction

**SUBJECT: COMPUTER SOFTWARE COPYRIGHT**

It is the intent of the Dutchess County BOCES to adhere to the provisions of copyright laws in the area of microcomputer programs. Though there continues to be controversy regarding interpretation of those copyright laws, the following procedures represent a sincere effort to operate legally. We recognize that computer software piracy is a major problem for the industry and that violations of computer copyright laws contribute to higher costs and greater efforts to prevent copies and/or lessen incentives for the development of effective educational uses of microcomputers. Therefore, in an effort to discourage violation of copyright laws and to prevent such illegal activities:

- a) The ethical and practical problems caused by software piracy will be taught in BOCES buildings.
- b) BOCES employees will be expected to adhere to the provisions of Public Law 96-517, Section 7(b) which amends Section 117 of Title 17 of the United States Code to allow for the making of a back-up copy of computer programs. This states that "... it is not an infringement for the owner of a copy of a computer program to make or authorize the making of another copy or adaptation or that computer program provided:
  1. That such a new copy or adaptation is created as an essential step in the utilization of the computer program in conjunction with a machine and that it is used in no other manner, or
  2. That such a new copy and adaptation is for archival purposes only and that all archival copies are destroyed in the event that continued possession of the computer program should cease to be rightful."
- c) When software is to be used on a disk sharing system, efforts will be made to secure this software from copying.
- d) Illegal copies of copyrighted programs may not be made or used on school equipment.
- e) The legal or insurance protection of the BOCES will not be extended to employees who violate copyright laws.
- f) A designated copyright officer is the only individual who may sign license agreements for software in the BOCES. (Each school using the software also should have a signature on a copy of the software agreement for local control.)
- g) The principal of each school site is responsible for establishing practices which will enforce this policy at the school level.

## Instruction

**SUBJECT: TEXTBOOKS AND OTHER INSTRUCTIONAL MATERIALS**

Textbooks and other instructional materials necessary to provide an appropriate educational program for students shall be provided by the BOCES. They shall be selected by appropriate instructional personnel and recommended to the BOCES Superintendent or his/her designee for approval. Optional materials may be considered for students whose parent(s) and/or guardian(s) find instructional materials objectionable.

Students may be charged for textbooks or supplemental books that have been lost, destroyed, damaged or defaced.

In the Career Education and Alternative Education programs, certain textbooks, instructional supplies and safety equipment may be sold to the students when these materials can reasonably be expected to be needed by the students as they pursue the careers for which they are being trained.

Education Law Section 701 et seq.

## Instruction

**SUBJECT: OBJECTION TO INSTRUCTIONAL MATERIALS**

Any criticism of instructional materials that are in the BOCES programs shall be submitted in writing to the Superintendent. The Board will be informed. A committee which includes the building principal will be designated by the Superintendent to investigate and judge the challenged material.

**SUBJECT: ANIMALS IN THE SCHOOL (INSTRUCTIONAL PURPOSES)**

The Board of Education, in recognizing the educational uses of animals in the classroom, requires that permission be obtained from the Building Principal before animals are brought into the school or classrooms. It is the Principal's responsibility to ensure that there is an appropriate educational purpose if any animal is housed in a classroom. Animals are not to be transported on school buses with the exception of animals certified to assist persons with disabilities.

**Study and Care of Live Animals**

Any school which cares for or uses animals for study shall ensure that each animal in the school be afforded the following:

- a) Appropriate quarters;
- b) Sufficient space for the normal behavior and postural requirements of the species;
- c) Proper ventilation, lighting, and temperature control;
- d) Adequate food and clean drinking water; and
- e) Quarters which shall be cleaned on a regular basis and located in an area where undue stress and disturbance are minimized.

Only the teacher or those students designated by the teacher are to handle the animals.

It shall be the responsibility of the Principal or his/her designee to develop a plan of care for those animals housed in school in the event of an emergency school closing or in the event the animals remain in the classroom on days when school is not in session.
